American? Literature? Winfried Fluck, Werner Sollors, 2002 More than 25 000 German language titles have been published in the United States from the colonial period to the twentieth century This book gives a fresh look at this rich historical tradition with essays discussing all genres of this colorful literature ranging from immigrant letters to experimental German language poetry by Jewish women from German American novelists and playwrights to Austrian refugee publishers and a psychological theorist of the movies German American Literature reintroduces the modern reader to a fascinating subject that has gained new relevance in an age of increased global migrations Ethnic Groups USA Benjamin J. Patterson, 2008-05-06 Just before the celebration of Thanksgiving in the year 1911 many groups were fragmented on multiple social and religious issues As a result parishioners from the First

Presbyterian Russell Sage Memorial Church of Far Rockaway New York and families of Temple Israel of Lawrence New York saw the importance of engaging in some form of dialogue that would bridge the multiple misunderstandings between the groups thus hoping to achieve somewhat an authentic interpersonal relationship Today this dialogue is successfully ongoing between these two original communities and craves the emulation from inauthentic groups across America *The Fortunes of the Humanities* Sander L. Gilman,2000 In an era of attacks on the humanities by the right Goethe is not taught anymore and the left Why teach dead white males a distinguished teacher and scholar presents a series of closely interconnected exercises in understanding the present state and future possibilities of the humanities **Youth Cultures in America**

Simon J. Bronner,Cindy Dell Clark,2016-03-21 What are the components of youth cultures today This encyclopedia examines the facets of youth cultures and brings them to the forefront Although issues of youth culture are frequently cited in classrooms and public forums most encyclopedias of childhood and youth are devoted to history human development and society A limitation on the reference bookshelf is the restriction of youth to pre adolescence although issues of youth continue into young adulthood This encyclopedia addresses an academic audience of professors and students in childhood studies American studies and culture studies The authors span disciplines of psychology sociology anthropology history and folklore The Encyclopedia of Youth Cultures in America addresses a need for historical social and cultural information on a wide array of youth groups Such a reference work serves as a corrective to the narrow public view that young people are part of an amalgamated youth group or occupy malicious gangs and satanic cults Widespread reports of bullying school violence dominance of athletics over academics and changing demographics in the United States has drawn renewed attention to the changing cultural landscape of youth in and out of school to explain social and psychological problems
