BRANFORD B YEBOAH,2015-05-18 Prayer has always been a vital part of Christian life By studying the prayers of men of God in the Scriptures you will begin to understand the concept of prayer The men whose prayers moved God to act were ordinary men like us Nevertheless they knew the power of prayer and its benefits The prayer these men prayed was not ordinary prayer but intense prayer People who pray with God have a relationship with Him If you carefully study Scripture you will notice that the way the prophets prayed reveals how married couples should pray to move God to intervene in their failing marriages Their prayer demonstrates the principles that can be gleaned and clearly identified and which if applied to marital life can work wonders When studied the prayers of these great men who walked with God provide a wealth of insight The New Testament offers us prayer to which we even better relate The Gospels centre on key events in the life of Christ including examples of prayer These examples do not only give us insight into the heart of Christ but also give us key instructions on how to pray Parenting For Dummies Sandra Hardin Gookin,Dan Gookin,2011-05-09 Written by parents for parents We humans are pretty clever We ve mastered fire invented the wheel calculated the age of the Universe sent people to the Moon built machines that think and cracked the genome So you d think that with all our smarts somebody would ve come up with a surefire formula for raising kids Maybe that s because every child like every parent is an individual and no two parent child relationships are ever the same So you can give up any notions of being a perfect parent But you can learn to keep the big mistakes to a minimum and make the parenting enterprise easier and more rewarding for your children and you Which is where this book comes in Whether you re child is a newborn a teen or somewhere in between Parenting For Dummies gives you the scoop on parenting basics From dealing with a crying baby and potty training to building self esteem and talking with them about sex it offers a gold mine of up to date advice and guidance on how to Learn to communicate with your kids Develop a good relationship with your kids Keep your kids safe and healthy Help your kids grow up to be good people Keep your cool and control their behavior Discipline constructively and with a minimum of stress Build self esteem in your children Avoid committing the parenting sins your parents taught you Experts Sandy and Dan Gookin she s the parenting expert for Parents Magazine and Working Mother Magazine and he s a father of four avoid the psychological hype and medical terminology and give you the straight poop on all aspects of child rearing including Speaking and listening to kids The importance of being consistent Keeping a sense of humor Dealing with babies Childhood growth and development Health and nutrition Kids changing physical needs Developing a good person Parenting For Dummies gives you the know how and skills you need to be the parent of healthy happy kids **There Is Some Truth in It All** Brian Beckworth,2009-01-15 Brian gives us a chance to look at ourselves and the world we ve created so that we may experience the urge to revolutionize those parts of our being that need changing It is his intent to bring to attention the unsaid and overlooked facets of society Within this work lays the foundation for a broader perspective on your reality and the individual involved in it At the end of this reading you should know whether or not you are pissed with the system or your position

within it *Freedom* Osho,2007-04-01 Learn how to set yourself free with the philosophies of one of the twentieth century s greatest spiritual teachers in Freedom The Courage to Be Yourself In Freedom Osho outlines three stages of freedom The first is freedom from which is a freedom that comes from breaking out of what he calls the psychological slavery imposed by outside forces such as parents society or religion The next stage is freedom for a positive freedom that comes from embracing and creating something a fulfilling relationship for example or an artistic or humanitarian vision And lastly there is just freedom the highest and ultimate freedom This last freedom is more than being for or against something it is the freedom of simply being oneself and responding truthfully to each moment This book helps readers to identify the obstacles to their freedom both circumstantial and self imposed to choose their battles wisely and to find the courage to be true to themselves Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world Saladin Saladin Shabazz-Allah,2022-08-01 This book and my research is about uncovering the many many injustices of the American government and the American people against black people over the last five hundred years in America I will show and also prove the absolute diabolism being applied throughout history against the masses of black people to keep us in a submissive role in this American society Through history I have assembled undisputed facts of this American conspiracy to destroy black people as America present their version of black people As black people aEUR not African Americans but black people aEUR we have the right to be our own selves We have the right to choose for ourselves We have a right to reject the lies and atrocities that America tells and have committedaEURand are still committing We have the right to have the true history not this distorted American history It is our right to be free of everything America does we have nothing to gain I m telling the truth that the majority of civilization is trying to hide but can no longer hide Read everyone this is the absolute truth
