Teaching English in Africa Anderson, Jason, 2016-04-30 Teaching English in Africa is a practical guide written for primary and secondary school teachers working all over the continent This book relates the practice of English language teaching directly to the African context As well as covering the underlying theory of how children learn languages and how teachers can best facilitate this learning it also provides practical resources and ideas for activities and techniques that have proved successful in English classrooms in Africa both at primary and secondary level It is intended to be a practical guide so references and citations are kept to a

minimum and concepts are presented using examples that are likely to be familiar to most teachers working in Africa. If there is a bias in this book it is towards the needs of teachers working in low resource isolated contexts in Africa as these teachers are so often neglected by literature on teaching methodology.

Teaching English Language Learners Shelley Hong Xu, 2010-01-01 Grounded in research and practical expertise this volume helps K-6 teachers skillfully support all of their English language learners (ELLs) from a single student to an entire classroom. Ideas for teaching ELLs across different grade and proficiency levels include ways to link instruction to students' lived experiences, use a variety of motivating print and electronic texts and materials, engage families, and conduct effective assessments. Chapters are packed with tools and activities for promoting ELLs' development in oral language, phonics, fluency, vocabulary, comprehension, writing, and grammar. Handy reproducibles and Voice from the Classroom teacher vignettes enhance the utility of the book.
