Susan L. Woodward

Socialist Unemployment The Political Economy Of Yugoslavia

John Lampe

Socialist Unemployment The Political Economy Of Yugoslavia:

Socialist Unemployment Susan L. Woodward, 2020-10-06 In the first political analysis of unemployment in a socialist country Susan Woodward argues that the bloody conflicts that are destroying Yugoslavia stem not so much from ancient ethnic hatreds as from the political and social divisions created by a failed socialist program to prevent capitalist joblessness Under Communism the concept of socialist unemployment was considered an oxymoron when it appeared in postwar Yugoslavia it was dismissed as illusory or as a transitory consequence of Yugoslavia's unorthodox experiments with worker managed firms In Woodward's view however it was only a matter of time before countries in the former Soviet bloc caught up with Yugoslavia confronting the same unintended consequences of economic reforms required to bring socialist states into the world economy By 1985 Yugoslavia's unemployment rate had risen to 15 percent How was it that a labor oriented government managed to tolerate so clear a violation of the socialist commitment to full employment Proposing a politically based model to explain this paradox Woodward analyzes the ideology of economic growth and shows that international constraints rather than organized political pressures defined government policy She argues that unemployment became politically invisible owing to its redefinition in terms of guaranteed subsistence and political exclusion with the result that it corrupted and ultimately dissolved the authority of all political institutions Forced to balance domestic policies aimed at sustaining minimum standards of living and achieving productivity growth against the conflicting demands of the world economy and national security the leadership inadvertently recreated the social relations of agrarian communities within a postindustrial society *The Economic Struggle for Power in Tito's Yugoslavia* Vladimir Unkovski-Korica, 2016-08-24 Here Vladimir Unkovski Korica reassesses the key episodes of Tito's rule from the joint Stalin Tito offensive of 1944 through to the Tito Stalin split of 1948 the market reforms of the 1950s and the turn to the West which led to Yugoslavia's non alignment policy For the first time Unkovski Korica also outlines Tito's internal battle with the Workers Councils empowered union bodies which emerged with the withering away of the party in the early 1950s *The Economic Struggle for Power in Tito's Yugoslavia* draws out the impact of the period economically and politically and its long term effects A comprehensive history based on new archival research this book will appeal to scholars and students of European Studies International Relations and Politics as well as to historians of the Balkans **The Cultural Life of Capitalism in Yugoslavia** Dijana Jelača, Maša Kolanović, Danijela Lugarić, 2017-07-11 This edited volume explores the cultural life of capitalism during socialist and post socialist times within the geopolitical context of the former Yugoslavia Through a variety of cutting edge essays at the intersections of critical cultural studies material culture visual culture neo Marxist theories and situated critiques of neoliberalism the volume rethinks the relationship between capitalism and socialism Rather than treating capitalism and socialism as mutually exclusive systems of political social and economic order the volume puts forth the idea that in the context of the former Yugoslavia they are marked by a mutually intertwined existence not only on the economic level but also

on the level of cultural production and consumption It argues that culture although very often treated as secondary in the analyses of either socialism capitalism or their relationship has an important role in defining negotiating and resisting the social political and economic values of both systems

Yugoslavia: A Concise History L. Benson, 2003-10-28 Yugoslavia A Concise History surveys the whole turbulent course of the country's history in the context of the struggles between great powers for control of the Balkans Torn apart by nationalist rivalries the first Yugoslavia lapsed into paralysis and dictatorship Axis occupation in 1941 unleashed a murderous civil war in which the Communist Party emerged victorious Tito's Yugoslavia appeared to the world as a peaceful multi national federation but in the end disintegrated amid barbarism unknown in Europe for half a century This revised and fully updated edition explains why and takes the events up to the arrest of Milosevic in 2001 and beyond

Mediating Spaces James M. Robertson, 2024-07-17 Throughout the twentieth century in the lands of Yugoslavia socialists embarked on multiple projects of supranational unification Sensitive to the vulnerability of small nations in a world of great powers they pursued political sovereignty economic development and cultural modernization at a scale between the national and the global from regional strategies of Balkan federalism to continental visions of European integration to the internationalist ambitions of the Non Aligned Movement In *Mediating Spaces* James Robertson offers an intellectual history of the diverse supranational politics of Yugoslav socialism beginning with its birth in the 1870s and concluding with its violent collapse in the 1990s Showcasing the ways in which socialists in Southeast Europe confronted the political economic and cultural dimensions of globalization the book frames the evolution of supranational politics as a response to the shifting dynamics of global economic and geopolitical competition Arguing that literature was a crucial vehicle for imagining new communities beyond the nation Robertson analyzes the manuscripts journals and personal correspondence of the literary left to excavate the cultural geographies that animated Yugoslav socialism and its supranational horizons The book ultimately illuminates the innovative strategies of cultural development used by socialist writers to challenge global asymmetries of power and prestige *Mediating Spaces* reveals the full significance of supranationalism in the history of socialist thought recovering a key concern for an era of renewed geopolitical contestation in Eastern Europe

