Guardian Angel Dr. Arnold Spero Bisase, 2012-10-19 Guardian Angel the Book is like an Odyssey a journey that questions and challenges the ethos of man through the ages especially in East Africa irrespective of time site or circumstance The author has consistently refused to veer from this contention however unpalatable some of the home truths that surfaces along the way for this is not a fictional novel but the living experiences of a suffering people through time Many of the characters he faced in his battle for survival were men that had no good reason to stray from the honourable path to Independence and the true freedoms of their people The Manifestos were believable and opportunities to implement them in their entirety were not denied them They even enjoyed hero status as they were the first they were the undisputed bearers of the flags of freedom But sadly they and they alone must chose to betray this goodwill they and they alone must have succumbed to the ills of power Guardian Angel The Book so aptly lays bare their hypocrisy and betrayal while confirming the bounteous beauty of life **Ebyobuwangwa y'emmunyeenye y'e ggwanga** Kirwana Ssozi, 2005 On the Ganda language and its impact on the Baganda cultural values and traditions **Africa's Turmoil, Miseries and Poverty** Mica Kiribedda, 2011-07-05 The time of the truth has finally come for one cannot suppress the truth forever It is about the unspoken implications of Africa's totalitarian regimes under the umbrella of colonial imperialists with their wicked stooge leaders with insatiable appetite for power rage to crush people's freedom now as it has ever been Those who dare resist Colonial oppression they paid the price People all over have endured relentless brutality conspired by wicked politicians whose occupations and purpose is to misuse power to justify their lust for vengeance Nobody can escape their wrath as the seed of treachery and political contamination of mind and soul was apparent from day one Africa was invaded by the West Resisting imperialism could be incredibly painful devastating and catastrophic and could wreak lives today as it has ever been Patrice Lumumba the first Prime Minister of Zaire was first victim of resisting fascism and his penalty was death in 1961 Steve Biko the NAC leader of S Africa paid ultimate price for fighting apartheid while N Mandela and Mzee Kenyatta of Kenya escaped narrowly with detention Kings Mwanga and Mutesa of Buganda and Dr Kwame Nkruma of Ghana also paid ultimate price for resisting fascism of the Colonial Imperialism Patrons, Clients, and Empire Colin Newbury, 2003-01-02 Patrons Clients and Empire challenges the stereotypes of despotic imperial power in Asian African and Pacific colonies by analysing the relationship between rulers and ruled on both sides of the imperial equation It seeks an answer to the question how were European officials able to govern so many societies for so long Rejecting the usual explanations of collaboration and indirect rule this study looks to pre imperial structures in the indigenous hierarchies which supplied patrimonial models of chieftaincy for territorial government For nawabs chiefs emirs sultans and their officials and followers there were dynastic and economic advantages in accepting the terms of European over rule as well as the threat of deposition For European

officials few in numbers and with limited military and financial resources there were ready made systems of local government that could be co opted reformed or left relatively untouched Both sides played politics as patrons and clients within a dual system of administration based on a mixture of force and self interest Surveying a wide variety of cases and employing a patron client model this study embraces pre colonial colonial and post colonial politics in new states It covers the chronology of early European dependency on local rulers the reasons for reversal of status among chiefs and administrators the longer period of political bargaining over access to local resources in terms of land labour and taxes and the ultimate fate of indigenous rulers in the period of party politics leading to independence
