Drake, Marvia Brown Drake, 1983      **Talking to Your Kids About Sex** Lauri Berkenkamp, Stephen C Atkins, 2002-08-01 This commonsense practical guide to talking to children about sex provides ways to launch conversations following some of the most common kid comments and questions What s That Thing I m Going to Marry Mommy Sex Is When You Kiss I Don t Want to Talk About It From teaching toddlers about body parts to important discussions with adolescents this resource encourages parents to understand what children of particular ages and developmental levels are ready to know what they should know and how to tell them Real life questions and answers encourage parents to prepare for their talks and make discussions easier Moreover ideas for discussing this sensitive subject with a sense of humor help take away some of the awkwardness for both children and parents      **Teaching Children about**

**Sex: Using the Temple as Your Guide** Cherri Brooks, 2023-02-02 It s time for the talk Teach your children the truth about sexual intimacy in a world of shifting values and ideas With expert advice and age appropriate wording you learn how to use the temple as a beautiful analogy to discuss with your kids the sacred subject of sex Timely and clear this book is a must read for parents teachers and leaders      *Teaching Your Children Healthy Sexuality* Jim Burns, 2008-06 Each kit contains a DVD

with six sessions featuring Dr Jim Burns and a resource packed CD that includes a leader s guide a small group participant guide a poster and a bulletin insert The materials all outline a practical guide for parents on how to develop in their children a healthy perspective regarding their bodies and sexuality      **Teaching Your Child About Sex** Terrance S. Drake, Marv B. Drake, 1990-03-01      *How to Teach Your Child about Sex* Grace H. Kettermann, 1981 A wholesome Christian approach to raising sexually responsible secure children      **How to Talk to Your Child About Sex** Linda Eyre, Richard Eyre, 2025-09-23

Linda and Richard Eyre stress that it s never too soon or too late to start discussing sex and values with your children and they ve got proven strategies to make it easier For parents who want to go beyond the birds and the bees talk *How to Talk to Your Child About Sex* provides thoughtful clear specific guidance on when and most important how to help children begin to learn and understand sex love and commitment from the most positive viewpoint possible Preliminary as needed talks with

three to eight year olds The age eight Big Talk Follow up talks with eight to thirteen year olds Behavior discussions and guidelines with eleven to sixteen year olds Discussions of perspective and personal standards with fifteen to nineteen year olds *Working Mother*, 1988-02 The magazine that helps career moms balance their personal and professional lives

*Everything You Never Wanted Your Kids to Know About Sex (But Were Afraid They'd Ask)* Justin Richardson, Mark Schuster, 2004-03-23 If you've ever tried to tell your six year old how babies are made or your fourteen year old how condoms work you know that grappling with telling your kids about sex can be a sweat drenched exercise But it doesn't have to be *Everything You Never Wanted Your Kids to Know About Sex But Were Afraid They'd Ask* is a one of a kind survival guide that will help you stay sane through every stage of your child's sexual development After interviewing scores of parents and analyzing decades of scientific research two nationally respected Harvard trained physicians share their expertise in this brilliantly insightful practical and hilarious book that has fast become the leading resource for parents of toddlers to teens This indispensable guide covers all the bases including What to expect at each stage of your child's development and how you can influence it from birth onward What to tell your kids at every age about sex and how to get the conversation going What to do when your five year old turns up naked with the girl next door your toddler is rubbing on her teddy bear or your six year old walks in on you having sex How to avoid unnecessary clashes with your middle schooler while managing privacy crushes and what to wear How to encourage your teenager to use contraception without encouraging her to have sex and how to help her choose the method that's best for her **How to Teach Your Child about Sex** Grace H.

Ketterman, 1981-05 **What Your Child Needs to Know About Sex** Dr. Fred Kaeser, 2011-09-06 If you start talking early enough kids will listen FOR MANY PARENTS the talk is one of the most dreaded rites of passage in the child raising experience but it doesn't have to be The key is to start early when talking about sex with your child In Dr Fred Kaeser's progressive approach parents become their child's first resource for sexual information instead of ceding control to peers the school system or the media in order to have a lasting and positive influence over their child's sexual development As the former director of health in the New York City public schools there's nothing Dr Kaeser hasn't been asked by kids or by parents And he has seen firsthand the results of our increasingly sexualized youth culture and how it's making children grow up faster than ever these days From sexting to cyberbullying challenges and pressures abound even for kids in kindergarten This means that parents must begin laying the groundwork for basic conversations about sex when their child is as young as three years old Parents then build their discussions on this early foundation introducing more information at developmentally appropriate ages for example talking about puberty with your eight year old and discussing safe sex with your ten year old *What Your Child Needs to Know About Sex and When* goes far beyond the birds and the bees to discuss uncomfortable issues with a winning frankness and empowering attitude It offers families the tools they need for navigating how and when to have positive dialogues about sexuality and helps parents learn to use everyday teachable moments Open communication about

sex with your children isn't necessarily easy but it can be done this indispensable book will guide you every step of the way

