

Process of Reform of Civil-Military Relations, the Democratic Control of Armed Forces and the Security Sector in Albania

Blendi Kajsia

1 Introduction

The process of civil-military relations and security sector reform is very complex since it takes place at different levels and within the context of political, social and economic developments in Albania. The reform process cannot and should be not analyzed in isolation from the larger social context. Of particular importance in the Albanian case is the element of state weakness that reflects itself in every step of the reform process. Another important factor that has conditioned reforms both in the civil-military and the security area is the legacy of the past. This legacy will be dealt with in both cases.

It is important to emphasize that civil-military relations and democratic control of armed forces are an area that is quite separate from the security sector in the case of Albania. The Albanian Constitution of 1998 introduced a new concept to the definition of armed forces. According to this concept the armed forces no longer include the security services and police forces. This step was taken in order to enhance the civil control of the security sector. Therefore, for the purpose of clarity in this paper they will be analyzed separately, although they have many problems in common.

2 Reform of the Military

At the core of the military reform is the establishment of a force with western orientation that is based on professionalism. This means that the peacetime active military units will be mostly based on a professional force, and only a few of them will be completed by the conscript service. The aim is to build a force with an increased operational capability than the actual forces to defend the country's interests, and capable to participate in international operations. A special importance will be given to the joint operations of two or three forces/services, based on 'The Joint Doctrine of the Armed Forces', which has already been prepared but awaits approval. Special units and segments of the armed forces will be able to

Sociolegal Foundations Of Civilmilitary Relations:

Socio-Legal Foundations of Civil-Military Relations James B. Jacobs,1986-01-01 **Socio-legal Foundations of Civil-military Relations** James B. Jacobs,1986-01-01 Civil-military Relations ,1993 Civil-military Relations After the Nation-state Glen Segell,2000 **Shaping US Military Law** Joshua E. Kastenberg,2016-04-01 Since the United States entry into World War II the federal judiciary has taken a prominent role in the shaping of the nation s military laws Yet a majority of the academic legal community studying the relationship between the Court and the military establishment argues otherwise providing the basis for a further argument that the legal construct of the military establishment is constitutionally questionable Centering on the Cold War era from 1968 onward this book weaves judicial biography and a historic methodology based on primary source materials into its analysis and reviews several military law judicial decisions ignored by other studies This book is not designed only for legal scholars Its intended audience consists of Cold War military and political historians as well as political scientists and military and national security policy makers Although the book s conclusions are likely to be favored by the military establishment the purpose of this book is to accurately analyze the intersection of the later twentieth century s American military political social and cultural history and the operation of the nation s armed forces from a judicial vantage *Military Review* ,1988 *Professional Journal of the United States Army* ,1988 **Review of Current Military Literature** ,1988 **Soldiers and Civilians** Peter Feaver,Richard H. Kohn,2001 Essays on the emerging military civilian divide in the United States **The Long War** Andrew J. Bacevich,2009-06-22 Essays by a diverse and distinguished group of historians political scientists and sociologists examine the alarms emergencies controversies and confusions that have characterized America s Cold War the post Cold War interval of the 1990s and today s Global War on Terror The developments of this Long War have left their imprint on virtually every aspect of American life and by considering the period as a whole this volume is the first to take a truly comprehensive look at America s response to the national security crisis touched off by the events of World War II Contributors consider topics ranging from grand strategy and strategic bombing to ideology and economics and assess the changing American way of war as the twentieth century progressed They evaluate the evolution of the national security apparatus and the role of dissenters who viewed the activities of that apparatus with dismay and they take a fresh look at the Long War s civic implications and its impact on civil military relations More than a military history The Long War examines the ideas policies and institutions that have taken shape since the United States claimed the role of global superpower In breaking down the old and artificial boundaries that have traditionally divided the postwar period into neat historical units this volume offers fresh perspectives on the current state of American national security Sociology and Its Publics Terence C. Halliday,Morris Janowitz,1992-10-15 Sociology faces troubling developments as it enters its second century in the United States A loss of theoretical coherence and a sense of disciplinary fragmentation a decline in the quality of its recruits the cooptation of its

clients a muted public voice and sinking prestige in governmental circles these are only a few of the trends signalling a need for renewed debate about how sociology is organized In this volume some of the most authoritative voices in the field confront these conditions offering a variety of perspectives as they challenge sociologists to self examination

Recruiting for Uncle Sam David R. Segal, 1989 Which citizens have fought America's wars Which ones should fight in the future and how should they be recruited Should military or other national service be an obligation for every citizen David Segal's probing look at the complex issues behind these questions tells us much about the changing manpower needs of our armed forces and about the evolution of civil military relations in the United States Segal analyzes the mobilization contributions and limitations of drafted reservist and volunteer forces from the early days of the republic to the present In the process he shows how Americans have come to separate the benefits of citizenship from service to their country Symptomatic of this separation is the current reliance on an all volunteer military a system that treats military service more as an occupation and opportunity for self advancement than as a civic duty and obligation Drawing on a vast interdisciplinary literature in American history sociology political science and economics Segal illuminates the ways demographics weapons technology international relations scientific management and social policies have all affected the composition of America's armed forces He also shows how the military anticipated and expanded the American welfare system and played a pivotal role in creating better opportunities for minorities and women The capabilities and performance of U.S. armed forces in future conflicts will depend on a thorough understanding of and informed response to the crucial manpower issues Segal discusses His thoughtful study should be required reading for military professionals and policymakers and will be of interest to anyone concerned about the future of this country's armed forces

