## **Socialization To Civil Society A Life History Stu:**

*Socialization to Civil Society* Peter Robert Sawyer, 2005-01-01 Using a life history approach looks at what influences citizens to participate in the voluntary associations that comprise and promote civil society

**Political Culture, Change, and Security Policy in Nigeria** Kalu Kalu, 2018-03-15 Demonstrating how political culture facilitates or distorts political preferences and political outcomes this book explores how the historical development of social conditions and the current social structures shape understandings and constrain individual and collective actions within the Nigerian political system Political Culture Change and Security Policy examines the extent to which specific norms and socialization processes within the political and civic culture abet corruption or the proclivity to engage in corrupt practices and how they help reinforce political attitudes and civic norms that have the potential to undermine the effectiveness of government It also delineates specific doctrinal models and strategic framework essential to the development and implementation of Nigeria's national security policy as well as innovative approaches to national development planning Professor Kalu N Kalu offers an exhaustive study that integrates several quantitative models in addressing a series of theoretical and empirical questions that inform historical and contemporary issues of the Nigerian project The general premise is that it is not enough to simply highlight the problems of the state and address the what question we must also address the why and how questions that drive political change policy preferences and competing political outcomes

Role Differentiation in Chinese Higher Education Xiaoxin Du, 2020-11-30 This book examines tensions between the Chinese state and Chinese universities It looks at the state's demand for political socialization as a restriction on university autonomy and the university's promotion of academic development through promoting academic freedom and fostering critical thinkers using Jiao University in PRC as a case study The book focuses on the dynamics and complexity of the interplay between the state universities faculty staff and students in the process of socialization through political education and academic affairs Theories on political socialization and higher education guide this study As universities socio political task of imbuing students with a certain type of ideology coexists with their role of promoting university autonomy examining China's higher education system provides important insights as different players interaction These present a dynamic picture of role differentiation as a strategy to cope with a politically restricted autonomy which challenges some common stereotypes that have been put on Chinese universities within the global community

**Methods and Contexts in the Study of Muslim Minorities** Nadia Jeldtoft, Jørgen Nielsen, 2014-07-16 In the past decade Muslims in Europe have been the subject of heated debates on the place and role of religion in the public space Research into the issues involved has often used visible and formalised expressions of Muslim religiosity as its empirical point of departure This book instead examines the microlevel workings of Muslim minority religiosity to offer a new perspective on these debates Contributors to this volume examine the forms of Muslim religiosity which are not dependent on the official or semi official settings of organised religion These ethnographic studies investigate

a range of examples of non organised Islam ranging from salafi jihadism to converts to Islam to everyday spiritualities of Muslim in Europe By exploring these neglected forms of Muslim religiosity this book is able to build up a more nuanced picture of the role of Muslims in Europe It will be of interest to academics researchers and graduate students of Religion Ethnic Studies Migration Studies Sociology and Political Science This book was previously published as a special issue of Ethnic and Racial Studies      *The Nature Study Movement* Kevin C. Armitage,2009 The first comprehensive history of the nature study movement and its significance to American environmental thought and politics Argues that nature study advocates through their systematic program or educating children about nature formed a critical foundation for the launching of the conservation movement      Civil Society, Public Sphere and Citizenship Rajeev Bhargava,Helmut Reifeld,2005-05-27 The original essays brought together in this volume examine the relationship between state and society in India discuss ideas of citizenship and study the broad area known as public sphere The eminent scholars who have contributed to this volume provide numerous fresh insights into issues that have been the subject of extensive debate in recent years The first book which deals simultaneously with civil society the public sphere and citizenship in the contemporary context it also provides a comparative perspective with the West      Document Retrieval Index ,1974

Paradoxes of Civil Society Frank Trentmann,2003 Civil Society has been experiencing a global renaissance among social movements and political thinkers during the last two decades This collection of original papers by junior and senior scholars offers an important comparative historical dimension to the debate by examining the historical roots of civil society in Germany and Britain from the seventeenth century revolutions to the beginning of the welfare state      **Using Biographical and Life History Approaches in the Study of Adult and Lifelong Learning** Linden West,2007 Second in a series of edited volumes resulting from conferences and seminars organized by the European Society for Research on the Education of Adults Preface      **State and Civil Society** Zhenglai Deng,2011 Intends to present a discussion on state and civil society contextualized in the Chinese perspectives This title poses important questions within the context of Chinese national conditions particularities and histories to the validity applicability and viability of the state and civil society paradigm in the Western academia      Empowering Civil Society in the Industrial Revolution 4.0 Sukowiyono,Siti Awaliyah,Peter B.R. Carey,Max Lane,Chen Fei,2021-10-25 ICCEDI is an international seminar that is held every two years organized by the Law and Citizenship Department Faculty of Social Science Universitas Negeri Malang The activities aim to discuss the theoretical and practical citizenship education that becomes needed for democracy in Indonesia and other countries with a view to build academic networks by gathering academics from various research institutes and universities Citizenship education is an urgent need for the nation in order to build a civilized democracy for several reasons Citizenship education is important for those who are politically illiterate and do not know how to work the democracy of its institutions Another problem is the increasing political apathy indicated by the limited involvement of citizens in the political process These conditions show how

