Skagway Story:

The Skagway Story Howard Clifford, 1988-12 Skagway's past as a rip roaring gold rush town is captured in *The Skagway Story*. This intriguing little book is just like a scrapbook filled with photographs from dusty trunks in attics, recollections from pioneers who were there and memorabilia of long buried residents. Learn about the glory days of Skagway known as the Gateway to the Klondike. The discovery of the Klondike goldfields in 1896, the ordeal of the stampedeurs trudging over the grueling Chilkoot Pass in the winter of 1897, the 1898 shootout between con man Soapy Smith and city official Frank Reid, the completion of the narrow gauge White Pass Yukon Route railroad in 1900 and other milestones in the history of the North's most famous bonanza. Skagway, City of the New Century Jeff Brady, 2013 Skagway as it was first called centuries before by the Tlingit for the bunched up water in its bay caused by strong winds was discovered in 1887 by a father and son with visions of a gateway port to the riches of the Yukon and Alaska. Ten years later after the discovery of gold in the Klondike their vision came true with the arrival of prospectors from all over the world. The towns of Skagway and nearby rival Dyea boomed. Each had multiple newspapers which chronicled the stampede and the competition between the White and Chilkoot passes but Skagway would win the war with the construction of the White Pass Yukon Route railway and settle on a way to spell its name. The community has survived smaller booms and busts since but remains a vital tourism and industrial port as the Gateway to the Klondike. In 1898 editors called Skagway the City of the New Century. In this book of stories and photographs the rich history of this area and its people is chronicled through that new century and into the next. **The Story of the Tour on the Skagway, Alaska, Street Car** Itjen, Martin, 1941 **Archeological Investigations in Skagway, Alaska: The Mascot Sallon** Catherine Holder Spude, 1983 *Alaska History, 1741-1910* Historic Sites Survey (U.S.), United States National Park Service, 1961 "That Fiend in Hell" Catherine Holder Spude, 2012-09-28 As the Klondike gold rush peaked in spring 1898, adventurers and gamblers rubbed shoulders with town builders and gold panners in Skagway, Alaska. The flow of riches lured confidence men too among them Jefferson Randolph Soapy Smith 1860-98 who with an entourage of bunco men conned and robbed the stampedeurs. Soapy though a common enough criminal would go down in legend as the Robin Hood of Alaska, the uncrowned king of Skagway remembered for his charm and generosity even for calming a lynch mob. When the Fourth of July was celebrated in '98 he supposedly led the parade. Then a few days later he was dead, killed in a shootout over a card game. With Smith's death Skagway rid itself of crime forever. Or at least so the story goes. Journalists immediately cast him as a martyr whose death redeemed a violent town. In fact he was just a petty criminal and card shark as Catherine Holder Spude proves definitively in *That Fiend in Hell*. Soapy Smith in Legend, a tour de force of historical debunking that documents Smith's elevation to western hero. In sorting out the facts about this man and his death from fiction, Spude concludes that the actual Soapy was not the legendary boss of Skagway nor was he killed by Frank Reid as early historians supposed. She shows that even eyewitnesses who knew the truth later changed their stories to fit the myth.

But why Tracking down some hundred retellings of the Soapy Smith story Spude traces the efforts of Skagway s boosters to reinforce a morality tale at the expense of a complex story of town building and government formation The idea that Smith s death had made a lawless town safe served Skagway s economic interests Spude s engaging deconstruction of Soapy s story models deep research and skepticism crucial to understanding the history of the American frontier
