The four volumes cover the following periods: The War of Independence and Antebellum Expansion and Reform 1763-1861; The Civil War, Reconstruction and the Industrialization of America 1861-1900; The Emergence of Modern America, World War I and the Great Depression 1900-1940; and Wartime, Postwar and Contemporary America 1940-Present. Each volume includes a selection of primary documents, a timeline of important events during the period, images illustrating the text, and extensive bibliography of further information resources, both print and electronic, and a detailed subject index.

Four Wheels and a Board Betsy Gordon, Jane Rogers, 2022-11-01. A bold look at the creative, controversial and vibrant history of skateboarding and the amazing skaters who continually reinvent it. Skateboarding isn't just a recreational activity but a professional sport, lifestyle, art form and cultural phenomenon. The striking book *Four Wheels and a Board* captures its spirited history, iconic skateboarders, diverse community and the palpable passion of the people who love it. It includes contributions from the most influential names in the game, including Rodney Mullen, Tony Hawk, Mimi Knoop and more. The gorgeously designed book presents objects, artifacts and photographs from the Smithsonian's collections that exemplify the vitality and innovation of skate culture. Book chapters are organized chronologically by decade from the 60s to present day, starting with 20th-century surfboards, moving through technological changes, the disappearance of skate parks, the rise of social media and collaborations, and ending with never-before-seen objects from the 2020 Summer Olympics where skateboarding made its historic Olympic debut. Largely invented by youth, skateboarding has attracted punks, misfits and dreamers looking for somewhere to belong. The book features skateboards and skaters who open dialogues about race, the gender binary, queerness, the displacement of Native people and so much more, shining a light on people and places not often represented in traditional skateboard history. *Four Wheels and a Board* is a fresh look at a transformative culture and one hell of a ride.

Wood & Wood Products, 1988. 2005 Online Shopping Directory For Dummies Barbara Kasser, Frank Fiore, 2004-10-08. People used to go window shopping; now they go Windows shopping. Online shopping can save you time and money IF you know what you're doing. That's where 2005 Online Shopping Directory For Dummies comes in. The first part of the book covers buying from online auctions and ads, and let the buyer beware: information reminding you to check out the product or company, check shipping and handling fees, look for secure sites and more. Then comes the fun part: a listing of more than 1,500 selected sites. Get ready to browse literally. This is more than a directory; it's a Cybershopper's dream. Sites are grouped into 21 categories such as apparel, computers and electronics, babies and children, home and garden, health and beauty, food, malls and mega stores, travel and more. Icons that rate each site by price, selection, service, convenience and security. A description of each site that includes the URL, company name, types of merchandise and a paragraph about the e-tailer. 2005 Online Shopping Directory For Dummies was written by Barbara Kasser, author of several books on the Internet and an avid online shopper, and Frank Fiore, author of six eBusiness

books and the Online Shopping Guide for About.com Together they created a terrific reference with Extensively cross referenced indexes so you can find products by company name product name keywords or URL Tips on everything from how to find the best prices to what to do if you have a problem Sites you might never find on your own like giftsongs.com ducttapecreations.com revengeunlimited.com and more You won't find shops like that at the mall Whether you're a bargain hunter a collector of German beer steins a radio controlled airplane enthusiast or just a typical shopper with 2005 Online Shopping Directory For Dummies you'll find what you're looking for plus things you didn't know existed *Street Style in America* Jennifer Grayer Moore, 2017-08-18 A comprehensive resource that will prove invaluable to fashion historians this book presents a detailed exploration of the breadth of visually arresting consumer driven styles that have emerged in America since the 20th century What are the origins of highly specific denim fashions such as bell bottoms skinny jeans and ripped jeans How do mass media and popular culture influence today's street fashion When did American fashion sensibilities shift from conformity as an ideal to youth oriented standards where clothing could boldly express independence and self expression *Street Style in America An Exploration* addresses questions like these and many others related to the historical and sociocultural context of street style supplying both A-Z entries that document specific American street styles and illustrations with accompanying commentary This book provides a detailed analysis of American street and subcultural styles from the earliest example reaching back to the early 20th century to contemporary times It reviews all aspects of dress that were part of a look considering variations over time and connecting these innovations to fashionable dress practices that emerged in the wakes of these sartorial rebellions The text presents detailed examinations of specific dress styles and also interrogates the manifold meanings of dress practices that break from the mainstream This book is a comprehensive resource that will prove invaluable to fashion historians and provide fascinating reading for students and general audiences