citizenship education becomes the means needed by a democratic country like Indonesia The book addresses a number of important issues such as law issues philosophy of moral values political government socio cultural and Pancasila and civic education Finally it offers a conceptual framework for future democracy This book will be of interest to students scholars and practitioners governance and other related stakeholders

**Nonprofit Organizations and Civil Society in the United States** Kelly LeRoux, Mary K. Feeney, 2014-11-13 LeRoux and Feeney's *Nonprofit Organizations and Civil Society in the United States* makes a departure from existing nonprofit texts on the market rather than focus on management it focuses on nonprofit organizations and their contributions to the social political and economic dimensions of society The book also covers the nexus between nonprofits and civil society This text offers a theory oriented undergraduate introduction to the nonprofit field and an examination of the multifaceted roles these organizations play in American society

**Scandinavian Civil Society and Social Transformations** Bernard Enjolras, Kristin Strømsnes, 2018-04-11 This book aims at presenting a conceptual apparatus and empirical analysis of the ways Nordic civil society is affected by social transformations by focusing on the Norwegian case The Norwegian empirical focus allows identifying processes and factors of change that are relevant outside this context and enable us to understand on a more general basis the relationship between social transformations and transformations affecting the voluntary sector This book will make an original contribution to the field of comparative civil society studies both by increasing the available knowledge on the Nordic civil society model and by analyzing the societal transformations affecting civil society over time

The British National Bibliography Arthur James Wells, 2006

**Questions of Civil Society** Adam Jarosz, 2014-07-03 This book is devoted to questions and research problems generated by the issue of civil society It contains contributions from mostly young scientists who develop various approaches to the position and functionality of civil society examining different examples from both the past and the present based on theoretical approaches to this concept As a result the volume adopts an interdisciplinary perspective which allows the identification of various levels of the concept of the civil society and insight into its multiformity in terms of its reality and its interpretation and depiction as a means of political and social self determination The book provides fluid interpretation patterns and avoids working with the term civil society in any fixed definitional mode The editors and authors aim as well as the main objective of the volume is to refresh and stimulate the discussion and point out exemplary fields of research which will bring interesting explanations and impulses to the formulation of innovative research questions regarding the concept of civil society Finally the book explains and underlines the pivotal role of the civil society in the upheavals of the 21st century as well as provides an understanding of it as a fundamental structural element of the necessary renegotiation of the relations between the state and society

**Choice** , 2009 *Born to Beg! The Challenge of Alms-transaction in Northern*

*Nigeria* Dr. 'Tunji Adewuyi, 2020-08-24 *Born to Beg The Challenge of Alms transaction in Northern Nigeria* By Dr Tunji Adewuyi *Born to Beg The Challenge of Alms transaction in Northern Nigeria* is a narration of street begging which has become pandemic in Nigeria Begging comes in two broad forms The first is linked to poverty as a cause and consequence is a feature of all societies and responds to poverty alleviating measures The second which is the focus of this book is cultural and expressed in terms of legal rights or of established customs which have the essential binding characteristics of law Beginning from childhood and continuing into adulthood beggars of this category are a huge demographic category and considerable social problem in Nigeria This book has explored this problem and come up with suggestions that may halt new entrants into begging and bring street beggars to respectability

*Rethinking Civil Society in Transition* Ester Sigillò, 2025-10-01 This book illustrates the results of ethnographical research designed to shed light on the notion of civil society in a context characterized by the transformation of power relations Such transformation is given by shifting resources renewed local and international opportunities and a general reframing of goals and objectives The academic literature has usually relied on a substantialist understanding of the notion of civil society referring to the latter as something that exists a priori or does something This volume relies instead on a relational approach where civil society becomes the name we give to a host of complex interactions in which local associations are involved in a time of reconfiguration of power relations Building on this approach this volume analyses the relational dynamics affecting Tunisian associations after the fall of the authoritarian regime in 2011 and their implications for the changing political order Findings show two main interrelated trends the nationwide professionalization of local associations and the localized networking strategies of various socio political categories crossing the associational sector The book shows how their members understand the standardization of local associations as a strategy to have guaranteed access to the public sphere and therefore to influence the changing political order
