European Labour Law and Social Policy Cases and Materials Volume 1 Social Dialogue Industrial Relations and Labour Law A.C. Neal,2002-08-01 This is the most comprehensive collection of primary source materials in the labour law and social policy of the European Community ever brought together With documents and decisions reflecting the state of play at 1st June 2002 it includes key legislative instruments in EC labour law and social policy significant associated policy documents produced by the Commission and important relevant decisions of the European Court of Justice Since the first edition of this work in 1999 the pace of social policy change and innovation at the level of the European Community has increased dramatically Indeed developments during the past three years are little short of remarkable with particularly important advances in relation to the promotion of information consultation and participation for workers along with growing concern for several much broader social policy issues Recognition of the changes in emphasis and scale for European social policy and the presence of substantially more material to be included have caused this edition of the work to be divided into two volumes Volume I covers social dialogue industrial relations and labour law while Volume II is concerned with a wide range of material touching dignity at work in the European Community The arrangement of the material in two self contained volumes also reflects a division of convenience Thus those whose main focus is upon the labour law aspects of European

social policy may choose to utilise primarily the material contained in the first volume while those who wish to concentrate more particularly upon fundamental social rights equal opportunities anti discrimination and dignity at work might wish to take advantage of the framework presented in the second volume Advocates judges policy makers scholars and students will all appreciate this essential sourcebook in EC labour law and social policy      Employment, Vocational Guidance and Training in the European Social Charter Council of Europe, European Committee of Social Rights, 1999-01-01 A No major gaps      Social Partners and Gender Equality Anna Elomäki, Johanna Kantola, Paula Koskinen Sandberg, 2021-12-01 This book breaks new ground in gender and politics research by studying the multiple ways in which gender and intersectional equalities shape and are shaped by social partners representing employers and employees in Europe as well as the relationships between those social partners Little critical attention has been paid to these organizations yet as this volume illustrates social partners are important actors in relation to gender and other inequalities at the level of both individual European countries and the European Union The chapters in this volume explore the impact of social partners on in equalities in a variety of 21st century political contexts taking into account phenomena such as neoliberalisation austerity and the COVID 19 crisis This volume adds a crucial dimension to studies on gender inequalities in the labour market contributing to research on issues such as domestic work the gender pay gap and the persistent undervaluation of women s labour and feminized reproductive labour in particular care work It also represents a significant contribution to the literature on gender equality policy The book s focus on social partners provides important insights that help to explain the persistence of gender inequalities and the difficulties of adopting and implementing policies to combat them This volume should appeal to students and researchers of gender studies politics European politics employment relations and international relations as well as to policymakers engaged in addressing gender inequalities in the labour market      *PISA Vocational Education and Training (VET) Assessment and Analytical Framework* OECD, 2024-03-19 This report presents the conceptual foundations of the OECD Programme for International Student Assessment PISA Vocational Education and Training VET currently in the Development Phase of implementation which aims to provide a comprehensive and rigorous international survey of student knowledge and skills that are essential for success in selected occupational areas
