***The Triumph of the Thriller* Patrick Anderson, 2007-02-06** There's been a revolution in American popular fiction The writers who dominated the bestseller lists a generation ago with blockbuster novels about movie stars and exotic foreign lands have been replaced by a new generation writing a new kind of bestseller one that hooks readers with crime suspense and ever increasing violence Patrick Anderson *The Washington Post's* man on the thriller beat calls this revolution the triumph of the thriller and lists among its stars Thomas Harris Michael Connelly George Pelecanos Dennis Lehane Sue Grafton and Elmore Leonard In his provocative caustic and often hilarious survey of today's popular fiction Anderson shows us who the best thriller writers

are and the worst He shows how Michael Connelly was inspired by Raymond Chandler how George Pelecanos toiled in obscurity while he mastered his craft how Sue Grafton created the first great woman private eye and how Thomas Harris transformed an insane cannibal into the charming man of the world who made FBI agent Clarice Starling his lover Anderson shows Scott Turow inventing the modern legal thriller and John Grisham translating it into a stunning series of bestsellers He casts a cold eye on Tom Clancy's militaristic techno thrillers and praises Alan Furst and Robert Littell as world class spy novelists He examines the pioneering role of Lawrence Sanders the offbeat appeal of Dean Koontz the unprecedented success of *The Da Vinci Code* and the emergence of the literary thriller Most of all Anderson demands that the best of these novelists be given their due not as genre writers but as some of the most talented men and women at work in American fiction Don't trust the literary elites to tell you what to read he warns make up your own minds *The Triumph of the Thriller* will convince many readers that we've entered an important new era in popular fiction This book can be your guide to it

**Doctors' Magazine**, 1901      **The Making of Shinkokinshū** Robert N. Huey, 2020-03-23 This study of the Japanese imperial court in the early thirteenth century focuses on the compilation of one of Japan's most important poetry collections Shinkokinshū Using personal diaries court records poetry texts and literary treatises Robert N Huey reconstructs the process by which Retired Emperor Go Toba brought together contending factions to produce this collection and laid the groundwork for his later attempt at imperial restoration The work analyzes how poetic discourse of the imperial court animated both other kinds of writing and other activities Finally it underscores the inextricable ties between the writing of poetry and court politics Shinkokinshū the New Kokinshū has been viewed as a neo-classical effort Reading history backward scholars have often taken the work to be the outgrowth of a nostalgia for greatness presumed to have been lost in the wars of the origins of the collection The author argues that the compilers of Shinkokinshū instead saw it as a new beginning a revitalization and affirmation of courtly traditions and not a reaction to loss It is a dynamic collection full of innovative challenging poetry not an elegy for a lost age      *Sequels* Janet G.
