Mission Gamma: Book One David R. George III, 2002-10-02 THE TIME HAS COME for a new era of exploration With the Dominion War behind them the crew of the U S S Defiant journeys through the wormhole as Commander Elias Vaughn leads a corps of discovery to blaze new trails into the unexplored reaches of the Gamma Quadrant THE TIME HAS COME for a civilization to reach a crossroads As political forces throughout the Alpha Quadrant intersect at Deep Space 9 to determine the future of Bajor the planet s theological unity threatens to shatter And for Colonel Kira Nerys the path of the Prophets may become a road to ruin THE TIME HAS COME for a father and daughter to confront their past while a mother and son fight for the future for lovers to be tested and for friendships to transform and for worlds on opposite ends of the galaxy to face the dusk or the dawn TWILIGHT

Terok Nor: Night of the Wolves S.D. Perry, 2008-05-14 The true story behind one of the greatest tragedies in Star Trek history and the rise of some of its greatest heroes in this thrilling and unputdownable novel Before the Dominion War and the decimation of Cardassia before the coming of the Emissary and the discovery of the wormhole before space station Terok Nor became Deep Space Nine there was the Occupation the military takeover of an alien planet and the violent insurgency that fought against it Now that fifty year tale of warring ideologies terrorism greed secret intelligence moral compromises and embattled faiths is at last given its due in the three book saga of Star Trek s Lost Era Eighteen years into the Occupation a new star rises in Bajor s sky It is the seat of power in this system a place of slave labor and harsh summary judgments the symbol of Cardassian might and the futility of resisting it But even as the gray metal crown of Terok Nor ascends to its zenith ragtag pockets of Bajoran rebels including a fierce young fighter named Kira Nerys have begun to strike back at their world s oppressors and they intend to show the Cardassians that the night belongs to them

Star Trek Michèle Barrett, Duncan Barrett, 2001 Michèle and Duncan Barrett are mother and son she a distinguished social theorist now working in literary and cultural studies he a writer still in his teens Together they take Star Trek the TV series films and related projects and explore it for what it tells us and asks about being human From the progressive politics that underpinned the original program to the declining faith in rationalism that haunts Deep Space Nine and Voyager the Star Trek story has grappled with powerful philosophical and social issues And throughout its thirty year history Star Trek has explored its themes through the metaphors of Western maritime exploration Yet unlike the voyagers of earlier centuries its crews have sailed not by sea but by galaxy But in search of what As Michèle and Duncan Barrett persuasively demonstrate here the continuing voyage of Star Trek is a quest not for new lands but for new answers what does it mean to be human Witten for both the true Trekker and the complete novice Star Trek The Human Frontier is that rare work of cultural studies informed by the knowledge of literature social thought and popular culture *The Excalibur of Christ* Eyam Idew, 2011 The Excalibur of Christ is more than a book more than a diary It s a guide a weapon and truth I say this because everyone knows the story of Excalibur but what everyone might not know is the truth of a sword A sword is far more than a piece of metal in

the Bible and other doctrines of the world a sword is the tongue and mind of man However the true mind of man is the incorruptible spirit of him which was birth by the Most High the true image we re in but if you do not have that sword you will not know although you may be forever hearing So now that you know the truth of the sword this book is written with the Excalibur of Christ because we not only war with flesh and blood But we war with principalities of things that are unjustly done which causes the war on flesh and blood Therefore to fight that battle you have to be equipped with the right information and weaponry Thus you are given the truth of your sword and if you think I m not being truthful look at it for yourself Take the s off sword and all you ll have left if word which is your thoughts and speech So with that being said take up thy armor and fight a good fight that you may enjoy all that s rightfully yours in this life **Star Trek as Myth** Matthew Wilhelm Kapell,2010-03-16 In the past the examination of myth has traditionally been the study of the Primitive or the Other More recently myth has been increasingly employed in movies and in television productions Nowhere is this more apparent than in the Star Trek television and movie franchise This collection of essays on Star Trek brings together perspectives from scholars in fields including film anthropology history American studies and biblical scholarship Together the essays examine the symbolism religious implications heroic and gender archetypes and lasting effects of the Star Trek mythscape

