Social Control In The Peoples Republic Of China:

Social Control in the People's Republic of China Ronald J. Troyer, John P. Clark, Dean G. Rojek, 1989-09-07 Where other books have discussed selected social practices in China this volume is unique in its coverage of the entire social control apparatus of that country The contributors to this comprehensive study describe the design and operation of the Chinese social control system Drawing on data gathered in China the book introduces readers to China s unusual blend of formal and informal devices at the individual and neighborhood level up through the formal criminal justice system This social control approach stresses citizen involvement and emphasizes prevention rather than reaction The various chapters describe how the criminal justice system operates when these devices fail The book s primary conclusion is that the low rates of deviance in China are a consequence of extensive social control efforts at the grassroots level These grassroots devices are carefully controlled by the government At the same time however China is rapidly changing There is an extensive development of a formal criminal justice system and rapid economic development The contributors predict that China s crime rate will rise as these trends continue Professional criminologists as well as students and scholars of criminology delinquency and comparative criminal justice systems will find this book a valuable resource

Social Control in the People's Republic of China Ronald J. Troyer, John P. Clark, Dean G. People's Republic of China, Volumes I and II Frank N. Pieke, 2023-12-31 This title was first published in 2002 This two volume set collects in a conveniently accessible form the most influential articles by leading authorities in the study of China It provides an international reference work combined with an authoritative introduction by the editor

Political and Social Control in China Ben Hillman, Chien-wen Kou, 2024-03-26 During the past decade Xi Jinping has reasserted the Chinese Communist Party s dominance of state and society tightening political and social controls to consolidate the Party s monopoly on political power in China This volume brings leading China experts together to

examine the changing mechanics of authoritarian rule in China and the Party's systematic efforts to neutralise potential threats. The book examines critical but little understood changes to the architecture of state which enables more effective top down rule and the efficient operation of an increasingly professional bureaucracy. It also explores the policies and mechanisms the Party has used to squash dissent and prevent criticisms. This volume will be of interest to anyone who wants to understand how the CCP has consolidated its rule at home and how it relates to the Party's global ambitions for China's great national rejuvenation. **The People's Republic of China After 50 Years** Richard Louis Edmonds, 2000-03-09

Leading scholars in various fields give their views of development in the People's Republic of China since 1949 with emphasis on recent decades. After a broad overview of progress and setbacks specific topics covered include national political reform the Chinese Communist Party in power the economy rural reform urban systems the environment foreign relations the People's Liberation Army the legal system social welfare reform intellectuals art and literature. Overall the volume presents a picture of the PRC that is not as healthy as optimists maintain nor in such a disastrous state as many pessimists have put forward. Increasingly external developments will be shaping the pace of change in the People's Republic. The ability of the government to continue to respond in a measured fashion to change will be necessary if the PRC is to thrive in the twenty first century.

Empowerment on Chinese Police Force's Role in Social Service Xiaohai Wang, 2015-04-23 This is the first scholarly book to explore the empowerment and the social service role of frontline police officers in the People's Republic of China. It approaches the study of role strain and empowerment informed by local empirical data and personal experience. Thematically organized and focusing on those issues of greatest concern to the public such as the dual social control informal and formal mechanism mass line policing strike hard campaigns police professionalization and professional ethics as well as the paramilitary bureaucratic structure in the Chinese police organization it provides a detailed discussion of these and other contemporary issues. The book offers a valuable resource for students and researchers in the area of comparative policing and comparative criminal justice as well as police professionals and policy makers. *Law in the People's Republic of China*

John H. Minan, Ralph H. Folsom, 2024-11-25 **Area Handbook for the People's Republic of China** Donald P. Whitaker, Rinn-Sup Shinn, In-söp Sin, American University (Washington, D.C.). Foreign Area Studies, 1972 *Conflict of Laws in the People's Republic of China* Zheng Sophia Tang, Yongping Xiao, Zhengxin Huo, 2016-07-27 The area of conflict of laws in China has undergone fundamental development in the past three decades and the most recent changes in the 2010s regarding both jurisdiction and choice of law rules mark the establishment of a modern Chinese conflicts system. Jointly written by three professors from both China and the UK this book provides the most up to date and comprehensive analysis of Chinese conflict of laws in civil and commercial matters covering jurisdiction choice of law procedure judgment and awards recognition and enforcement and interregional conflicts in China. **Encyclopedia of Criminology** J. Mitchell Miller, Richard A. Wright, 2013-12-17 This three volume work offers a comprehensive review of the pivotal concepts measures

