

# August Comte(1798-1857)

- He was considered the founder of sociology. He had once been personal secretary to Saint-Simon. Comte coined the term sociology. Previously, he had called the discipline “positive philosophy” ( social physics ), both to stress its scientific nature and to distinguish it from traditional philosophy. The aim of sociology, as he saw it, was to find the “invariable laws” of sociology upon which a new order could be based.

*August Comte.*

## **Sociology Before Comte:**

**Sociology Before Comte** Harry Elmer Barnes, 1974      **Society, State, and Urbanism** Fuad Baali, 1988-07-08

Ilm al umran is an independent science. This science has its own peculiar object that is human civilization and social organization. The discussion of this topic is something new, extraordinary, and highly useful. Penetrating research has shown the way to it. Ibn Khaldun. This book probes the nature, scope, and methods of ilm al umran, the new science of human social organization as it is developed in Ibn Khaldun's 14th century masterpiece, the *Muqaddimah*. It explores his ideas and observations on society, culture, socialization, social control, the state, *asabiyyah*, social solidarity, history as a cyclical movement, urbanization, and the typology of *badawa* (primitive life) and *hadara* (civilized life) or urbanism. Through a comparative perspective, this study illustrates that Khaldun's ideas about society have conceptually preceded those of Machiavelli, Vico, and Turgot, as well as those of Montesquieu, Comte, Durkheim, Gumplovicz, Spengler, Tonnies, and even Marx. *Society, State, and Urbanism* demonstrates that Ibn Khaldun's thought is relevant to contemporary sociological theory and that his very language differs little from that of classical and modern sociologists.

*The Emergence of Sociological Theory* Jonathan H. Turner, Leonard Beeghly, Charles H. Powers, 2011-11-29. Now published by SAGE, this scholarly text covers the first one hundred years of sociological theorizing from 1830-1930, focusing primarily on Comte, Spencer, Marx, Weber, Simmel, Durkheim, and Mead. The text provides an in-depth examination of these early sociological theorists with biographical background, analysis of key works, major influences, critical insights, and also answers the question: What do these ideas tell us about the basic forces that shape the social world? Posing this question for each theorist adds a unique perspective to the text and distinguishes it from other sociological theory books. In addition, it also includes material on the enduring models and principles of the theorists' work that continue to inform sociological theory today.

*Liberalism and American Education in the Eighteenth Century* Allen Oscar Hansen, 1926      **The Passionate Society** Lisa Hill, 2006-10-12

Adam Ferguson (1723-1816) was a major figure of the Scottish Enlightenment whose thought was in many respects original and distinctive. This book is a study of his ideas and of the intellectual forces that shaped them. Though somewhat overlooked in the nineteenth century, Ferguson was rescued from obscurity in the first half of the twentieth century by scholars interested in the origins of sociology and early critiques of modernity. Ferguson's interest in the mechanics of social life and especially social change led him to many groundbreaking insights. In fact, he is sometimes identified as the Father of Modern Sociology. In addition to exploring whether or not he merits this title, this study examines the whole of Ferguson's thought as a system and includes his moral and faculty psychology, historiography, theology, politics, and social science. Ferguson is distinguished by his deep appreciation of the complexity of the human condition; his study of society is based on the belief that it is not only reason but the unseen, unplanned, sub-rational, and visceral forces that keep the human universe in motion. Ferguson's appreciation of this fact and his ability to make social science of it is his major achievement.

