Sins Of Our Fathers The Roots Of Conflict In Northern Ireland:

The Sins of Our Fathers Owen Dudley Edwards, 1970 **The Routledge Handbook of the Northern Ireland Conflict and Peace** Laura McAtackney, Máirtín Ó Catháin, 2023-11-13

The Routledge Handbook of the Northern Ireland Conflict and Peace is the first multi authored volume to specifically address the many facets of the 30 year Northern Ireland conflict colloquially known as the Troubles and its subsequent peace process This volume is rooted in opening space to address controversial subjects answer key questions and move beyond reductive analysis that reproduces a simplistic two community theses The temporal span of individual chapters can reach back to the formation of the state of Northern Ireland with many starting in the late 1960s to include a range of individuals collectives organisations understandings and events at least up to the Good Friday Belfast Agreement in 1998 This volume has forefronted creative approaches in understanding conflict and allows for analysis and reflection on conflict and peace to continue through to the present day With an extensive introduction preface and 45 individual chapters this volume represents an ambitious expansive interdisciplinary engagement with the North of Ireland through society conflict and peace from a wide range of disciplinary perspectives theoretical frameworks and methodological approaches While allowing for rich historical explorations of high level politics rooted in state documents and archives this volume also allows for the intermingling of different sources that highlight the role of personal papers memory space materials and experience in understanding the complexities of both Northern Ireland as a people place and political entity

Northern Ireland and the Politics of Reconciliation Dermot Keogh, Michael H. Haltzel, 1993 This collection adds to the extensive literature on Northern Ireland and Ireland by bringing together the leading academic and political figures working in the field and offering a comprehensive multidisciplinary overview of the historical process The topics discussed include the remote and proximate causes of the conflict fresh developments within the two states on the island the role of the Roman Catholic Church the rise of the ecumenical movement and the impact of the 1985 Anglo Irish Agreement on the triangular relationship between Dublin Belfast and London The volume concludes with an evaluation of likely impact of membership of the European Community on the conflict in Northern Ireland The contributors to this book do not offer any easy solutions but provide a context in which the problem may be better understood by the international scholarly community and by the interested general reader

Northern Ireland Rona M. Fields, 2020-03-09 The troubles in Ireland are not new They have taken a heavy toll in lives and perhaps more importantly in psychological health This book is not concerned with events in themselves although it includes historical analysis of the conflict in Northern Ireland It does attempt to discover the human effects of long term conflicts such as those occurring in Ireland From testing and interviews with the children women and men of Northern Ireland beginning in 1969 the author has developed a case study of the long term effects of stress on a population She identifies certain social control mechanisms that produce a mixture of chaos and docility in the troubled North and argues that England has established these in order to destroy the

identity of the people a process she calls psychological genocide Northern Ireland Society Under Siege applies social psychological theory to a concrete and ongoing situation in a way that is illuminating for the general reader and for the specialist Dr Fields has done what might appear obvious find out the effects of stress on a population by going to that population and observing what their lives are like The remarkable fact is however that until now no one has done so a wide ranging and perceptive book A significant thrust and contribution of this book is Fields discussion of psychological and social control procedures and practices Fields report is a challenge to humanity and an indictment of English patricianism racism and imperialism Alfred McClung Lee Dr Rona Field is a brave and deeply compassionate human being a committed researcher who cannot be intimidated by gunmen English soldiers bigots ferocious politicians or the horrors of confronting human suffering in dreadful forms This valiant woman deserves international praise and recognition for the unflinching study of a tragic society Dennis Clark National Catholic Reporter [Interpreting Northern Ireland](#) John Whyte,1991-10-03

Relative to its size Northern Ireland is possibly the most heavily researched area on earth hundreds of books and thousands of articles have been published since the current troubles began in the mid 1960s John Whyte had been studying Northern Ireland since the mid 1960s In [Interpreting Northern Ireland](#) he provides a badly needed guide to the mass of literature and comment In Part I he surveys the research on the nature and extent of the community divide examining in turn the religious economic political and psychological aspects of the issue In Part II he discusses ideological interpretations of the Northern Ireland problem from unionist and nationalist to Marxist In the final section of the book he surveys the various solutions that have been proposed and looks critically at what the mass of research has achieved He suggests that if it has not achieved more it may be because it has sometimes asked the wrong questions **The Uncivil Wars** Padraig O'Malley,1997-02-28

The Uncivil Wars first published in 1983 continues to stand as the most thorough and balanced account of the troubles in Northern Ireland available This new edition covers recent developments including the prospects for peace *A New History of Ireland Volume VII* J. R. Hill,2003-12-04 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume VII covers a period of major significance in Ireland's history It outlines the division of Ireland and the eventual establishment of the Irish Republic It provides comprehensive coverage of political developments north and south as well as offering chapters on the economy literature in English and Irish the Irish language the visual arts emigration and immigration and the history of women The contributors to this volume all specialists in their field provide the most comprehensive treatment of these developments of any single volume survey of twentieth century Ireland **The Gun in Politics** J. Bowyer Bell,2017-07-12

