Sociology Jean Stockard, 2000 SOCIOLOGY DISCOVERING SOCIETY 2nd provides comprehensive coverage of sociology in an affordable paperback format With research studies in every chapter and boxes that portray sociologists at work it will especially appeal to sociology professors who value a quantitative research methodology oriented approach Instead of presenting every possible theory for each issue Stockard's streamlined approach pulls in theories only when they appropriately relate to the issue at hand This integrated approach produces a text that reads more smoothly than the overly encyclopedic heavily interrupted narratives of other texts *Readings in Sociology to Accompany An Introduction to*

*Sociology* Jerome Davis, Harry Elmer Barnes, 1927 *Irm-Soc* Brym, Lie, 2004-03 *Annotated Instructors Edition* John J. Macionis, 2002-01-10 *Readings in Urban Sociology* Scott Elias William Bedford, 1927 *Irm-Sociology in Our Times*

Kendall, 2005-02 **Sociology** Joan Ferrante-Wallace, 2006 **Irm Soc in Changing World** Kornblum, 2004-06 **A**

**Sociology of Crime** Peter Eglin, Stephen Hester, 2015-09-04 The authors take three particular sociological perspectives and use them to offer a distinct and critical reading of criminology highlighting the ways that crime is first and foremost a matter of social definition They provide a good introductory text which will be of great value to students **The Sociology of**

**Organizations** Michael J Handel, 2003 Michael Handel has assembled an authoritative and wide ranging collection of key articles in the organizations field and complements these papers with a terrific critical survey of the literature His introductory essays will benefit both students and researchers alike This collection is a real service to the field Walter W Powell Stanford University A unique reader and commentary with broad coverage of the classics combined with a healthy skepticism about received theories and an emphasis on the impact of organizations on society The lucid commentary brightens the field Charles Perrow Yale University For the first time a single volume offers a comprehensive selection of primary readings and companion overview essays on the sociology of organizations These readings and essays provide incisive and guided coverage of the subjects normally included in a one semester sociology of organizations course The Sociology of Organizations covers the full range of theoretical perspectives and substantive topics through readings that are either classics in the field or widely discussed and debated new classics Section introductions explain key terms and concepts provide illustrations and summarize related debates and research in clear prose The depth of these overview essays makes this book ideal for use as either as a stand alone text or a supplementary reader After reading this book students will have a thorough understanding of central concepts and an appreciation of the primary texts that are the foundation of the field Scholars and students in the fields of sociology management organizational behavior and organizational psychology and those within political science and economics who are interested in how organizations function will find this work a welcome invaluable resource *Michigan Sociological Review*, 1999 **Subject Guide to Books in Print**, 1993 *American Book Publishing Record*, 2007 **Critical Reading Across the Curriculum, Volume 2** Anton Borst, Robert DiYanni, 2020-03-17

Through the Global Lens Michael Strada,2021-04-14 Through the Global Lens uses a global perspective to analyze human affairs This text looks at each of the six social sciences sociology anthropology political science economics psychology and geography and uses case studies feature film analyses maps and photos to highlight important historical events and concepts throughout

**Research Handbook on the Sociology of International Law** Moshe Hirsch,Andrew Lang,2018-11-30 Bringing together a highly diverse body of scholars this comprehensive Research Handbook explores recent developments at the intersection of international law sociology and social theory It showcases a wide range of methodologies and approaches including those inspired by traditional social thought as well as less familiar literature including computational linguistics performance theory and economic sociology The Research Handbook highlights anew the potential contribution of sociological methods and theories to the study of international law and illustrates their use in the examination of contemporary problems of practical interest to international lawyers

**Recording for the Blind & Dyslexic, ... Catalog of Books** ,1996 *Boundaries* ,2005 **From Trafficking to Terror** Pardis Mahdavi,2013-10-15 A panic surrounds human trafficking and terrorism The socially constructed war on terror and war on trafficking are linked through discourses that not only combine the two but help promote an anti Muslim sentiment Using ethnographic data and

stories From Trafficking to Terror presents the need to challenge the trafficking and terror paradigm and rethink approaches to the large scale challenges these discourses have created This book is ideal for courses on gender labor migration human rights and globalization      **Personal Networks** Mario L. Small,Brea L. Perry,Bernice Pescosolido,Edward B.

Smith,2021-09-16 Social networks are ubiquitous The science of networks has shaped how researchers and society understand the spread of disease the precursors of loneliness the rise of protest movements the causes of social inequality the influence of social media and much more Egocentric analysis conceives of each individual or ego as embedded in a personal network of alters a community partially of their creation and nearly unique to them whose composition and structure have consequences This volume is dedicated to understanding the history present and future of egocentric social network analysis The text brings together the most important classic articles foundational to the field with new perspectives to form a comprehensive volume ideal for courses in network analysis The collection examines where the field of egocentric research has been what it has uncovered and where it is headed
