Neely,Harold Holzer,2006 This intimate collection of family photographs provides a rare glimpse into the personal life of one of the greatest figures in American history Abraham Lincoln This expanded edition provides both new pictures and new introductory materials by renowned Lincoln scholars Mark E Neely Jr and Harold Holzer **MEMOIRS** MARJORIE HARBAUGH BENNETT,2013-02-07 For many years I have studied and recorded the lives of pioneers as part of my study of folklore Finally my children requested I tell my story of my life So for my children grandchildren and those to come here are my memories of my life Brotherhood of Locomotive Engineers' Monthly Journal ,1923 *A Flood of Pictures* Michael Leja,2025-07-22 Explores how the widespread circulation of pictures reshaped a nineteenth century US culture that was accustomed to printed and spoken words When and how did pictures start to permeate everyday lives in the United States What happened to those daily lives when they did And what happened to pictures in the process In this full color heavily illustrated book Michael Leja traces the beginnings of a transformation in cultural life in the United States when the widespread circulation of pictures reshaped a culture accustomed to printed and spoken words In the three decades before the Civil War the ordinary experiences of a large segment of the population came to include pictures of many kinds including illustrations in books pamphlets and newspapers photographs on cards full sheet printed pictures collected in scrapbooks or albums or hung on walls posters and broadsheets spectacular paintings displayed

in theatrical venues and more Pictures supplemented verbal texts and in some cases overshadowed them for conveying news and information portraying people places and events focusing public discourse selling things educating and instructing generating excitement and aesthetic gratification promoting and disguising political agendas shaping social identities and building and undermining social bonds A Flood of Pictures recovers a time before successful pictorial formulas for mass appeal were established before an audience habituated to consumption of pictures existed and before pictures had become thoroughly commodified Through its exploration of these nineteenth century developments the book reveals the foundations of our picture saturated twenty first century **Gardner, McAnallen, Ralston and Fehrenbach Family History** Beatrice F. Mansfield,2004 Hearing friends talk about their ancestors and genealogical research prompted the author to wonder about her ancestors and started her on a journey that may never end With the help of distant cousins contacted on the Internet it was soon apparent that James Gardner of Butler County Pennsylvania was her great great great grandfather But there the trail grew cold Where was he born and who were his parents Was he part of the William and Sarah Gardner family that moved from Maryland to the wild frontier of Westmoreland County Pennsylvania either before or during the Revolutionary War Most of the descendants of James and Martha Molly McAnallen Gardner married had children and brought many other surnames to the Gardner family tree Among those surnames are Ackerman Brinkley Cameron Cann Carson Dover Duffy Fehrenbach Grossman Harriger Hoge Johnson Mansfield Marmie McAnallen Mershimer Ott Rohrer Shoaf Teal Welsh and Wimer With the help of more research and information from yet unknown cousins this family tree will continue to grow and spread its branches Perhaps we will even learn about the ancestors of James Gardner Sis and Pa Kappy Flanders,Andy Bronfman,2003 **Locomotive Engineers Journal** ,1929