Irish history sounds a long litany of grievance and vengeance lost battles escaped earls and institutionalized injustice The gun certainly in this century has played a prominent part In **The Gun in Politics** J Bowyer Bell presents the story of one

Ireland the Ireland of the Troubles and about an approach to understanding political violence In particular he examines the Irish Republic Army the longest enduring unsuccessful revolutionary organization He describes the covert world of gunmen and the great game they play in the street His is a lively telling account of sophisticated weapons transfer of the impact of civil war on society and of appropriate democratic responses to terrorism Bell's association with active Republicans his endless tea seminars at the United Irishman drinks at Hennessy's and constant conversation throughout Ireland on political matters over a period of twenty years has provided the author with unique background for this guide to a fascinating though brutal undercurrent of Irish history

Nordirland in Geschichte und Gegenwart Jürgen Elvert, 1994 ein ausserordentlich gelungenes Kompendium zur Geschichte Nordirlands vom 16 Jh bis zur Gegenwart Dem sorgfältig redigierten mit einer sehr nützlichen Auswahlbibliographie sowie einem Personen und Ortsregister versehenen Band ist der Charakter eines umfassenden Standardwerkes zu attestieren Es eignet sich sowohl zur schnellen und zuverlässigen Information über historische Abläufe und Zusammenhänge als auch zur vertiefenden Einarbeitung in die verschiedenen Aspekte des komplexen Nordirlandproblems Zeitschrift für Geschichtswissenschaft ein Nachschlagewerk das über die Geschichte und Gegenwart der Provinz über politische Hintergründe und soziale Verhältnisse umfassend und kompetent informiert Historische Zeitschrift Aus dem Inhalt Teil 1 Die historische Entwicklung mit Beiträgen von Hiram Morgan Belfast John McCavitt Belfast Tony Canavan Belfast Brian Girvin Cork Peter Collins Belfast Michael T Foy Belfast Jürgen Elvert Kiel Teil 2 Nordirland mit Beiträgen von Andreas Helle Frankfurt Main Brian Barton Belfast Sabine Wichert Belfast David W Harkness Belfast Arthur Aughey Jordanstown Dietmar Herz Karlsruhe Patrick J Roche Belfast Duncan Morrow Jordanstown Helge Berlinke Kiel Teil 3 Der Konflikt mit Beiträgen von Arthur Aughey Jordanstown Steve Bruce Aberdeen Henry Patterson Jordanstown Duncan Morrow Jordanstown Brian Lennon S J Portadown David E Butler Coleraine Gottfried Schroder Kiel Bernd Grossheim Kiel Ulrich Kockel Liverpool Roland Sturm Tübingen Klaas Hartmann Christopher Schumacher Kiel

The Cambridge History of Ireland: Volume 4, 1880 to the Present Thomas Bartlett, 2018-02-28 This final volume in the Cambridge History of Ireland covers the period from the 1880s to the present Based on the most recent and innovative scholarship and research the many contributions from experts in their field offer detailed and fresh perspectives on key areas of Irish social economic religious political demographic institutional and cultural history By situating the Irish story or stories as for much of these decades two Irelands are in play in a variety of contexts Irish and Anglo Irish but also European Atlantic and latterly global The result is an insightful interpretation on the emergence and development of Ireland during these often turbulent decades Copiously illustrated with special features on images of the Troubles and on Irish art and sculpture in the twentieth century this volume will undoubtedly be hailed as a landmark publication by the most recent generation of historians of Ireland

Northern Ireland and Beyond E. Biagini, 2013-03-09 Northern Ireland's problems are rooted in physical and historical geography small resource base peripheral location violent conquest repression and ruthless emargination of the

native population by the Protestant settlers At the time of partition many areas already had a Catholic majority and the Catholic population is increasing faster thereby undermining the Protestant position Britain gains no advantage by keeping Northern Ireland Nevertheless this solution is not going to be cheap not merely because of opposition by Protestant loyalists but also because of the economic weakness of both Irelands Unlike other books on the subject this one goes to the heart of the matter Britain would be serving her own interest by easing reunification of Ireland albeit gradually and cautiously In this perspective the conclusion is that history is inexorably moving beyond Northern Ireland Audience European Community administrators and planners diplomats politicians students in Political Science Economics History and Geography

