LGBT Studies and Queer Theory Karen Lovaas,2013-05-13 Find out how the tension between LGBT studies and queer theory exists in the classroom politics communities and relationships LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain examines the similarities and differences between LGBT studies and queer theory and the uneasy relationship between the two in the academic world This unique book meets the challenge that queer theory presents to the study and politics of gay and lesbian studies with a collection of essays from leading academics who represent a variety of disciplines These original pieces place queer theory in social and historical contexts exploring the implications for social psychology religious studies communications sociology philosophy film studies and women's studies The book's contributors address queer theory's connections to a wide range of issues including the development of capitalism the evolution of the gay and lesbian movement and the study of bisexuality and gender Many scholars working in gay and lesbian studies still question the intellectual and political value of queer theory As a result queer theory has often been concentrated in the humanities while gay and lesbian studies are concentrated in the social sciences and history But this has begun to change in the past 10-15 years as documented by the 12 essays presented in LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain includes historical notes on LGBT studies and queer theory some continuing tensions between LGBT studies and queer theory doubts about whether queer theory can lead to social change an analysis of the current state of proto-fields of LGBT studies and queer studies in religion concerns that queer theory's erasure of identity feeds into late capitalism an analysis of variability in social psychologists' studies of anti-homosexual prejudice an exploration of the commodification of queer identities in independent cinema how and why the category of bisexuality has been marginalized a historical review and assessment of recent bisexual theory a case study of Provincetown Massachusetts an investigation of the interarticulation of

race ethnicity and gender a case study of the struggle to introduce LGBT studies in the curriculum at West Chester University and much more LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain is an essential read for researchers academics and practitioners involved in exploring multifaceted aspects of LGBT Studies and Queer Theory and their points of convergence and divergence

Queerying Families of Origin Chiara Bertone, Maria Pallotta-Chiarolli, 2016-04-14 This book provides an original insight into how families of origin of Gay Lesbian Bisexual and Transgender GLBT people are involved in negotiating meanings and experiences of sexuality and intimacy an underexplored dimension of queer family life Delving into the perspectives of families of origin and showing the complexity and heterogeneity of the ways people with their different gender and sexual identities do families across generations it contributes to queerying the very distinction between families of origin and families of choice and questions the hetero normative assumptions about forms and boundaries of family this distinction rests upon A focus on marginal contexts such as Southern Europe and on marginal subjects like bisexuals or black lesbians is proposed as a way to challenge the universality of privileged narratives within heteronormativity homonormativity and anglocentrism and to reveal unexpected resources families of origin use to make sense of GLBT identities and lived experiences The book poses a crucial question how can alliances along family ties develop on the basis of shared stories of family diversity and marginalised identities rather than of loving and normative support to GLBT people in need and an advocacy in their name from a position of heterosexual privilege This book was originally published in Journal of GLBT Family Studies

The SAGE Handbook of Cultural Analysis Tony Bennett, John Frow, 2008-03-26 A genuine one stop reference point for the many many differing strands of cultural analysis This isn't just one contender among many for the title of best multidisciplinary overview this is a true heavyweight Matt Hills Cardiff University An achievement and a delight both compelling and useful Beverley Skeggs Goldsmiths University of London With the cultural turn the concept of culture has assumed enormous importance in our understanding of the interrelations between social political and economic structures patterns of everyday interaction and systems of meaning making In The SAGE Handbook of Cultural Analysis the leading figures in their fields explore the implications of this paradigm shift Part I looks at the major disciplines of knowledge in the humanities and social sciences asking how they have been reshaped by the cultural turn and how they have elaborated distinctive new objects of knowledge Parts II and III examine the questions arising from a practice of analysis in which the researcher is drawn reflexively into the object of study and in which methodological frameworks are rarely given in advance Addressed to academics and advanced students in all fields of the social sciences and humanities The SAGE Handbook of Cultural Analysis is at once a synthesis of advances in the field with a comprehensive coverage of the scholarly literature and a collection of original and provocative essays by some of the brightest intellectuals of our time

Polari - The Lost Language of Gay Men Paul Baker, 2003-09-02 Polari is a secret form of language mainly used by homosexual men in London and other cities during the twentieth century Derived in part

from the slang lexicons of numerous stigmatised and itinerant groups Polari was also a means of socialising acting out camp performances and reconstructing a shared gay identity and worldview among its speakers This book examines the ways in which Polari was used in order to construct gay identities linking its evolution to the changing status of gay men and lesbians in the UK over the past fifty years *The Sexual Self* Michael S. Kimmel, 2007 Abstract **Classed Intersections** Yvette Taylor, 2016-05-23 *Classed Intersections* examines the salience transformation and tension of class analysis at a crucial juncture in its return to and reinvention of sociological agendas The contributors including both established and emerging academics examine class as produced through combined social cultural and economic practices but are clear not to reify class over and above other paradigms instead a number of key intersections are foregrounded including gender ethnicity and sexuality The collection draws on a variety of methodological positions including in depth interviews ethnographies and auto biographical approaches It scrutinizes classed intersections across a wide range of social spheres and practices including education the workplace everyday life citizenship struggles consumption the family and sexuality Taken together this volume will enhance efforts to establish new working class studies both in the UK and around the world **Protesting Gender** Anna Lavizzari, 2019-12-06 Drawing on fieldwork conducted in Italy among political activists of the LGBTIQ movement and the traditionalist movement during the anti gender campaign this book provides a dynamic picture of their sustained interactions Through an analysis of the contentious strategies discourses and performances of both the LGBTIQ and the traditionalist movements from a strategic interactionist perspective it considers the key actors involved in this struggle over normative and social change showing how activists on both sides are confronted with different dilemmas influencing each other's choices practices and identities at the individual and collective levels Approaching social movements as interactive processes the author deploys the concepts of social performance and gender performativity to illustrate the ways in which activists interact with and within gender norms and how they reproduce or contest gender hierarchies as they protest thus revealing the centrality of gender to the analysis of processes of recruitment and mobilization strategies frames and forms of organization As such it will appeal to scholars of sociology and political science with interests in social movements and gender **Reader's Guide to the Social Sciences** Jonathan Michie, 2014-02-03 This 2 volume work includes approximately 1 200 entries in A Z order critically reviewing the literature on specific topics from abortion to world systems theory In addition nine major entries cover each of the major disciplines political economy management and business human geography politics sociology law psychology organizational behavior and the history and development of the social sciences in a broader sense **Heroines of Sport** Jennifer Hargreaves, 2013-01-11 *Heroines of Sport* looks closely at different groups of women whose stories have been excluded from previous accounts of women's sports and female heroism It focuses on five specific groups of women from different places in the world Black women in South Africa Muslim women from the Middle East Aboriginal women from Australia and Canada and lesbian and disabled women from different countries

worldwide It also asks searching questions about colonialism and neo colonialism in the women s international sport movement The particular groups of women featured in the book reflect the need to look at specific categories of difference relating to class culture disability ethnicity race religion and sexual orientation In her account Jennifer Hargreaves reveals how the participation of women in sport across the world is tied to their sense of difference and identity Based on original research each chapter includes material which relates to significant political and cultural developments Heroines of Sport will be invaluable reading for undergraduate and postgraduate students of sport sociology and will also be relevant for students working in women s studies and other specialized fields such as development studies or the politics of Aboriginality disability Islam race and sexuality
