Skeptische Phantasie Verena Olejniczak Lobsien, 1999 *The ^AFaculties* Dominik Perler, 2015-06-30 We often explain the activities of human and non human animals by referring to their special faculties But what are faculties How do they work And how can they be individuated This book discusses these questions covering a wide period from Plato up to contemporary debates about faculties as modules of the mind German Shakespeare Studies at the Turn of the

Twenty-first Century Christa Jansohn, 2006-10 This collection of fifteen essays offers a sample of German Shakespeare studies at the turn of the century The articles are written by scholars in the old Bundeslander and deal with topics such as culture memory and natural sciences in Shakespeare s work Shakespearean spin offs and the reception of Venice and Shylock in Germany Series Shakespeare and His Contemporaries Publisher s website **Emergence of Mind** David Herman, 2011 An anthology that traces the representation of consciousness and mind creation in English literature from 700 to the present **Literary Culture in Early Modern England, 1630-1700** Ingo Berensmeyer, 2020-06-22 This book explores literary culture in England between 1630 and 1700 focusing on connections between material epistemic and political conditions of literary writing and reading In a number of case studies and close readings it presents the seventeenth century as a period of change that saw a fundamental shift towards a new cultural configuration neoclassicism This shift affected a wide array of social practices and institutions from poetry to politics and from epistemology to civility

Renaissance Go-Betweens Andreas Höfele, Werner von Koppenfels, 2011-12-22 The volume analyses some of the travelling and bridge building activities that went on in Renaissance Europe mainly but not exclusively across the Channel true to Montaigne s epoch making program of describing the passage Its emphasis on Anglo Continental relations ensures a firm basis in English literature but its particular appeal lies in its European point of view and in the perspectives it opens up into other areas of early modern culture such as pictorial art philosophy and economics The multiple implications of the go between concept make for structured diversity The chapters of this book are arranged in three stages Part 1 Mediators focuses on influential go betweens both as groups like the translators and as individual mediators The second part of this book Mediations is concerned with individual acts of mediation and with the mental topographies they presuppose reflect and redraw in their turn Part 3 Representations looks at the role of exemplary intermediaries and the workings of mediation represented on the early modern English stage Key features High quality anthology on phenomena of cultural exchange in the Renaissance era With contributions by outstanding international experts **Theatre Cultures within Globalising**

Skeptische Poetik in der Aufklärung Michael Hammerschmid, 2002

John Donne's Performances Margret Fetzer, 2013-07-19 Ever since their rediscovery in the 1920s John Donne's writings have been praised for their energy vigour and drama yet so far no attempt has been made to approach and define systematically these major characteristics of his work Drawing on J L Austin's speech act theory Margret Fetzer's comparative reading of Donne's poetry and prose eschews questions of personal or religious sincerity and instead recreates an image of John Donne as a man of many performances No matter if engaged in the writing of a sermon or a piece of erotic poetry Donne placed enormous trust in what words could do Questions as to how saying something may actually bring about that very thing or how playing the part of someone else affects an actor's identity are central to Donne's oeuvre and moreover highly relevant in the cultural and theological contexts of the early modern period in general In treating both canonical and lesser known Donne texts John Donne's Performances hopes to make a significant contribution not only to Donne criticism and research into early modern culture by using concepts of performance and performativity as its major theoretical backdrop it aims to establish an interdisciplinary link with the field of performance studies

The Play Within the Play Gerhard Fischer, Bernhard Greiner, 2007 The thirty chapters of this innovative international study are all devoted to the topic of the play within the play The authors explore the wide range of aesthetic literary theoretical and philosophical issues associated with this rhetorical device not only in terms of its original meta theatrical setting from the baroque idea of a theatrum mundi onward to contemporary examples of postmodern self referential dramaturgy but also with regard to a variety of different generic applications e g in narrative fiction musical theatre and film The authors internationally recognized specialists in their respective fields draw on recent debates in such areas as postcolonial studies game and systems theories media and performance studies to analyze the specific qualities and characteristics of the play within the play as ultimate affirmation of the self the Hamlet paradigm as a self reflective agency of meta theatrical discourse and as a vehicle of intermedial and intercultural transformation The challenging study with its underlying premise of play as a key feature of cultural anthropology and human creativity breaks new ground by placing the play within the play at the centre of a number of intersecting scholarly discourses on areas of topical concern to scholars in the humanities
