School Libraries Supporting Students with Hidden Needs and Talents Karla Bame Collins,2024-10-03 Together librarians and specialists can create experiences to reach all learners in their buildings including those with hidden needs and talents While school librarians are experts at collaborating with classroom teachers too often they overlook the specialists in their buildings as key collaborative partners Focusing on the many specialists who work with students Karla

Bame Collins provides information about their roles and responsibilities and discusses how school librarians can collaborate to improve learning for all students including those with hidden needs disabilities and talents that are not easily detected and may go undiagnosed Because librarians work with every student but may not always be informed about each student s particular needs it s important for them to know whom in the school to turn to for information Librarians will gain ideas for working with students to provide the best possible learning environment for each This practical book looks at the whole school library environment collection instruction space and programming and offers many ideas for librarians to collaborate with other educators and specialists for the good of all students

The Dysfunctional Library Jo Henry, Joe Eshleman, Dr. Richard Moniz, 2018-12-18 Frankly it s not something we like to talk about There is an unfortunate stigma to acknowledging workplace dysfunction let alone trying to grapple with the problem But negative behaviors such as incivility toxicity deviant behavior workplace politics and team and leadership dysfunction not only make the library a stressful workplace they also run counter to the core values of librarianship An important tool for library leaders and managers as well as library staff this book examines these negative relationship based issues and suggests practical research based solutions by discussing the importance of understanding oneself as related to the library workplace identifying attributes specific to libraries that foster personal success showing how organizational dysfunction is rooted in problems such as poor communication inadequate leadership and lack of employee engagement breaking down relatable scenarios to analyze what s behind them and how to defuse them ranging from a gossipy coworker who fails to contribute to the organization to workplace bullying and mobbing exploring causes results and potential solutions in the areas of cyberloafing fraud theft and sabotage delving into the importance of conflict management surveying a variety of approaches and applications examining the use of teams in libraries and the impact of favoritism nepotism and sexism and providing techniques for successful collaboration leadership organizational communication and other key management topics By tackling the dysfunctional library head on managers as well as library workers who find themselves in a toxic situation will be poised to better meet library goals and move the library forward
