The Gendered West Gordon Morris Bakken, Brenda Farrington, 2013-09-13 First Published in 2001 This anthology of western history articles emphasizes the New Western History that emerged in the 1980s and adds to it a heavy dose of legal history a field frequently ignored or misunderstood by the New Western historians From first contact American Indians knew that Europeans did not understand the gendered nature of America Confusion regarding the role of women within tribes and bands continued from first contact well into the late nineteenth century The journal articles that follow give readers a true sense of the gendered West Racial and ethnic heritage played a role in female experience whether Hispanic Japanese or Irish Women s work was part western history but women did not confine themselves to plow handles or brothels Women were very much a part of most occupations or in the process of breaking down barriers of access They worked in the fields for wages as well as for family welfare and prosperity Women demanded access to the professions whether teaching or law accounting or medicine The process of eliminating barriers varied in time and space but the struggle was constant Yet the story of women in polygamous Utah or Idaho was different and an integral part of the fabric of western history Because of their beliefs and practices these women suffered at the hands of the federal government and persevered

**Ethnic Historians and the Mainstream** Alan M. Kraut, David A. Gerber, 2013-11-06 Do historians write their biographies with the subjects they choose to address in their research In this collection editors Alan M Kraut and David A Gerber compiled eleven original essays by historians whose own ethnic backgrounds shaped the choices they have made about their own research and writing as scholars These authors historians of American immigration and ethnicity revisited family and personal experiences and reflect on how their lives helped shape their later scholarly pursuits at times inspiring specific questions they asked of the nation s immigrant past They address issues of diversity multiculturalism and assimilation in academia in the discipline of history and in society at large Most have been pioneers not only in their respective fields but also in representing their ethnic group within American academia Some of the women in the group were in the vanguard of gender diversity in the discipline of history as well as on the faculties of the institutions where they have taught The authors in this collection represent a wide array of backgrounds spanning Europe Africa Asia the Middle East and Latin America What they have in common is their passionate engagement with the making of social and personal identities and with finding a voice to explain their personal stories in public terms Contributors Theresa Alfaro Velcamp John Bodnar Mar a C Garc a David A Gerber Violet M Showers Johnson Alan M Kraut Timothy J Meagher Deborah Dash Moore Dominic A Pacyga Barbara M Posadas Eileen H Tamura Virginia Yans Judy Yung

**Rethinking Chinese Popular Culture** Carlos Rojas, Eileen Chow, 2008-12-08 Through analyses of a wide range of Chinese literary and visual texts from the beginning of the twentieth century through the contemporary period the thirteen essays in this volume challenge the view that canonical and popular culture are self evident and diametrically opposed categories and instead argue that the two cultural sensibilities are inextricably bound up with one another An international line up of contributors present detailed analyses of literary works and other cultural products that

have previously been neglected by scholars while also examining more familiar authors and works from provocative new angles The essays include investigations into the cultural industries and contexts that produce the canonical and popular the position of contemporary popular works at the interstices of nostalgia and amnesia and also the ways in which cultural texts are inflected with gendered and erotic sensibilities while at the same time also functioning as objects of desire in its own right As the only volume of its kind to cover the entire span of the 20th century and also to consider the interplay of popular and canonical literature in modern China with comparable rigor *Rethinking Chinese Popular Culture* is an important resource for students and scholars of Chinese literature and culture

**Asian American Women** Linda Trinh V?,Marian Sciachitano,2004-01-01 *Asian American Women* brings together landmark scholarship about Asian American women that has appeared in *Frontiers A Journal of Women Studies* over the last twenty five years The essays written by established and emerging scholars made a significant impact in the fields of Asian American studies ethnic studies women s studies American studies history and pedagogy The scholarship is still relevant today broadening our critical understanding of Asian American women s resistance to the forces of racism patriarchy militarism cultural imperialism neocolonialism and narrow forms of nationalism The essays in this collection reveal the experiences and struggles of Asian American women within a global political economic cultural and historical context The essays focus on diverse issues including unconventional Asian American women of the early 1900s the life of a Japanese war bride possibilities for transnational Asian American feminism the politics of Vietnamese American beauty pageants mixed race identities and bisexual identities Filipina healthcare providers South Asian American representations and a multiracial exchange on pedagogical interventions The collection represents the rich diversity of Asian American women s lives in hope of creating a new transnational space of critical dialogue strategic resistance and alliance building

**The Age of Irreverence** Christopher Rea,2025-02-25 *The Age of Irreverence* tells the story of why China s entry into the modern age was not just traumatic but uproarious As the Qing dynasty slumped toward extinction prominent writers compiled jokes into collections they called histories of laughter In the first years of the Republic novelists essayists and illustrators alike used humorous allegories to make veiled critiques of the new government But again and again political and cultural discussion erupted into invective as critics gleefully jeered and derided rivals in public Farceurs drew followings in the popular press promoting a culture of practical joking and buffoonery Eventually these various expressions of hilarity proved so offensive to high brow writers that they launched a concerted campaign to transform the tone of public discourse hoping to displace the old forms of mirth with a new one they called youmo humor Christopher Rea argues that this period from the 1890s to the 1930s transformed how Chinese people thought and talked about what is funny Focusing on five cultural expressions of laughter jokes play mockery farce and humor he reveals the textures of comedy that were a part of everyday life during modern China s first age of irreverence This new history of laughter not only offers an unprecedented and up close look at a neglected facet of Chinese cultural modernity but also

reveals its lasting legacy in the Chinese language of the comic today and its implications for our understanding of humor as a part of human culture

