Corporate versus National Interest in US Trade Policy Richard L. Bernal, 2020-10-31 This book provides a history of the WTO US EU banana dispute through the lens of a major actor the US owned multinational firm Chiquita Brands International It documents and explains how Chiquita succeeded in having the Clinton administration pursue a trade policy of forcing the European Union to dismantle its preferential banana import regime for exports from the small English speaking Caribbean ESC countries The export of bananas was critically important to the social stability and economic viability of these countries and that was in the national security interest of the United States The experience indicates that succeeding in this goal was detrimental to U S national security interest in the Caribbean

Catching Up with the Competition Bernard M. Hoekman, Jamel Zarrouk, 2010-05-18 At a time when countries in the Middle East and North Africa MENA are joining the World Trade Organization the lack of an economically sound analysis of trade policies in the region is especially notable This volume remedies the situation by bringing together a distinguished group of applied trade economists to provide a broad view of the state of trade in and among the region's nations The contributors provide original empirical analyses on key reform issues and their work reflects deep knowledge of government concerns and policies Part 1 sets the scene by comparing the performance of the MENA region with the rest of the world on a large number variables and indicators Part 2 contains a number of CGE model based analyses of trade policy reform options Part 3 focuses on specific policy areas standards as nontariff barriers and red tape trade facilitation an assessment of the impact of protecting intellectual property using partial equilibrium techniques and a review of the existing Euro Med agreements Part 4 discusses how the region could benefit from WTO membership and from changing the existing regional integration schemes into arrangements that help promote a growth enhancing reform agenda The volume will be essential reading for economists and policymakers working in and with the MENA nations as well as officials at the multilateral and regional institutions Contributors are A Halis Akder Benita Cox Dean De Rosa Hana a Kheir El Din Sherine El Ghoneim Oleh Havrylyshyn Bernard Hoekman Denise Konan Peter Kunzel Will Martin Keith Maskus Mustapha Nabli Thomas Rutherford Elisabet Rutstrom David Tarr Subidey Togan L Alan Winters Alexander Yeats and Jamel Zarrouk Bernard Hoekman is an Economist with the Development Research Group's Trade team of the World Bank Jamel Zarrouk is an Economist with the Arab Monetary Fund Developing Countries in the World Trading System Ramesh Adhikari, Premachandra

Athukoralge,2002-01-01 Experience suggests that trade liberalization has contributed substantially to the remarkable growth of industrialized countries However for various reasons many developing countries have not yet been able to integrate successfully into global markets and reap the growth inducing and poverty reducing benefits of trade This book argues that while developing countries are heavily represented in the WTO accounting for about four fifths of its membership there is still plenty of scope for the world trading system to work more effectively in their interests *Globalization* Ashish

Vaidya,2005-12-19 This work is a comprehensive collection of cutting edge scholarship on the economic international business political legal and environmental ramifications of globalization one of the hottest topics of the day International trade is as old as nations During the last five decades however advances in technology and transportation have changed the scope and method of international trade Disputes rage about the effects of these changes advocates for different positions offer argument but little factual or theoretical analysis Globalization offers all the information readers need to sort out the arguments Written with the highest degree of scholarship intended for college students or working professionals the encyclopedia provides both introductory material to broad economic legal political and environmental theory and in depth analysis of how theory interacts with practice in the framework of global trade A trader in New York can in a matter of seconds execute a billion dollar currency transaction in Hong Kong What does this transaction mean to New Yorkers to residents of Hong Kong and to the rest of the world This book gives readers the tools to answer those questions **Lessons**

from East Asia Danny M.