Who Was Responsible for the Troubles? Liam Kennedy, 2020-09-23 The Troubles claimed the lives of almost four thousand people in Northern Ireland most of them civilians forty five thousand were injured in bombings and shootings Relative to population size this was the most intense conflict experienced in Western Europe since the end of the Second World War The central question posed in this book is fundamental yet it is one that has rarely been asked Who was primarily responsible for the prosecution of the Troubles and their attendant toll of the dead the injured and the emotionally traumatized Liam Kennedy who lived in Belfast throughout most of the conflict was long afraid to raise the question and its implications After years of reflection and research on the matter he has brought together elements of history politics sociology and social psychology to identify the collective actors who drove the conflict onwards for more than three decades from the days of the civil rights movement in the late 1960s to the signing of the Good Friday Agreement in 1998 The Troubles in Northern Ireland are a world class problem in miniature The combustible mix of national ethnic and sectarian passions that went into the making of the conflict has its parallels today in other parts of the world *Who Was Responsible for the Troubles* is an original and controversial work that captures the terror and the pain but also the hope of life and the pursuit of happiness in a deeply divided society

The Irish Triangle Roger H. Hull, 2015-03-08 The strife that has been raging in Ulster for centuries has left many observers wondering whether there is any solution to this complex and emotion charged problem Roger Hull believes that one can be found and in an objective manner explores the issues involved in an effort to reveal a possible settlement and to provide guidelines for preventing similar conflicts Originally published in 1976 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Northern Ireland United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Europe, 1972

Northern Ireland United States. Congress. House. Foreign Affairs, 1972

Small Differences Donald Harman Akenson, 1988 Argues that there are fundamental social and economic similarities between the two groups but that

taboos against intermarriage segregated schools and the nature of Protestant and Catholic religious beliefs keep the Irish at loggerheads

The Secret Army J. Bowyer Bell, 2017-07-12 The Secret Army is the definitive work on the Irish Republican Army It is an absorbing account of a movement that has had a profound effect on the shaping of the modern Irish state The secret army in the service of the invisible Republic has had a powerful effect on Irish events over the past twenty five years These hidden corridors of power interest Bell and inspired him to spend more time with the IRA than many volunteers spend in it This book is the culmination of twenty five years of work and tens of thousands of hours of interviews Bell s unique access to the leadership of the republican movement and his contacts with all involved British politicians Irish politicians policemen arms smugglers and others committed or opposed to the IRA explain why The Secret Army is the book on the subject This edition represents a complete revision and includes vast quantities of new information Bell s book gives us vital insight into our times as well as Irish history This edition of The Secret Army contains six new chapters that bring the history of this clandestine organization up to date They are The First Decade The Nature of the Long War 1979 1980 Unconventional Conflict The Hunger Strikes January 1980 October 3 1981 The Protracted Struggle September 1981 January 1984 War Politics and the Split January 1984 December 1986 The Troubles as Institution 1987 1990 and The Armed Struggle Transformed 1991 1996 The End Game In his new introduction Bell reflects on his decades of research the experiences he has had and the people he has met during his extensive visits to Ireland *Education and Enmity (Routledge Revivals)*

Donald Akenson, 2013-04-03 First published in 1973 Professor Akenson s book traces the series of religious and political controversies which have battered the state schools of Northern Ireland After the government s admirably intentioned but muddled attempt to create a non sectarian school system in the early 1920s the educational system was progressively manipulated by sectarianism The way in which the author describes how children are schooled reveals a great deal about the attitudes and values of the parental generation and also helps to explain the actions of later generations

The Making of Modern Irish History D. George Boyce, Alan O'Day, 2006-09-07 This volume brings together distinguished historians of Ireland each of whom tackles a key question issue or event in Irish history since the eighteenth century and examines its historiography assesses the context of new interpretations considers the strengths and weaknesses of revisionist ideas offers their own interpretation Topics covered are not only of historical interest but in the context of recent revisionist debates of contemporary political significance These original contributions take account of new evidence and perspectives as well as up to date historical methodology Their combination of synthesis and analysis represent a valuable guide to the present state of the writing of modern Irish history

The Second Coming of Paisley Richard Lawrence Jordan, 2013-04-04 The Second Coming of Paisley is the first book to examine the relationship between the Reverend Ian Paisley and leaders of the militant wing of evangelical fundamentalism in the United States in the period immediately preceding the outbreak of the Northern Ireland Troubles in the late 1960s Jordan convincingly demonstrates that it was exposure to the ideas and principles of

leaders of the Christian right such as Carl McIntire and Billy James Hargis that enabled Paisley to develop a militant brand of politicized religious fundamentalism that he used successfully to block the advance of civil rights for Northern Ireland's Catholic population. This cross fertilization happened not in a historical vacuum but in the context of several centuries of interaction and exchange between Ulster and North America. Drawing upon extensive archival research, Jordan provides a full background analysis and establishes a framework for understanding the extraordinary force with which Reverend Paisley used a religious culture imported from the United States to affect a radical shake up of religion and politics in Northern Ireland. Shedding new light on the influence of evangelical fundamentalism, *The Second Coming of Paisley* will be indispensable for scholars interested in the influence of religion on politics.
