Teaching Business Communication: A Modern Approach

Teaching Of Business Communication

DP Hallahan

Teaching Of Business Communication:

Business Communication A.C. Buddy Krizan, Patricia Merrier, Joyce P. Logan, Karen Schneider Williams, 2010-02-02 The new cutting edge BUSINESS COMMUNICATION 8e helps students take their communication skills to a higher level by combining up to date technology to enhance learning with stellar content to give them the foundations they need for success in business Reflecting today's inundated marketplace this comprehensive text covers the basics for all forms of business communication from letters to e mail business plans to presentations listening skills to nonverbal messages diversity to teamwork visual aids to Web blogs interpersonal communication to twitter and everything in between The features and package of the Krizan text have long been receiving accolades from instructors across the country Important Notice Media content referenced within the product description or the product text may not be available in the ebook version *Methods of Teaching Selected Topics in Business Communication* Steven Golen, 1986-01-01 In order to help teachers of business communication look for new and innovative ways to improve their teaching this book offers a how to approach to various topics in business communication The ideas expressed in this book are a collaboration of 32 members of The Association for Business Communication who served on the Teaching Methodology and Concepts Committee during 1981-1984 Each topic covered follows a specific format consisting of six sections introduction theory and principles suggested teaching unit classroom activities summary and selected annotated bibliography The topics covered are ethics international business communication creativity small group decisionmaking microcomputer software stress management conflict resolution assertive behavior humor listening nonverbal communication interviewing conferencing oral presentations and career preparation and planning SRT [English for Business Communication Teacher's Book](#) Simon Sweeney, 2003-04-24 English for Business Communications is a short course for learners who need to improve their communicative ability

Communicating in Business Joyce P. Logan, A. C. Krizan, Karen Williams, Patricia Merrier, 2010 The ability to communicate effectively is critical for success in today's business environment The new edition of this back to the basics book was specifically designed to help users develop their communication skills The authors offer complete coverage of fundamental business English topics and concepts with extensive practice and end of chapter review Three chapters focus on essential oral and nonverbal communication skills Facing page models a hallmark feature of this text provide students with good and bad examples of business writing This new edition also integrates technology throughout using numerous Internet activities combined with a dedicated completely updated chapter on technology issues and even more material on coordinating effective media presentations Information on business and casual dress for interviews and electronic resumes helps readers prepare for the realities of today's workplace **A Reference Guide for English Studies** Michael J. Marcuse, 1990-01-01 This ambitious undertaking is designed to acquaint students teachers and researchers with reference sources in any branch of English studies which Marcuse defines as all those subjects and lines of critical and scholarly

inquiry presently pursued by members of university departments of English language and literature Within each of 24 major sections Marcuse lists and annotates bibliographies guides reviews of research encyclopedias dictionaries journals and reference histories The annotations and various indexes are models of clarity and usefulness and cross references are liberally supplied where appropriate Although cost conscious librarians will probably consider the several other excellent literary bibliographies in print such as James L Harner s Literary Research Guide Modern Language Assn of America 1989 larger academic libraries will want Marcuse s volume Jack Bales Mary Washington Coll Lib Fredericksburg Va Library Journal

Teaching Business Communication Skills in a Second Language Peter Fenton,1977 *Rhetorical Theory and Praxis in the Business Communication Classroom* Kristen Getchell,Paula Lentz,2018-09-10 Winner of the Association for Business Communication s 2019 Distinguished Book Award Rhetorical Theory and Praxis in the Business Communication Classroom responds to a significant need in the emerging field of business communication as the first collection of its type to establish a connection between rhetorical theory and practice in the business communication classroom The volume includes topics such as rhetorical grammar genre awareness in business communication theory the role of big data in message strategy social media and memory and the connection between rhetorical theory and entrepreneurship These essays provide the business communication scholar practitioner and program administrator insight into the rhetorical considerations of the business communication landscape

The Business Communication Workbook Emily Carlson Goenner,2023-07-20

Business Communication A. C. Krizan,Patricia Merrier,Carol Larson Jones,2002 The ability to communicate effectively is critical for student success in today s business environment The new edition of this back to the basics text was specifically designed to help students develop their communication skills The authors offer complete coverage of fundamental business English topics and concepts with extensive practice and end of chapter review Three chapters focus on essential oral and nonverbal communication skills Facing page models a hallmark feature of this text provide students with good and bad examples of business writing This new edition also integrates technology throughout using numerous Internet activities combined with a dedicated chapter on technology issues Updated information on business and casual dress for interviews and electronic resumes helps students prepare for the realities of today s workplace

The Teaching of Business Communication II George H. Douglas,1987 *Resources in Education* ,1997 **Teaching Business Discourse** Cornelia Ilie,Catherine Nickerson,Brigitte Planken,2018-10-25 This book presents research in business discourse and offers pedagogical approaches to teaching business discourse in both classroom and consultancy contexts that address the key issues of dealing with different types of learners developing teaching materials and evaluation Drawing on the authors extensive experience of researching business discourse from a variety of different perspectives including pragmatics discourse analysis rhetoric and language for specific purposes it demonstrates how these approaches may be applied to teaching Each chapter includes a list of additional readings together with a number of practical tasks designed to help

readers apply the materials presented Case studies are used throughout the book to illustrate the concepts thus equipping readers with a set of research tools to extend their own understanding of how language and communication operate in business contexts as well introducing them to a variety of research based ideas that can be translated easily into a classroom setting The book is cross cultural in scope as it includes perspectives from a range of different contexts It represents a significant advance in current literature and will provide a valuable resource for students and scholars of applied linguistics business communication and business discourse in addition to teachers of Business English

Building Cultural Bridges in Education Nataša Bakić-Mirić, Davronzhon Erkinovich Gaipov, 2014-01-08 Building Cultural Bridges in Education is a collection of 15 papers written by scholars from around the world who came together in their shared interest to promote an understanding of and appreciation for the rich and varied contemporary theoretical assumptions and current trends in language education linguistics literature and intercultural communication As a result the papers in this volume represent breadth and depth rigor and relevance in discussion of numerous and always varying aspects of scientific discourse and lexis The purpose of this volume is to highlight that contemporary scholars look upon topical issues through a dynamic global prism and beyond any strict set of rules which would otherwise lead them to ignore the ever shifting bridges in education language teaching linguistics literature and culture and the accompanying global cultural reality The variety and complexity of these essays offer fresh views to the topic postulated in the book's title and will additionally stimulate intellectual curiosity and research as well as further development of new ideas within the fields of education language literature and cultural studies