theories and practices that comprise criminology and criminal justice No longer just a subtopic of sociology criminology has become an independent academic field of study that incorporates scholarship from numerous disciplines including psychology political science behavioral science law economics public health family studies social work and many others The three volume Encyclopedia of Criminology presents the latest research as well as the traditional topics which reflect the field's multidisciplinary nature in a single authoritative reference work More than 525 alphabetically arranged entries by the leading authorities in the discipline comprise this definitive international resource The pivotal concepts measures theories and practices of the field are addressed with an emphasis on comparative criminology and criminal justice While the primary focus of the work is on American criminology and contemporary criminal justice in the United States extensive global coverage of other nations justice systems is included and the increasing international nature of crime is explored thoroughly Providing the most up to date scholarship in addition to the traditional theories on criminology the Encyclopedia of Criminology is the essential one stop reference for students and scholars alike to explore the broad expanse of this multidisciplinary field

Communities, Crime and Social Capital in Contemporary China Lena Zhong, 2013-05-13 This book explores the theoretical and empirical dimensions of community crime prevention in China examining in particular the role of social capital in a rapidly modernizing economic social and political context In doing so it provides a vivid picture of contemporary crime and crime control in China as well as analyzing the very particular Chinese approach to community crime prevention looking at such social institutions as the household registration system the neighbourhood committee the work unit and the public security bureau The particular focus of this book is on BLSCC Building Little Safe and Civilized Communities in the city of Shenshen which has been undergoing rapid change The book looks at two contrasting communities within the city looking at their different characteristics and the differing ways in which social capital operates in relation to crime and crime prevention As well as shedding light on the hitherto largely hidden subject of crime prevention in China this book also makes an important contribution to wider debates about social capital and its potential an invaluable study based on unique research

Social Control in China Victor N. Shaw, 1996-06-21 China is in the midst of dramatic economic and social reform reform that may well suggest a long term developmental trend toward modernization and democracy This evolution in the structure of Chinese society means that the authoritarian social control system in China must change if loss of community ties dislocation and social disintegration are to be avoided in the coming years This book provides a blueprint for the social architecture of China and offers an argument for how change in the essential structure of Chinese society must be implemented Shaw's investigation of work units the building blocks of contemporary China pinpoints them as the primary sites of social control and as the most important components of any efforts at reform

The Routledge Handbook of Chinese Criminology Liqun Cao, Ivan Y. Sun, Bill Heberton, 2013-07-24 As the world's second largest economy China has made great progress in developing criminology The Routledge Handbook of Chinese Criminology aims to be a key

reference point to summarize the large body of literature in both Chinese and English about various aspects of crime and its control in China for international scholars with an interest in the development of criminological research on and in the Greater China region and for everyone with a broad interest in international criminology The editors of the handbook have selected authoritative contributors recognized for their research and scholarship on China Hong Kong Macao and Taiwan This handbook consists of five sections An account of the development of criminology as an academic discipline in modern China as well as some of the unique theories strategies or philosophies of crime control that have emerged An analysis of the criminal justice system in China including the police the courts corrections juvenile justice and the death penalty An exploration of the issues and problems in conducting research in China Reflections on the nature of crime and criminality in China including drugs prostitution human trafficking corruption floating population domestic violence and white collar crime An account of crime and criminal justice in Taiwan Hong Kong and Macao The book presents a coherent and comprehensive collection of essays on current research and theory in criminology crime and justice in China and Greater China and the Editors Introduction and Conclusion provide further contextualisation of the Handbook s key themes

The People's Republic of China at 60 William C. Kirby, 2020-10-26 In 2009 the Fairbank Center for Chinese Studies convened a major conference to discuss the health and longevity of China s ruling system and to consider a fundamental question After three decades of internal strife and turmoil followed by an era of reform entrepreneurialism and internationalization is the PRC here for the dynastic long haul Bringing together scholars and students of China from around the world the gathering witnessed an energetic exchange of views on four interrelated themes politics social transformations wealth and well being and culture belief and practice Edited and expanded from the original conference papers the wide ranging essays in this bilingual volume remain true to the conference s aim to promote open discussion of the past present and future of the People s Republic of China