A Reader's Guide to Serbia Nancy L. Laxon, 1999

Post-Yugoslav Cinema and the Shadows of War Asja Makarevic, 2025-10-01 Bosnia Herzegovina is still considered a post war country The concept of post war implies that the country and its people are tied more strongly to the past than they are oriented towards the future Paradoxically as long as the future is kept at bay and the post war condition kept alive Bosnia maintains a certain significance on the global scene However living in the temporal vacuum of the post war condition cannot be a long term perspective A range of post Yugoslav films provides spectators with images that offer innovative approaches to the collective past while simultaneously reframing contemporary experience This study proposes to call non representational images appears to offer a more dynamic relationship to the past and the present while reflecting complex processes of the formation of identity memory guilt and

responsibility But if these dynamics are inherent in non representational images is there a way in which they can contribute to overcoming the post war condition

The last Yugoslav generation Ljubica Spaskovska, 2017-04-30 This promising addition to the growing literature on the history of late socialism charts the development of youth culture and politics in socialist Yugoslavia focusing on the 1980s Rather than examining the 1980s as a mere prelude to the violent collapse of the country in the 1990s the book recovers the multiplicity of political visions and cultural developments that evolved at the time and that have been largely forgotten in subsequent discussion The youth of this generation the author convincingly argues sought to rearticulate the Yugoslav socialist framework in order to reinvigorate it and democratise it rather than destroy it altogether

The OECD and the International Political Economy Since 1948 Matthieu Leimgruber, Matthias Schmelzer, 2017-12-11 This book explores the history of the Organization for Economic Co operation and Development OECD and its place within capitalist development Since 1948 the OECD and its forerunner the Organization for European Economic Cooperation OEEC worked on almost every subject of interest to national governments ranging from economic growth to education PISA rankings statistics to the environment With varying success the OEEC OECD thus played a key role as a warden of the West and of capitalist development However it has remained one of the least understood international organizations Bringing together a number of case studies by scholars from around the world this first source based volume on the history of the OEEC OECD in global governance offers not only a new understanding of the Organization s key areas of activities but also its multiple relations to member states other international organizations and private networks The volume thus critically re examines postwar international history most importantly decolonization and the Cold War through the prism of one international organization in its various contexts

Social Inequalities and Discontent in Yugoslav Socialism Rory Archer, Igor Duda, Paul Stubbs, 2016-03-31 Socialist countries like Yugoslavia garnered legitimacy through appealing to social equality Yet social stratification was characteristic of Yugoslav society and increased over the course of the state s existence By the 1980s the country was divided on socio economic as well as national lines Through case studies from a range of social milieux contributors to this volume seek to bring class back in to Yugoslav historiography exploring how theorisations of social class informed the politics and policies of social mobility and conversely how societal or grassroots understandings of class have influenced politics and policy Rather than focusing on regional differentiation between Yugoslav republics and provinces the emphasis is placed on social differentiation and discontent within particular communities The contributing authors of these historical studies come from diverse disciplinary backgrounds linking scholarship from the socialist era to contemporary research based on accessing newly available primary sources Voices of a wide spectrum of informants are included in the volume from factory workers and subsistence farmers to fictional television characters and pop folk music superstars

New and Old Wars Mary Kaldor, 2013-04-26 Mary Kaldor s *New and Old Wars* has fundamentally changed the way both scholars and policy makers understand contemporary war and conflict In the

context of globalization this path breaking book has shown that what we think of as war that is to say war between states in which the aim is to inflict maximum violence is becoming an anachronism In its place is a new type of organized violence or new wars which could be described as a mixture of war organized crime and massive violations of human rights The actors are both global and local public and private The wars are fought for particularistic political goals using tactics of terror and destabilization that are theoretically outlawed by the rules of modern warfare Kaldor s analysis offers a basis for a cosmopolitan political response to these wars in which the monopoly of legitimate organized violence is reconstructed on a transnational basis and international peacekeeping is reconceptualized as cosmopolitan law enforcement This approach also has implications for the reconstruction of civil society political institutions and economic and social relations This third edition has been fully revised and updated Kaldor has added an afterword answering the critics of the New Wars argument and in a new chapter Kaldor shows how old war thinking in Afghanistan and Iraq greatly exacerbated what turned out to be in many ways archetypal new wars characterised by identity politics a criminalised war economy and civilians as the main victims Like its predecessors the third edition of New and Old Wars will be essential reading for students of international relations politics and conflict studies as well as to all those interested in the changing nature and prospect of warfare

