During World War II 300 000 United States Army Air Corps airmen were shot down Of that number 51 000 were prisoners of war or listed as missing in action Bombardiers positioned in the vulnerable bombardiers compartment at the front of the aircraft were in high demand The authors fathers were two such bombardiers one on a B 17 and the other on a B 24 Like so many of the post war generation the authors traveled on their own emotional journeys to reconstruct their fathers WWII experiences Their fathers fought in the flak ridden blue battlefield and like thousands of other airmen shot out of the sky became prisoners of war They would endure deprivation loneliness and great peril Held at Stalag Luft III where the Great Escape of movie fame took place they along with the British were eventually force marched 52 miles in the dead of winter to Spremberg Germany and loaded onto overcrowded filthy boxcars the Americans to be taken to Stalag VIIA in Moosburg Germany or to Stalag XIII D in N rnberg Languishing until their liberation in barbaric conditions with nearly 120 000 international POWs they witnessed the death throes of the Third Reich With many sons and daughters trying to explore the wartime histories of their loved ones the authors supply crucial information and insight regarding the World War II POW experience in Europe Often times by necessity that experience reflects the co existence and tenuous relationship with the Germans holding them In this book there are stories that up until now have not been heard and there are hundreds of pictures many previously unseen illustrating the prisoners plight This book is a documentation of riveting history and a chance to vicariously live the war told through their voices echoes now fading with time Their sacrifices to ensure precious freedom should never be forgotten **Journey of the Hunted** Tracy Falbe, 2014-11-08

People and Things from the Blount County, Alabama, Blount County Journal 1909 - 1918 Robin Sterling, 2015-04-26. The Blount County Journal published in Oneonta from 1909 to 1918. Compared to other Blount County papers, the Journal was only a small blip on the journalistic radar in Blount County. However, it is an often overlooked and untapped source of great genealogical and historical knowledge. While some of the articles mirror those published in its contemporary publications, often the Journal captured other obituaries and news missed by the Democrat. Most of the original copies of the Journal were found in the court house in Oneonta. These were reviewed for notices of births, marriages, obituaries, and interesting news items. Missing issues from the court house were reviewed at the State Archives in Montgomery. This book will add to the body of knowledge of Blount County, Alabama, and will serve as a useful tool for area genealogists and historians.

Rough Road to the North Jim Christy, 2019-09-24. What is it about the desolate far North American wilderness that calls the intrepid traveler to uncover its sanctifying and deadly secrets? From Jack London's *Call of the Wild* to Christopher McCandless chronicled in Jon Krakauer's *Into the Wild*, souls have found solace in the silent frozen northern kingdom at the top of the world: the Ultima Thule. The forested flatlands give way to the frozen Rocky Mountains over millions of acres nominally in the dominion of both the United States and Canada and accessible by its 1532-mile shared umbilical cord: The Alcan Highway. Legendary vagabond Jim Christy, a Canadian now but born an American, travels this road throughout his life. First as a young man in the early 1960s, hungry for rugged adventure, then revisiting the journey every few years, both observing and reflecting on the growth of Northwest in the *Rough Road to the North*. Christy vividly describes the history of the indigenous people and the hearty and often foolhardy pioneers who built the Alcan highway and opened the northern road. Christy's lyrical text weaves fulsome magic about the siren call of the last unconquered land of North America. The forested flatlands give way to the frozen Rocky Mountains over millions of acres nominally in the dominion of both the United States and Canada and accessible by its 1532-mile shared umbilical cord: The Alcan Highway.
