Social Group Work Competence And Values In Practice:

Social Group Work Joseph Lassner, Kathleen Powell, Elaine Finnegan, 1987 Learn from expert new insights into such areas as the single session the effects of leader gender and race on group behavior selection of groups volunteers in group work and much more

Social Group Work Joseph Lassner, Kathleen Powell, Elaine Finnegan, 1987 **Group Work Practice in a Troubled Society** Roselle Kurland, Robert Salmon, Association for the Advancement of Social Work with Groups.

Symposium, 1995 Explore the best of current social work practice from practitioners and educators in the United States Canada and Hong Kong in *Group Work Practice in a Troubled Society* The chapters are reflective of the social realities in which group work is now practiced and address current social issues and problems

The Mutual-Aid Approach to Working with Groups Dominique Moynihan Steinberg, 2013-05-13 This updated edition of *The Mutual Aid Approach to Working with Groups* includes four new chapters that address single session groups short term groups open ended groups and very large groups This book provides a foundation for practice examining theories concepts and practice principles specific to mutual aid Readers are directed to ample study resources in key areas via recommended reading lists at the end of each chapter Case examples are used to help bridge the gap between theory and practice in an immediately useful manner and handy tables and figures make important points easy to access and understand To view an excerpt online find the book in our QuickSearch catalog at www.HaworthPress.com

A Mutual-Aid Model for Social Work with Groups Dominique Moynihan Steinberg, 2014-02-24 Group work is a popular and widely used social work method Focusing particularly on the central role of mutual aid in effective group work this text presents the theoretical base outlines core principles and introduces the skills for translating those theories and principles into practice *A Mutual Aid Model for Social Work with Groups* will help readers to catalyze the strengths of group members such that they become better problem solvers in all areas of life from the playroom to the boardroom Increased coverage of evaluation and evidence based practice speaks to the field's growing concern with monitoring process and assessing progress The book also includes worker based obstacles to mutual aid their impact and their antidotes pre group planning including new discussion on curriculum groups group building by prioritizing certain goals and norms in the new group the significance of time and place on mutual aid and the role of the group worker maintaining mutual aid during so called individual problem solving an expanded discussion of anti oppression and anti oppressive practice unlocking a group's potential to make difference and conflict useful special considerations in working with time limited open ended and very large groups Case examples are used throughout to help bridge the gap between theory and practice and exercises for class or field help learners to immediately apply conceptual material to their practice All resources required to carry out the exercises are contained in over 20 appendices at the end of the book Key points at the end of each chapter recap the major concepts presented and a roster of recommended reading for each chapter points the reader to further resources on each topic Designed to support ethical and successful practice this

textbook is an essential addition to the library of any social work student or human service practitioner working with groups

Groupwork Allan Brown, 2017-07-05 This highly successful book on groupwork practice first published in 1979 has become a standard introductory text on most social work training courses. It is very popular with social workers whatever their agency setting and is also used by health visitors, youth workers and the voluntary sector. This new enlarged and revised third edition includes two new additional chapters. The first of these addresses the issue of groupwork in day and residential centres where special kinds of group skills are required in addition to those already well established for fieldwork groups. The second new chapter attempts to understand the significance of race and gender in groupwork and to begin to develop a framework for anti-discriminatory practice. All key sections from previous editions have been retained and updated while those on group composition, open groups, co-working and consultation have been extended and revised to give more comprehensive coverage. The bibliography has also been developed to include the most recent additions to the groupwork literature including many articles from the journal *Groupwork* for which Allan Brown is co-editor.

Social Work with Groups Helen Northen, Roselle Kurland, 2001-08-23 When should someone not be admitted to a group? How can a reluctant child be persuaded to participate in a group? What is the best way to deal with issues of low self-esteem? Part of the enduring appeal of this classic work is its vivid depiction of actual group work and the challenges that arise. Opening with an instructive survey of the roots and development of group social work from the first YMCA to the establishment of the NASW, Northen and Kurland contribute to the integration of theory and research that forms the basis of group social work practice. Using an ecosystem approach, they set forth a generic framework for practice with diverse groups, establishing a common core of values, knowledge, purposes and interventions that can be applied to different populations and situations. With clear step-by-step guidance, this book covers the major issues as well as the ethical challenges that working with groups entails. This fully revised and updated edition includes seven new chapters that reflect the most recent developments in group practice.

Stories Celebrating Group Work Roselle Kurland, Andrew Malekoff, 2012-11-12 *Stories Celebrating Group Work* It's Not Always Easy to Sit on Your Mouth celebrates the 25th anniversary of the esteemed journal *Social Work with Groups* with a collection of 21 narratives from group work practitioners and educators. These highly personal stories from a range of social workers, young and old, famous and not so famous, reflect each author's development and experience, serving as both instruction and inspiration for practitioners and educators. This unique collection by turns humorous, moving, profound and down to earth gets to the heart of what it means to be a member of the social work community. Each chapter of *Stories Celebrating Group Work* draws on its contributor's area of expertise and interest in a specific topic, chronicling the development of the author's understanding, appreciation and skill. Authors address the everyday concerns of social work professionals such as maximizing mutual aid, promoting positive norms, maintaining authority in group work, managing conflict, dealing with taboo subjects, building a group work culture in a human services organization, working with a co-leader.

tapping the strengths of group members and addressing social change The individual stories of working with men women and children suffering through abuse homelessness addiction and teenage pregnancy in places as diverse as East Harlem Maine Canada Nebraska Long Island Haiti Uruguay help form a collegial spirit as group workers gain insight from the theory and practice of those who went before The personal stories you ll find in Stories Celebrating Group Work include How I Became a Social Worker The Power of Group Work with Kids How the Relational Model of Group Work Developed My Love Affair with Stages of Group Development But I Want to Do a Real Group Racial Difference and Human Commonality The Worker Client Relationship and many more Stories Celebrating Group Work It s Not Always Easy to Sit on Your Mouth is a one of a kind collection of stories at once entertaining and educational It s an essential read for beginning and seasoned human services practitioners and educators involved with or interested in working with groups **Encyclopedia of Social**