Implementation of Law in the People's Republic of China Jianfu Chen, Yuwen Li, Jan Michiel Otto, 2021-08-04 China after some twenty years of reform is no longer a country without law Indeed one may legitimately complain that there are too many laws that are changing too rapidly However law acquires no life nor performs its intended social functions without proper implementation and enforcement Here few people Chinese or foreign are content with the general situation of implementation of law in China The problems and difficulties in implementing and enforcing laws and regulations are reported and discussed in the various forums of the Chinese media almost on a daily basis and often reported in Western media also Academics in China are filling the pages of various legal journals with their diagnoses and analyses of the causes of and solutions to the lack of proper implementation of law and legal regulations and policy measures are being issued to deal with these problems and to overcome the difficulties The future of the rule of law in China as we are so often reminded by scholars of Chinese politics and law largely depends on the proper implementation and enforcement of law This is a book about law in action in China that is it focuses on the administration of the law as a process through which law in the

books is put into action and hence is made to perform its intended social functions. It deals with the process, the institutional settings, the players and the political, economic, social and cultural settings, the factors involved in the administration of law in China. Throughout the book, we will see a variety of problems and difficulties involved in implementing and enforcing laws and regulations that are identified and analyzed by the contributors. We will also see analyses on legal regulations and policy measures that have been issued to rectify the many identified problems, to raise the standard of actual implementation of law and to improve the functioning of the various law implementing/enforcing authorities. Additionally, the book provides various case studies on implementation of law in China. The present book, we believe, is among the first collective efforts at a systematic and comprehensive study of the implementation of law in China, and we hope that it will stimulate many more such studies on the actual operation and impact of law on society and on individuals. **Two Societies in**

Opposition: The Republic of China and the People's Republic of China After Forty Years Ramon Hawley Myers, 1991

Police Reform in China Kam C. Wong, 2011-10-11 Sweeping changes have altered the cultural landscape of China. This volume provides an insightful glimpse of policing in the midst of such change. Beginning with a historical account of police reform in the region since 2000, it discusses the difficulties encountered in trying to understand Chinese policing.

Demonstrating how old ideologies are increasingly in conflict with the values and lifestyles of a new mentality, the book discusses steps that can be taken to improve professionalism. The final chapters highlight the importance of understanding the Chinese people, culture, values and interests in order to truly effectuate successful police reform. **The China Record**

Fei-Ling Wang, 2023-03-01 The China Record provides readers with an ambitious, detailed and wide-ranging examination of the People's Republic of China (PRC) under the Chinese Communist Party (CCP), both as an alternative mode of political system and a distinctive model of socioeconomic development. Fei-Ling Wang assesses the record of the economy under the CCP, people's lives and rights and China's spiritual and physical ecology. He focuses on issues of political representation, criminal justice, fiscal and monetary policies, state-led growth, living standards, academia and education, inequality and poverty, disaster relief and pandemic prevention, culture and ethics, and the protection of antiquities and the environment. Using both quantitative and qualitative data, The China Record seeks to provide a solid and balanced yet unflinching view about the nature, strengths, weaknesses and implications of the PRC as an emerging superpower and a potential world leader. It is an effort to introduce a holistic evaluation of the CCP, PRC's overall efficacy, efficiency, power, sustainability and desirability or the lack thereof. *Handbook of Asian Criminology* Jianhong Liu, Bill Heberton, Susyan Jou, 2012-12-09

The Handbook of Asian Criminology aims to be a key reference for international scholars with an interest in the broad theme of international criminology in general and the Asian region in particular. Contextualization is a key theme in this book. The role of context is often underemphasized in international criminology, so the Handbook of Asian Criminology's premise is that crime and the responses to it are best understood as deeply embedded in the cultural specificity of the environment which produces them.

will play a key role throughout the work Attention will be given to country and region specific attitudes towards crime and punishment *The ESG Systems in Chinese Enterprises* Liang Liang,Tao Ding,Ruipeng Tan,Malin Song,2025-04-28 This book delves deeply into the ESG Environmental Social and Governance management systems of Chinese enterprises It systematically analyzes the origins and evolution of ESG taking into account China s unique policy environment and market demands and presents a localized ESG management framework tailored to Chinese companies The book provides numerous case studies that illustrate how to effectively implement these frameworks in business operations offering concrete guidance for achieving sustainable development This book covers all aspects of ESG management including comparisons of international standards analysis of policy and legal frameworks investment decisions and corporate risk management It is suitable for a diverse audience including scholars government officials and corporate managers By integrating theory with practice the book provides forward looking recommendations offering strong practical guidance through case studies and empirical research to help companies improve their ESG management systems

Social Control In The Peoples Republic Of China Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social Control In The Peoples Republic Of China has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Control In The Peoples Republic Of China has opened up a world of possibilities. Downloading Social Control In The Peoples Republic Of China provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Control In The Peoples Republic Of China has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Control In The Peoples Republic Of China. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Control In The Peoples Republic Of China. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Control In The Peoples Republic Of China, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the

legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Control In The Peoples Republic Of China has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Social Control In The Peoples Republic Of China Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