The Symbolic State Karlo Basta, 2021-11-15 The nation state is a double sleight of hand naturalizing both the nation and the state encompassing it No such naturalization is possible in multinational states To explain why these countries experience political crises that bring their very existence into question standard accounts point to conflicts over resources security and power This book turns the spotlight on institutional symbolism When minority nations in multinational states press for more self government they are not only looking to protect their interests They are asking to be recognized as political communities in their own right Yet satisfying their demands for recognition threatens to provoke a reaction from members of majority nations who see such changes as a symbolic repudiation of their own vision of politics Secessionist crises flare up when majority backlash reverses symbolic concessions to minority nations Through a synoptic historical sweep of Canada Spain Yugoslavia and Czechoslovakia *The Symbolic State* shows us that institutions may be more important for what they mean than for what they do A major contribution to the study of comparative nationalism and secession comparative politics and social theory *The Symbolic State* is particularly timely in an era when the power of symbols exemplified by Brexit the Donald Trump presidency and the rise of the Black Lives Matter movement is reshaping politics

The Legacy of Yugoslavia Othon Anastasakis, Adam Bennett, David Madden, Adis Merdzanovic, 2020-06-25 What are the consequences of Yugoslavia s existence and breakup for the present This book reflects on this very question identifying and analysing the political legacies left behind by Yugoslavia through the prism of continuities and ruptures between the past and present of the area After the collapse of Yugoslavia it s former states adopted a nation building process which opted to eradicate the past as such an approach seemed more convenient for the new national projects The new states adopted new institutions new market

oriented economic paradigms and new national symbols Yugoslavia existed for 70 years and to consider the current political situation in post Yugoslav states such as Slovenia Croatia Bosnia and Herzegovina Serbia Montenegro North Macedonia and Kosovo without taking into account the legacy and remnants of Yugoslavia is to discount a vital part of their political history This volume takes a multi disciplinary and multi faceted approach to examining the legacy of Yugoslavia covering politics society international relations and economics Focusing on distinctive features of Yugoslavia including worker self management the combination of liberalism and communism and the Cold War policy of Non Alignment The Legacy of Yugoslavia places Yugoslavia in historical perspective and connects the region s past with its contemporary political situation

Art Work Katja Praznik,2021-06-17 By exposing the separation of art and labour Art Work provides a valuable historical perspective on the present day struggle for artists rights **New & Old Wars** Mary Kaldor,2006 Deals with the implications of the new wars in the post 9 11 world This work shows how old war thinking in Iraq has greatly exacerbated what is the archetypal new war with insurgency chaos and the occupying forces lack of direction prescient of a different kind of conflict emerging in the 21st Century *Memory, Politics, and Yugoslav Migrations to Postwar Germany* Christopher A.

Molnar,2019-01-11 This historical study persuasively links the reception of Yugoslav migrants to West Germany s shifting relationship to the Nazi past essential reading Tara Zahra author of The Great Departure During Europe s 2015 refugee crisis more than a hundred thousand asylum seekers from the western Balkans sought refuge in Germany This was nothing new however Immigrants from the Balkans have streamed into West Germany in massive numbers since the end of the Second World War In fact Yugoslavs became the country s second largest immigrant group Yet their impact has received little critical attention until now Memory Politics and Yugoslav Migrations to Postwar Germany tells the story of how Germans received the many thousands of Yugoslavs who migrated to Germany as political emigres labor migrants asylum seekers and war refugees from 1945 to the mid 1990s With a particular focus on German policies and attitudes toward immigrants Christopher Molnar argues that considerations of race played only a marginal role in German attitudes and policies towards Yugoslavs Rather the history of Yugoslavs in postwar Germany was most profoundly shaped by the memory of World War II and the shifting Cold War context Molnar shows how immigration was a central aspect of how Germany negotiated the meaning and legacy of the war **Gorbachev's export of Perestroika to Eastern Europe** Helen