**Sex Ed for the Stroller Set** Laura Hancock, Karen Rayne, 2023-07-25 National Parenting Product Award Winner 2023  
Sex Ed for the Stroller Set gives parents practical tools to proactively teach young children about sexuality and the confidence to use these tools. When adults bring intention and thoughtfulness to providing sexual health education to their young children, they can establish healthy attitudes toward sexuality and prepare their children and themselves for sexual topics that will arise in later years. While there are many books on sexual health written for parents of teens and young adults, there are very few written for parents of young children. But the early years are crucial to sexual health and what parents do and say is of the utmost importance. This book, written for parents or other primary caregivers who are raising a child under the age of six, shows how to provide essential information about sexuality, bodies, and behavior in age-appropriate but thorough and accurate language. It helps parents prepare for conversations that might make them uncomfortable by supplying not only the necessary information but also specific phrases and words they can use when speaking to their young children while also helping parents process their own anxieties around sex. A parent is their child's best sex ed teacher. By providing reliable, straightforward information about sexuality, parents can establish open, honest relationships with their children, help protect them from harm, and set them up for healthy, fulfilling, and pleasurable sex lives and relationships as adults.

**The Talk** Luke Gilkerson, 2014-07-28 When it comes to the matter of teaching kids about sex, Christian parents are often confused about what to say and when to say it. The Talk is a series of 7 studies, all anchored in the Scriptures, that helps parents to talk meaningfully with children about sexuality. The Talk was written for parents to read with children ages 6 to 10 years old. The study supplies elementary-age children with foundational truths about sexuality at a level they can understand.

**Talk Sex Today** Saleema Noon, Meg Hickling, 2016-08-05 Not sure what or how much information to share with children and teens regarding sex and sexual health? Do you fear what they might ask? Or how to respond to their questions? Or whether you even know the answers yourself? Saleema Noon knows all about these fears and concerns. An expert in sexual health education and stepparent to two teenage daughters, herself, she understands the challenges adults face when addressing sensitive topics with their kids. In *Talk Sex Today*, Noon delivers an intelligent and sensible blend of current, inclusive, and practical information for children and teens and the adults who love them. Noon builds on the foundational work of iconic sexual health educator Meg Hickling and her bestselling *Speaking of Sex* books to offer adults a break-through guide on teaching body science. Together with a combined 40 years of experience, Noon and Hickling broach a host of topics including gender identity and stereotypes, sexual diversity, sexual consent, bullying, and harassment, fostering healthy body image, internet safety, managing media influence, pornography, sexual decision-making, teaching sexual health to children and teens with special needs. Not afraid of controversy and firm in her belief that knowledge is power, Noon's broadly inclusive approach shines with the affirmation that every person, regardless of race, religion, age, ability, gender identity, gender

expression and sexual attraction deserves respect and the information that will keep them safe This is the ultimate guide to teaching children about sexual health and is ideal for educators and parents alike **I Want to Teach My Child about Sex** Karl Wendt, Shannon Wendt, 2005 Featuring quick tips easy to use charts and instantly usable lists and illustrations this hands on resource helps parents who want to teach their kids about sex by applying biblical principles **"Raising Sexually Pure Kids"** Claire Greslé-Favier, 2009 Raising Sexually Pure Kids Sexual Abstinence Conservative Christians and American Politics analyzes pro abstinence discourses issued by the conservative Christian community and the G W Bush administration to underline that abstinence is not a peripheral matter but is a cultural and political issue of great significance in US society especially in the past decade This book seeks to bring to light how pro abstinence discourses coalesce most of the core agendas of conservative Christians like creationism parental rights or the culture war and enabled them and the Bush administration to on the one hand preserve traditional hierarchies and on the other hand maintain the sense of threat necessary to the protection of the status quo and to the enduring commitment of the conservative Christian constituency

**Teaching Your Children Values** Richard Eyre, Linda Eyre, 2010-05-11 One of the greatest gifts you can give your children is a strong sense of personal values Helping your children develop values such as honesty self reliance and dependability is as important a part of their education as teaching them to read or how to cross the street safely The values you teach your children are their best protection from the influences of peer pressure and the temptations of consumer culture With their own values clearly defined your children can make their own decisions rather than imitate their friends or the latest fashions In Teaching Your Children Values Linda and Richard Eyre present a practical proven month by month program of games family activities and value building exercises for kids of all ages **Teaching Your Children Good Manners** Lauri Berkenkamp, Steven C Atkins, 2001-10-01 For parents everywhere who have had lovely family dinners ruined by misbehaving children help is at hand This guide provides a humorous hands on parent friendly approach to teaching children of all ages good manners in a wide variety of social situations from accepting gifts graciously to which foods are OK to eat with fingers Each chapter tackles a different situation gives a brief outline of what manners are appropriate for it and offers advice on how to teach and reinforce them to children of different ages There is also a What to Expect chart broken down by age and a Q A section devoted to questions concerning children and manners