**Power and Identity in the Chinese World Order** Billy K.L. So, John Fitzgerald, Jianli Huang, James K. Chin, 2003-03-01 Wang Gungwu is one of the most influential historians of his generation Initially renowned for his pioneering work on the structure of power in early imperial China he is more widely known for expanding the horizons of Chinese history to include the histories of the Chinese and their descendents outside China It is probably no coincidence Philip Kuhn observes that the most comprehensive historian of the Overseas Chinese is the historian most firmly grounded in the history of China itself This book is a celebration of the life work and impact of Professor Wang Gungwu over the past four decades It commemorates his contribution to the study of Chinese history and the abiding influence he has exercised over later generations of historians particularly in the Asia Pacific region The book begins with an historiographical survey by Philip Kuhn Francis Lee Higginson Professor of History at Harvard University of Wang Gungwu's enduring contribution to scholarship It concludes with an engaging oral history of Professor Wang's life career and research trajectory The intervening chapters explore many of the fields in which Wang Gungwu's influence has been felt over the years including questions of political authority national identity commercial life and the history of the diaspora from imperial times to the present day Each of these chapters is authored by a former student of Professor Wang now working and teaching in Hong Kong Southeast Asia Australasia Taiwan and Canada

**The Cold War and Asian Cinemas** Poshek Fu, Man-Fung Yip, 2019-11-28 This book offers an interdisciplinary historically grounded study of Asian cinemas complex responses to the Cold War conflict It situates the global ideological rivalry within regional and local political social and cultural processes while offering a transnational and cross regional focus This volume makes a major contribution to constructing a cultural and popular cinema history of the global Cold War Its geographical focus is set on East Asia Southeast Asia and South Asia In adopting such an inclusive approach it draws attention to the different manifestations and meanings of the connections between the Cold War and cinema across Asian borders Many essays in the volume have a transnational and cross regional focus one that sheds light on Cold War influenced networks such as the circulation of socialist films across communist countries and on the efforts of American agencies such as the United States Information Service and the Asia Foundation to establish a transregional infrastructure of free cinema to contain the communist influences in Asia With its interdisciplinary orientation and broad geographical focus the book will appeal to scholars and students from a wide variety of fields including film studies history especially the burgeoning field of cultural Cold War studies Asian studies and US Asian cultural relations

**Mobile Chinese Entrepreneurs** Chan Kwok-bun, Chan Wai-wan, 2011-07-26 Mobile Chinese Entrepreneurs draws extensively on the narratives of sixteen small to medium business owners born on the mainland who have immigrated to Hong Kong and returned to their ancestral hometowns in China to establish their enterprises For these executives business and social life alike are marked by constant interplay of identities such as individual identity group membership and

ancestral immigrant identity Yet as often as this juggling of multiple selves can be beneficial in the economic sphere it can also lead to feelings of rootlessness and alienation Writing with rare sensitivity the two authors synthesize insights from economic sociology psychology ethnic relations emotions and social networks creating an exploration of social capital and social identity comparable to similar groups of businessmen and women in other parts of the world **Writing the Range** Elizabeth Jameson, Susan Hodge Armitage, 1997 In mythic sagas of the American West the wide western range offers boundless opportunity to profile a limited cast of white men In this pathbreaking anthology Jameson and Armitage brings together 29 essays which present the story of women from that era Clearly written and accessible Writing the Range makes a major contribution to ethnic history women's history and interpretations of the American West 27 illustrations 3 maps

**Angel Island** Erika Lee, Judy Yung, 2010-08-30 From 1910 to 1940 over half a million people sailed through the Golden Gate hoping to start a new life in America But they did not all disembark in San Francisco instead most were ferried across the bay to the Angel Island Immigration Station For many this was the real gateway to the United States For others it was a prison and their final destination before being sent home In this landmark book historians Erika Lee and Judy Yung both descendants of immigrants detained on the island provide the first comprehensive history of the Angel Island Immigration Station Drawing on extensive new research including immigration records oral histories and inscriptions on the barrack walls the authors produce a sweeping yet intensely personal history of Chinese paper sons Japanese picture brides Korean students South Asian political activists Russian and Jewish refugees Mexican families Filipino repatriates and many others from around the world Their experiences on Angel Island reveal how America's discriminatory immigration policies changed the lives of immigrants and transformed the nation A place of heartrending history and breathtaking beauty the Angel Island Immigration Station is a National Historic Landmark and like Ellis Island it is recognized as one of the most important sites where America's immigration history was made This fascinating history is ultimately about America itself and its complicated relationship to immigration a story that continues today *A Companion to Chinese History* Michael Szonyi, 2017-02-06 A