Hardman,2024-06-04 This book available for the first time in paperback looks at the liberalisation process in Central and Eastern Europe CEE during the period 1987 89 focusing on Gorbachev s initiative to encourage perestroika in all the fraternal regimes of CEE outside the Soviet Union Archival materials interviews and textual analysis identify a joint initiative among these fraternal communist parties to perpetuate the one party system For this purpose fraternal parties were expected to follow the example of the CPSU in convening the national party conference an all party meeting on a similar scale to the five yearly congress and yet mysteriously one which was barely described in the Party Statutes and rarely

convoked Gorbachev made use of CEE dependence on the Soviet Union for energy supplies to ensure that at least some fraternal parties followed his line This book will be of interest to those studying the transition process in CEE

democratisation comparative politics more generally and students of research methods **Balkans into Southeastern Europe, 1914-2014** John Lampe, 2014-07-15 The states and peoples of Southeastern Europe have been divided by wars over the twentieth century but they have since worked to re establish themselves into the European mainstream This timely new edition has been revised updated and expanded in the light of the latest scholarship and recent events John R Lampe now offers a comprehensive assessment of the full century from the Sarajevo assassination in 1914 through to EU membership and developments up to the present day Rethinking Serbian-Albanian Relations Aleksandar Pavlović, Gazela Pudar Draško, Rigels Halili, 2019-06-13 Identifying and explaining common views ideas and traditions this volume challenges the concept of Serbian Albanian hostility by reinvestigating recent and historical events in the region The contributors put forward critically oriented initiatives and alternatives to shed light on a range of relations and perspectives The central aim of the book is to figure out the problematic relations between Serbs and Albanians that is to comprehend its origins and the actors involved and to find ways to resolve and deal with this enmity Treating the hostility as a construct of a long running discourse about the Serbian or Albanian Other scholars and intellectuals from Serbia Kosovo and Albania examine the origins channels agents and mediums of this discourse from the 18th century to the present Tracing the roots of the two ethnic groups political divisions contemporary practices and actions allows the contributors to reconsider mutually held negative perceptions and identify elements of a common shared history Examples of past and current cooperation are used to offer a critical analysis of all three societies This interdisciplinary publication brings together historiographical literary sociological political anthropological and philosophical analyses and enquiries and will be of interest to researchers in the fields of sociology politics cultural studies history or anthropology and to academics working in Slavonic and East European studies

Regime Change in the Yugoslav Successor States Mieczysław P. Boduszynski, 2010-04-26 In the 1990s amid political upheaval and civil war the Socialist Federal Republic of Yugoslavia dissolved into five successor states The subsequent independence of Montenegro and Kosovo brought the total number to seven Balkan scholar and diplomat to the region Mieczyslaw P Boduszynski examines four of those states Croatia Slovenia Macedonia and the Federal Republic of Yugoslavia and traces their divergent paths toward democracy and Euro Atlantic integration over the past two decades Boduszynski argues that regime change in the Yugoslav successor states was powerfully shaped by both internal and external forces the economic conditions on the eve of independence and transition and the incentives offered by the European Union and other Western actors to encourage economic and political liberalization He shows how these factors contributed to differing formulations of democracy in each state The author engages with the vexing problems of creating and sustaining democracy when circumstances are not entirely supportive of the effort He employs innovative concepts to measure the quality of and

prospects for democracy in the Balkan region arguing that procedural indicators of democratization do not adequately describe the stability of liberalism in post communist states This unique perspective on developments in the region provides relevant lessons for regime change in the larger post communist world Scholars practitioners and policymakers will find the book to be a compelling contribution to the study of comparative politics democratization and European integration

Adopting the Tune of Term: An Emotional Symphony within **Socialist Unemployment The Political Economy Of Yugoslavia**

In a global used by displays and the ceaseless chatter of instant interaction, the melodic elegance and mental symphony produced by the prepared word usually fade in to the background, eclipsed by the relentless sound and interruptions that permeate our lives. However, situated within the pages of **Socialist Unemployment The Political Economy Of Yugoslavia** a stunning literary prize brimming with organic emotions, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, that charming masterpiece conducts visitors on a mental trip, skillfully unraveling the concealed melodies and profound impact resonating within each cautiously constructed phrase. Within the depths with this touching assessment, we can discover the book is main harmonies, analyze their enthralling publishing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Socialist Unemployment The Political Economy Of Yugoslavia Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Socialist Unemployment The Political Economy Of Yugoslavia PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making

research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Socialist Unemployment The Political Economy Of Yugoslavia PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Socialist Unemployment The Political Economy Of Yugoslavia free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Socialist Unemployment The Political Economy Of Yugoslavia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Socialist Unemployment The Political Economy Of Yugoslavia is one of the best book in our library for free trial. We provide copy of Socialist Unemployment The Political Economy Of Yugoslavia in digital format, so the resources that you find are reliable. There are

also many Ebooks of related with Socialist Unemployment The Political Economy Of Yugoslavia. Where to download Socialist Unemployment The Political Economy Of Yugoslavia online for free?
