Teaching Ideas for the Basic Communication Course Barbara S. Hugenberg, 2000-10-27 **Teaching Ideas for the Basic Communication Course** Hugenberg, 1998-09 Teaching Ideas For Basic Communications Course Barbara S. Hugenberg, Lawrence W. Hugenberg, 2007-08-21 *Activities for Teaching Gender and Sexuality in the University Classroom* Michael Murphy, Elizabeth Ribarsky, 2013-04-26 *Activities for Teaching Gender and Sexuality in the University Classroom* is the first interdisciplinary collection of activities devoted entirely to teaching about gender and sexuality. It offers both new and seasoned instructors a range of exciting exercises that can be immediately adapted for their own classes at various levels and across a range of disciplines. Activities are self-contained, classroom tested, and edited for ease of use and potential to remain current. Each activity is thoroughly described with a comprehensive rationale that allows even those unfamiliar with the material concepts to quickly understand and access the material learning objectives required time and materials, directions for facilitation, debriefing questions, cautionary advice, and other applications. For the reader's benefit, each activity is briefly summarized in the table of contents and organized according to themes common to most social science classrooms: Work, Media, Sexuality, Body, etc. Many activities also include handouts that can be photocopied and used immediately in the classroom. *Activities for Teaching Gender and Sexuality in the University Classroom* will be the standard desk reference on this topic for years to come and will be indispensable to those who regularly teach on these topics.

Teaching, Learning and the Net Generation: Concepts and Tools for Reaching Digital Learners Ferris, Sharmila Pixy, 2011-11-30. Although a growing body of research demonstrates the need for education to adapt to the needs of the Net Generation, research also shows that traditional teaching methods continue to dominate the classroom. To stay effective, higher education must adapt to the needs of this unique generation of digital natives who grew up with computer technologies and social media. *Teaching, Learning and the Net Generation: Concepts and Tools for Reaching Digital Learners* provides pedagogical resources for understanding digital learners and effectively teaching and learning with today's generation of digital natives. This book creates a much-needed resource that moves beyond traditional disciplinary and geographical boundaries, bridges theories and practice, and addresses emerging issues in technology and pedagogy.

Resources in Education, 2000-10 *The Routledge Handbook of Public Speaking Research and Theory* Stevie M. Munz, Tim McKenna-Buchanan, Anna M. Wright, 2024-04-18. Providing a comprehensive survey of the empirical research, theory, and history of public speaking, this handbook fills a crucial gap in public speaking pedagogy resources and provides a foundation for future research and pedagogical development. Bringing together contributions from both up-and-coming and senior scholars in the field, this book offers a thorough examination of public speaking guided by research across six key themes: the history of public speaking, the foundations of public speaking, issues of diversity, equity, and inclusion, considerations of public speaking across contexts, assessment of public speaking, and the future of public speaking in the

twenty first century The evidence based chapters engage with a broad discussion of public speaking through a variety of viewpoints to demonstrate how subtopics are connected and fraught with complexity Contributors explore public speaking in education business and professional settings and political contexts and outline how skills learned through public speaking are applicable to interpersonal small group and business interactions Reinforcing the relevance importance and significance of public speaking in individual interpersonal social and cultural communication contexts this accessibly written handbook will be an indispensable resource for public speaking instructors and program administrators It will also be valuable reading for Communication Pedagogy and Introduction to Graduate Studies courses
