✓ Exclusively available on IvyPanda

Thesis and Theoretical Perspectives

The book "Social Things: An Introduction to the Sociological Life" by Lemert (2012) focuses on introducing sociologic concepts and theories through various interpretations and stories. The author's main thesis is a broad presentation of sociology, including such sections as the history and the connection with other disciplines (new post-disciplinary social theory, queer theory, globalization, etc.). The above thesis is rather convincing since it is based on strong arguments and real-life examples used by the author to support his assumptions.

The theoretical perspectives in the mentioned books are contemporary issues regarding sociological life and things on a global scale. For example, the author discusses the tsunami that occurred in Japan in 2011 and the environmental crises, which are man-made disasters largely caused by people. Lemert (2012) argues that it is sociological incompetence along with disorganization that led to such lamentable consequences. Another example is queer theory, the onset of which refers to gender identity is also interpreted by the author as a theoretic perspective.

Biases, Strengths, and Weaknesses

The only evident bias is associated with the writing style of the author who sometimes rapidly moves to other topics and frequently repeats his thoughts regarding one or the other issue. It may seem that the author wants to clarify his attitude to a certain topic by being as much precise as possible. However, this distracts a reader from the main point to some extent. As a result, the style seems to be incoherent and inaccurate. As for the presentation of facts, there is no bias.

Speaking of the strengths of the given book, one may note that it presents the modern realities and helps to understand them. It is one of those books that make it clear what one or the other event or disaster means on a global scale in terms of

Social Things An Introduction To The Sociological Life

Rosina Ehmann

Social Things An Introduction To The Sociological Life:

Social Things An Introduction To The Sociological Life: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. Social Things An Introduction To The Sociological Life : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Social Things An Introduction To The Sociological Life : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Social Things An Introduction To The Sociological Life : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
