Historical Novel Society: In this spellbinding novel, two independent women separated by a hundred years but linked by forces larger than themselves discover the secrets of their birth in the spellbinding third book of an epic series by New York Times bestselling author Lucinda Riley. Star D Applis is at a crossroads in her life after the sudden death of her beloved father, the elusive billionaire affectionately called Pa Salt, by his six daughters all adopted from across the four corners of the world. He has left each of them a clue to their true heritage, and Star's clue leads her to an antiquarian bookshop in London and the start of a new journey. A hundred years earlier, headstrong and independent Flora MacNichol vows she will never marry. She is happy in her home in England's picturesque Lake District, just a stone's throw away from her childhood idol, Beatrix Potter. But when circumstances carry her to London and into the home of one of Edwardian England's most notorious society hostesses, Alice Keppel, she finds herself a pawn in a larger game, forced to choose between passionate love and duty to her family. That is, until a meeting with a mysterious gentleman reveals answers Flora has been searching for. Star's voyage of discovery takes her deep into Flora's remarkable story and into her own past. [The Shadow Sister: The Seven Sisters Book 3](#) Lucinda Riley,2016-10-25 Following on from the bestselling *The Seven Sisters* and *The Storm Sister*, *The Shadow Sister* is the third book in Lucinda Riley's spellbinding series loosely based on the mythology of the Seven Sisters star cluster. Star D Applis is at a crossroads in her life after the sudden death of her beloved father, the elusive billionaire named Pa Salt, by his six daughters all adopted by him from the four corners of the world. He has left each of them a clue to their true heritage, but Star, the most enigmatic of the sisters, is hesitant to step out of the safety of the close relationship she shares with her sister CeCe. In desperation, she decides to follow the first clue she has been left, which leads her to an antiquarian bookshop in London and the start of a whole new world. A hundred years earlier, headstrong and independent Flora MacNichol vows she will never marry. She is happy and secure in her home in the Lake District, living close to her idol, Beatrix Potter, when machinations outside of her control lead her to London and the home of one of Edwardian society's most notorious players, Alice Keppel. Flora is pulled between passionate love and duty to her family but finds herself

When he discovers an encrypted code while searching for clues about one of his own, another Guardian, he learns of Noble-bred females being taken and disappearing, never to be seen again. When he sees a video on his computer of two women taken from their homes, he decides it's time to put a stop to it.

Janecka Ashford Noble-born was born different than any other bloodmate. She can't be matched up with just anyone because of her special blood, and that causes a big problem in a world where bonds between a man and woman are arranged. Because of her unique blood, she should've been put to death after birth, but her mother managed to save her life, a decision that Janecka regrets. Kidnapped and touched by a man, has opened the door to her impending death. Asking for help from the one man who helped her before is the only thing that can save her life, but who can save her from the instant attraction to this man? Shadow, a Guardian, Shadow never thought he'd bond with anyone, let alone with a Noble female. But as Shadow's love for Janecka grows, he's compelled to deal with changes in his own life, but also with one particular threat: a man bent on taking Janecka's life. Bonded with a Noble comes with twists and turns, and when new blood sheds pure blood, it appears a whole new war might break out between the Guardians and Nobles.