**The History and Prospects of the Social Sciences**

Harry Elmer Barnes,1925      **Development of Social Theory** James Pendleton Lichtenberger,1923      *A History of Political Theories* Charles Edward Merriam,Harry Elmer Barnes,1924      Index-catalogue of the Library of the Surgeon-General's Office, United States Army National Library of Medicine (U.S.),1931      **Index-catalogue of the Library of the Surgeon General's Office, United States Army** Army Medical Library (U.S.),Library of the Surgeon-General's Office (U.S.),1918      **Adam Smith and Modernity** Alberto Burgio,2023-03-20 This volume features 19 original chapters on Adam Smith s conception of modernity The contributions demonstrate the relevance of Smith as the great interpreter of modernity 250 years after the publication of *The Wealth of Nations* The chapters in Part 1 focus on structural aspects of Smith s work They cover topics such as Smith as the theorist of a spontaneous order the systematic dimension of Smith s theoretical construction and Smith s role as a historian of economic thought Part 2 addresses Smith s conception of modern subjectivity between *Lectures on Rhetoric and Belles Lettres* *Theory of Moral Sentiments* and *Wealth of Nations* Here the contributors consider the figure of the Smithian merchant and the importance of ridicule and satire for understanding modern civility and comment on the role of sympathy imagination and moral judgement in developing a sense of self the condition of the modern man in society and the virtue of self command Part 3 focuses on the crucial question of the relationship between ethics and economics discussing the link between efficiency equity and justice the nature of Smith s theory of value and the ethical connotation of Smith s critique Part 4 deals with topics inherent to the functional dynamics and development process of the Smithian commercial society These topics include law and authority the relationship between work and freedom the parable of the poor man s son and the economic and political consequences of the new secular orthodoxy Finally the chapters in Part 5 explore themes related to history and the Smithian idea of progress They focus on the link between trade and progress of civilization Smith s modern sociological vision of mass commercial societies Smith s judgement on savage and premodern societies and the controversial question of the immanentistic or providentialist perspective from which Smith considers both the social dynamics and the historical process *Adam Smith and Modernity* will appeal to scholars and advanced students on 18th century philosophy the history of economic thought and the history of social and political philosophy      Fabricating the People Thomas J. Catlaw,2007-08-19 What is at the root of current antigovernment sentiment Some see it primarily in moral terms others emphasize government s performance failures and managerial inefficiency This work demonstrates that the crisis of government originates in the uncritical manner in which we have accepted the idea of the People      **Papers and Proceedings** American Sociological Society. Annual Meeting,1927 Index to the Sociological papers and reports of the American Sociological Society 1906 1930 v 25 p 226 258      **The Genesis of the World War** Harry Elmer Barnes,1926      **Publication of the American Sociological Society** American Sociological Association,1929 List of members in v 1 5 25 28 supplemental list in v 26 27      **Publication** American Sociological Society,1927      Through the Global Lens Michael Strada,2021-04-14 *Through the Global Lens* uses a global

perspective to analyze human affairs This text looks at each of the six social sciences sociology anthropology political science economics psychology and geography and uses case studies feature film analyses maps and photos to highlight important historical events and concepts throughout

**Social Theory, Sport, Leisure** Ken Roberts, 2016-03-30 Ken Roberts Social Theory Sport and Leisure offers a clear compact primer in social theory for students needing to engage with the application of sociological perspectives to the study of sport and leisure Written in a straightforward style and assuming no prior knowledge the book offers a fresh and easy to read overview of sociology s contribution to sport and leisure studies Ordered chronologically each chapter Focuses on the work of a major social theorist and their most influential ideas Provides helpful historical and biographical detail to set the person and their thinking in contemporary context Identifies questions in sport and leisure on which the theory can shed useful light Considers how the ideas can be or have been applied in the study of sport and leisure Works as a self contained unit enabling students and lecturers to use the book flexibly according to their needs Written by an outstanding sociologist of leisure and sport this intelligent yet jargon free textbook enables students to get to grips with a wide range of important concepts and understand their diverse applications As such it is essential reading for any course designed to explore the place and meaning of sport and leisure in society

**Politics & Power** Warren Kidd, Karen Legge, Philippe Harari, 2017-09-16 Political organizations govern the way we live and have the power to make decisions on behalf of entire societies But what political issues are important to our study of sociology and why Do we really need to understand politics in order to fully understand society And can individuals in society affect political change This student focused book gives readers a clear introduction to the key ideas themes and debates in political sociology Combining accessible explanations with critical analysis the book explores the ideas of classical and contemporary sociologists It maps out how they have been developed reinterpreted and evaluated in response to changes in society In particular the text also Defines explores and assesses what is meant by power Assesses the modern political landscape of UK society and the ideologies of different political parties Looks at voting patterns in the UK and asks what this tells us about society Explores issues of globalization and nationalization and how they have shaped modern day societies As part of the Skills Based Sociology series Politics and Power is filled with a variety of tasks activities and exam practice questions that encourage students to take an active role in their learning Promoting critical thinking skills alongside development of knowledge this book is the perfect starting point for students learning about power and politics in society

*The Scottish Enlightenment and Hegel's Account of 'Civil Society'* N. Waszek, 2012-12-06 The present study which investigates the influence of the Scottish Enlightenment on Hegel s account of civil society or *biirgerliche Gesellschaft* is based on my PhD thesis submitted to the University of Cambridge in September 1983 Its publication provides me with a welcome opportunity to acknowledge the help and encouragement I have received over the years from scholars friends and relations At the Ruhr University of Bochum where I began my studies I am indebted to Professor Otto Poggeler Director of the Hegel Archives to the other past and

present members of staff at the Hegel Archives and to Professors Jiirgen Gebhardt Jiirgen von Kempster Heinz Kimmerle and Leo Kofler It was my time at Bochum under the guidance of these scholars that kindled my love for the study of Hegel which proved to be a lasting romance In Scotland where I continued my studies and spent two fruitful and happy years I am indebted to George Elder Davie and Richard Gunn who first introduced me to the Scottish Enlightenment and to Professors R H Campbell and T D Campbell who supervised my research in that field At Cambridge where most of this study was prepared my greatest debt is to Duncan Forbes I am grateful for his supervision of my research but also beyond the scope of my research for what I have learned genuinely learned from the man