Ius Doni in International Law and EU Law Christian H. Kälin, 2019-03-27 In *Ius Doni in International Law and EU Law* Dr Christian H. Kälin establishes the concept of *ius doni* in the contemporary legal and political theorising of citizenship Providing a comprehensive analysis of the subject the book discusses the legal and political concepts of citizenship It also introduces a new term for what is already an increasingly common and accepted practice of granting citizenship on the basis of substantial contributions to the State Consisting of two main parts law and practice the monograph analyses the *ius doni* concept in both international law and EU law further tests its application in practice and establishes best practices among states Finally the book discusses the conceptual and practical implications for citizenship

Air University Library Index to Military Periodicals, 1988 National Service, Citizenship, and Political Education Eric B. Gorham, 1992-09-01 This book analyzes the issues surrounding civilian national service policy from a fresh and original perspective The author connects national service programs to the political theories of civic republicanism and communitarianism assesses the practical consequences of these theories and examines past youth service programs such as the CCC and Peace Corps to see if they are appropriate models or ideals for a national program Gorham engages the issue of compulsory versus voluntary service and questions whether service tasks can instill a sense of

citizenship in young people as defenders of the program claim Using the work of Michel Foucault Charles Taylor Carole Pateman and others he suggests that national service as presently planned will not create the citizen so much as a post industrial and gendered subject In the concluding chapters he presents an argument for a democratic national service and offers an alternative program for policymakers to consider *Military Justice* Lawrence J. Morris, 2010-02-26 Public press and academic interest in the military justice system has increased over the past generation This is a result of several high profile trials the Sergeant Major of the Army and Kelly Flinn among many others a popular TV show even if it was Navy JAGs and broader public attention to and interest in the military stemming from the post Cold War prominence of the military Gulf War I Balkans and post 9 11 operations In addition some of the more prominent cases from the war in Iraq including Abu Ghraib and detainee cases as well as the GTMO military commissions have kept military justice in the news There are many misconceptions about the rudiments of the military justice system Many perceive severity where there is none though there are features that differ from the civilian system sometimes unfavorably for the accused and few are aware of its unique protections and features Senators Lott and McConnell were not unique in the inaccurate perceptions they publicly stated about military justice during hearings on military tribunals This volume would accomplish two main purposes 1 provide comprehensive accurate and current information about the military justice system and related disciplinary features written in laymen s language and 2 explain the system through some illustrative or engaging anecdotes e g the trials of Billy Mitchell William Calley and the World War II Nazi saboteurs whose capture and trial provide the basis for today s Guantanamo based trials of suspected terrorists **Obedying Orders** Mark J. Osiel, 2017-07-05 A soldier obeys illegal orders thinking them lawful When should we excuse his misconduct as based in reasonable error How can courts convincingly convict the soldier s superior officer when after Nuremberg criminal orders are expressed through winks and nods hints and insinuations Can our notions of the soldier s due obedience designed for the Roman legionnaire be brought into closer harmony with current understandings of military conflict in the contemporary world Mark J Osiel answers these questions in light of new learning about atrocity and combat cohesion as well as changes in warfare and the nature of military conflict Sources of atrocity are far more varied than current law assumes and such variations display consistent patterns The law now generally requires that soldiers resolve all doubts about the legality of a superior s order in favor of obedience It excuses compliance with an illegal order unless the illegality as with flagrant atrocities would be immediately obvious to anyone But these criteria are often in conflict and at odds with the law s underlying principles and policies Combat and peace operations now depend more on tactical imagination self discipline and loyalty to immediate comrades than on immediate unreflective adherence to the letter of superiors orders backed by threat of formal punishment The objective of military law is to encourage deliberative judgment This can be done Osiel suggests in ways that enhance the accountability of our military forces in both peace operations and more traditional conflicts while maintaining their effectiveness Osiel seeks to civilianize military law while

building on soldiers own internal ideals of professional virtuousness He returns to the ancient ideal of martial honor reinterpreting it in light of new conditions arguing that it should be implemented through realistic training in which legal counsel plays an enlarged role rather than by threat of legal prosecution Obeying Orders thus offers a compelling answer to the question that has most haunted the moral imagination of the late twentieth century the roots and restraint of mass atrocity in war Military Law Review ,1998 **Military Law Review' , Give Peace a Chance** Melvin Small,William D. Hoover,1992-07-01 Written by veterans of the Vietnam War and participants in the organized opposition to it this book examines how the activities of America s most important a mi war movement affected the lives of its citizens and its government Relying on oral histories and recently available archival material the authors consider the movement s strategies and tactics its leaders and its rank and file and describe the difficulties encountered by peace activists in their efforts to build politically effective organizations What emerges from this collection is that the millions of Americans who fought against the government s policies in Southeast Asia participated in one of the most potent and complex oppositional movements in modern history

Sociolegal Foundations Of Civilmilitary Relations Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Sociolegal Foundations Of Civilmilitary Relations free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Sociolegal Foundations Of Civilmilitary Relations free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Sociolegal Foundations Of Civilmilitary Relations free PDF files is convenient, its important to note that copyright laws must be respected. Always

ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Sociolegal Foundations Of Civilmilitary Relations. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Sociolegal Foundations Of Civilmilitary Relations any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Sociolegal Foundations Of Civilmilitary Relations Books

What is a Sociolegal Foundations Of Civilmilitary Relations PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sociolegal Foundations Of Civilmilitary Relations PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sociolegal Foundations Of Civilmilitary Relations PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sociolegal Foundations Of Civilmilitary Relations PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sociolegal Foundations Of Civilmilitary Relations PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to

share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
