Teachings of Jesus Christ Reptsaj Jasper, 2011-06-24 This is perhaps the first book detailing the teachings of the Lord Jesus Christ on many key aspects of the gospel of salvation and the kingdom of the God which had have been concealed and not revealed as CORNERSTONE teachings of the gospel of salvation The greatest consequence of this is the total contamination of the gospel of salvation while the true gospel or treasure has been hidden for centuries The author has been disciplined and led to write this book in the face of the full contamination of the gospel of salvation and the kingdom of the God in order that believers may be revealed the true treasure so that they are able to understand the true gospel as taught by the Lord Jesus Christ the Saviour of the world when He was on the earth the first time Only when believers understand and obey the truth of the gospel will they be set free from slavery to the sin And only when those believers who are set free from slavery to the sin can they become sons of the God And only sons of the God can remain in the kingdom of the God forever meaning only sons of the God can receive everlasting life The Lord Jesus Christ is the Road and the Truth and the Life The Truth is the Word of the God And in the New Testament days the main truth is the gospel of salvation Therefore unless believers know meaning understand the truth concerning the gospel of salvation how can they obey the truth of the gospel to receive everlasting life And especially in the last days unless believers know the truth of the gospel how can they identify and reject false prophets false teachers and false preachers who spread false gospel to lead them astray into everlasting fire In view of the many different variations of translation and interpretation of the teachings of Paul Peter John and James regarding the gospel of salvation it is imperative for believers to know and understand the CORNERSTONE teachings of the Lord Jesus Christ on the gospel of salvation and the kingdom of the God There is a plethora of writings by Christian authors and theologians and teachers on the teachings of Paul on the gospel of salvation relating to the law and works and love and faith and obedience and perfection etc Many preachers and teachers of the Word of the God were are confused themselves over such important issues For believers to know the correct interpretation and translation of the teachings of the apostles and prophets on the gospel of salvation and the kingdom of the God believers must know and understand the teachings of the Lord Jesus Christ on the gospel of salvation and the kingdom of the God The main topics taught by the Lord Jesus Christ as revealed in this Book are a Everlasting life b Righteous Righteousness c Kingdom of the heaven and kingdom of the God d

Prophet,Elizabeth Clare Prophet,2020-01-01 Unmistakable evidence that many of Jesus teachings were altered deleted or never recorded In their classic series The Lost Teachings of Jesus Mark L Prophet and Elizabeth Clare Prophet prove that many of Jesus original teachings are missing They show that the New Testament records only a fragment of what Jesus taught That what was written down was tampered with by numerous editors or suppressed by guardians of the faith And that some of what was recorded has been misinterpreted to this day The authors fill in the gaps with a bold reconstruction of the essence of Jesus message They unfold the lost teachings Jesus gave in public to the multitudes and in secret to his closest disciples In modern vernacular they offer a unique blend of the mystical and the practical that goes beyond the orthodox view of Jesus to discover his original message And they answer questions that have puzzled readers of the Bible for centuries **The Radical Teachings of Jesus** Derek John Morris,2009 Jesus ignored human traditions and presented His listeners with God s truth Discover some of the radical ideas He taught that defied conventional wisdom and customs then and that continue to do so today [The Life and Teachings of Jesus](#) George Henry Walser,1909 **The Political and Social Significance of the Life and Teachings of Jesus** Jeremiah Whipple Jenks,1906 **Summary of Some Key Teachings of Jesus Christ** Repsaj Jasper,2013-04-04 This Book number 3 is a summary of some of the key teachings of the Lord Jesus Christ in conjunction with Book number 2 Teachings of Jesus Christ as part of a series of books by the author to reveal the teachings of the Lord Jesus Christ as the CORNERSTONE teachings concerning the kingdom of the God and the gospel of salvation Most of the writings by Christian authors available in Christian bookstalls revealing the gospel of salvation and the kingdom of the God were interpreted mainly from the teachings of the apostles and prophets The clear and specific teachings of the Lord Jesus Christ had have not been revealed as the CORNERSTONE upon which all the teachings of the apostles and prophets should be based upon Because of this many Christian theologians and authors had have not correctly interpreted the teachings of the apostles and prophets in particular the teachings of Paul This has contributed to the establishment of many Christian sects with many variations of
