NMDME 2023 Yau Yuen Yeung, Seifedine Kadry, Guiyun Guan, 2024-01-22 This book contains the proceedings of the 3rd International Conference on New Media Development and Modernized Education NMDME 2023 which was held in a hybrid form from October 13th to 15th 2023. The conference topics include Educational Sciences, Innovative Applications of Teaching Technology, Modernized Vocational Education, Digital Media Technology, Digital Media Technology and Applications, Virtual Technology, and Intelligent Media Communication, Computational Communication, and Smart Media. The conference provided a platform for discussing scientific research findings and cutting edge technologies in the fields of new media development and modernized education to encourage collaboration in the industrialization of academic achievements. We invited specialists and intellectuals to attend the conference, sharing their excellent contributions and perspectives in the speeches. We hope that the scientific attitudes and skills developed through research will encourage scholars worldwide to contribute to the development of knowledge generated by research. Finally, we would like to express our gratitude to the conference chair, publication chairs, technical program committee chairs, local organizing chairs, program committee chairs, conference secretariat, and conference sponsors for their financial support which made the successful organization of NMDME 2023 possible. We hope that this conference will continue to be held in the coming years, publishing more insightful articles with inspiring research.
