Sixth Commandment:

The Ten Commandments for Jews, Christians, and Others Roger Van Harn, 2007-08-28 In this book eminent Jewish and Christian scholars come together to illuminate the Ten Commandments Roger Van Harn has arranged the volume so that writers from both traditions dialogue over each of the Ten Words A Christian or a Jew writes a penetrating essay about one of the commandments followed by a shorter response from a member of the other tradition all done remarkably without sacrificing either Jewish or Christian identity Unique for its authentic interfaith dialogue on dogmatic matters The Ten Commandments for Jews Christians and Others offers pertinent guidelines for believing Jews and Christians today with the goal of stimulating deeper conversation between the two groups As Van Harn says Listening to one another may hold pleasant surprises that open us to new possibilities The Ten Commandments: What They Mean, Why They Matter, and Why We Should Obey Them Kevin DeYoung, 2018-10-15 Are the 10 Commandments still relevant today Do they still apply Which ones What do they mean in light of God's mercy revealed in Jesus Highlighting the timelessness and goodness of God's commands pastor Kevin DeYoung delivers critical truth about the 10 Commandments as he makes clear what they are why we should know them and how to apply them This book will help you understand obey and delight in God's law commandments that expose our sinfulness and reveal the glories of God's grace to us in Christ **A History of the Ten Commandments** Clarence William Sickles, 2015-11-09 A History of the Ten Commandments with a Modern Moral Code traces the way the Ten Commandments God gave to Moses on Mt Sinai in the 13th century BC changed through the ages analyzing the seventeen versions of the Decalogue which now exist The author also presents a moral code which is related to the Mosaic Decalogue but is not religious and should therefore be acceptable for public display in the secular world The book features photographs of plaques depicting the Ten Commandments with interesting eleven commandment variations on display throughout the country Written for a broad audience ranging from Sunday school teachers and scholars to the average reader this book is essential reading for those seeking to discover information about the greatest document in human history and wanting to learn about a new moral standard desperately needed in the ethically corrupt world of the present day **The Essentials** Chris Robinson, David Swanson, 2007-02 The hope of this book is to make learning about the essential tenets of the Christian faith enjoyable We want you to be excited about encountering God Confirmation class is a time to explore what it means to have a personal relationship with Jesus Christ Also Confirmation will help you understand how the relationship you have with Christ leads to the responsibility you will have as a church member When a person has completed the reading of this book we hope that they will think very seriously about the following questions The Five Essential Questions of Christian Faith 1 Do you acknowledge yourself to be a sinner in the sight of God justly deserving God's displeasure and without hope except in God's sovereign mercy 2 Do you believe in the Lord Jesus Christ as the Son of God and Savior of sinners and do you receive and depend upon Christ alone for your salvation as He is offered freely in the Gospel
