Siren Songs & Classical Illusions Jascha Frederick Kessler, 1992 This first trade paperback edition of the critically acclaimed 1986 hardcover *Classical Illusions* has been expanded with the addition of 22 new short stories *Siren Songs* A master satirist Kessler writes with devastating precision on the ironies of contemporary life transposing ancient stereotypes into modern settings and holding modern mores up to the test of time

Our Bearings at Sea Ottó Orbán, 2001 OUR BEARINGS AT SEA A NOVEL IN POEMS by Ott Orb n translated from the Hungarian by Jascha Kessler with Maria Kr sy is in purpose and effect an autobiography written in prose poems divided into thematic groups Altogether and upon reflection it seems a montage and mosaic of the life of the poet from childhood on remembered from the Siege of Budapest by the Soviet armies towards the last year of World War II up through the various regimes until 1988 or so It is both surreally grotesque and warm sardonic on the madness of erotic life and politics during the horrible decades that this Central European country suffered Family friends lovers politics history and social commentary all at once

Collected Poems Jascha Frederick Kessler, 1999-09 The poems in this book have appeared in many magazines here and abroad ever since Jascha Kessler's first recognition a Major Award in Poetry for a manuscript entered in the Hopwood Contest at the University of Michigan in 1952 Three volumes have been gathered here in the order in which they were first published The reader may find that there is clear change and progression in both content and style and voice Book jacket

Essays Jascha Kessler, 2018-04-21 An essay is an exercise in communicating the essence of argumentation at best a presentation of whatever seems worth consideration either today or might be tomorrow Occasions set down in words are arbitrary precarious at best haphazard They are brought forward by impulses from the world outside and beyond the personal caught in flight by the circumstances and vicissitudes of a life Between the person described in the first of these varied prosings and the last offered between the what I thought I was and the who I may have been seventy five years have passed Whether deserving of another person's attention is not a judgment for this writer to make Michel de Montaigne offers no better justification or excuse than to say he was concerned to study himself His genius was not only fine but bold What he wrote of himself in his world and what he took from great ancient writers is superlative in its objective

modest egoism and wisdom As a casual essayist I expect not the least comparison with that admirable and freest of men All I can hope for is that whatever my reader may find worth the time passed with this volume offers as much diversion and entertainment as perhaps did my verse fiction and drama published during those same past years **Imagining the**