Holloway, 2022-06-27 The world today is such a wicked place Black Sabbath declared in 1969 when they recorded their debut album set against a backdrop of war assassinations social unrest and disillusionment Cries for justice from the Civil Rights Movement and for peace and love from the culture of flower power had been met with violent backlash from the ruling class It was on this stage that Black Sabbath entered the heaviest rock band the world had yet known This band was shaped by a working class upbringing in Birmingham England where actual metal defined the small town existence of factories bombed out buildings and little else With their music Sabbath captured the dread and the burgeoning pessimism that was haunting the minds of young people in the sixties and seventies Today we are in a similar age of crisis climate disaster extreme inequality police brutality mass incarceration and now pandemic Black Sabbath speaks to our time in ways few other bands can They deploy apocalyptic imagery to capture the destruction of the planet by despotic superpowers and they pronounce a prophetic indictment on agents of injustice In this book theologian and cultural critic Jack Holloway explores Black Sabbath's music and lyrics and what they had to say to their historical context From this analysis Holloway outlines a Black Sabbath theology which carries significant import for modern life reminding us of our deep responsibility to transform a broken world

Ephraim Syrus. Aphrahat. 1898 Philip Schaff, Henry Wace, 1898 **Nicene and Post-Nicene Fathers** Philip Schaff, 2007-06-01 **Tears of the Prophets** Roe Halper, 1975 [Finding Our Voice](#) Marc H. Ellis, 2018-06-19 Finding Our Voice is a series of meditations on how to express the deepest sense of who we are in a troubled world What is the core of our being How do we find the language to name that core If the core of our faith is identifying and embodying the prophetic for our time surviving that naming is as challenging as finding our voice Often as not the prophetic lands us in hot water We feel alone and abandoned Recognizing others in the same situation is crucial to our ability to hold fast With others our voice grows more certain and finds a home even in exile Soon the community we left is replaced by a new community of fellow travelers We are not alone **Building Beloved Community in a Wounded World** Jacob L. Goodson, Brad Elliott Stone, Philip Rudolph Kuehnert, 2022-10-27 Is the beloved community local national global or universal What kind of love is required for the beloved community Is such a community only an ideal or can it be actualized in the here and now Tracing

the phrase beloved community from Josiah Royce through Martin Luther King Jr to a variety of contemporary usages Goodson Kuehnert and Stone debate answers to the above questions The authors agree about the importance of beloved community but disagree on the details These differences come out through arguments over the local vs the universal the type of love the beloved community calls for and what it means to conceptualize community Ultimately they argue the purpose of beloved community involves responding to the cries of the wounded and those who suffer in the wounded world

Goodson, Brad Elliott Stone, 2019-08-01 Prophetic pragmatism is a gritty philosophical framework that undergirds the intellectual and political work done by those who seek to overcome despair dogmatism and oppression It seeks to unite one's intellectual vocation and one's duty to fight for justice Cognizant of the ways in which political forces affect thought while also requiring political action to not be so sure of itself that it simply replaces one oppressive structure with another prophetic pragmatism requires a critical temper through the mode of Socratic questioning *Introducing Prophetic Pragmatism* argues that hope lies between critical temper and democratic faith Socratic questioning prophetic witness and tragicomic hope open a space for democratic energies to flourish against the forces of nihilism and poverty Critical temper keeps democratic faith from becoming too idealistic and Pollyannaish and democratic faith keeps critical temper from being pessimistic about the ability to change current realities These twin pillars provide the best and most helpful framework for understanding the nature and purpose of prophetic pragmatism Through their dialogue Jacob L Goodson and Brad Elliott demonstrate why prophetic pragmatism is in the words of Cornel West pragmatism at its best **The Christian miscellany, and family visitor** , 1870
