Social Control And The Law In Poland:

Social Control and the Law in Poland Jerzy Kwaśniewski, Margaret Watson, 1991 This collection aims to present a coherent picture of the recent history and role of Polish criminal law in its political and social context Official policies affecting crucial areas of social life are examined and the authors discuss the question of state control and people's attitudes to it

Social Security Law in Poland Andrzej Marian Świątkowski, 2022-06-20 Derived from the renowned multi volume International Encyclopaedia of Laws this book describes the social security regime in Poland It conveys a clear working knowledge of the legal mechanics affecting health care employment injuries and occupational diseases incapacity to work pensions survivors benefits unemployment benefits and services and family benefits The analysis covers the field of application conditions for entitlement calculation of benefits financing the institutional framework and relevant law enforcement and controls Allowances for retirees employees public sector workers the self employed and the handicapped are all clearly explained along with full details of claims adjudication procedures and appeals Succinct yet eminently practical the book will be a valuable resource for lawyers handling social security matters in Poland It will be of practical utility to those both in public service and private practice called on to develop and to apply social security law and policy and of special interest as a contribution to the comparative study of social security systems

Criminality and Criminal Justice in Contemporary Poland Konrad Buczkowski, Beata Czarnecka-Działuk, Witold Klaus, Anna Kossowska, Irena Rzeplińska, Dagmara Woźniakowska-Fajst, Dobrochna Wójcik, 2016-03-09 Criminality has accompanied social life from the outset It has appeared at every stage of the development of every community regardless of organisation form of government or period in history This work presents the views of criminologists from Central Europe on the phenomenon of criminality as a component of social and political reality Despite the far advanced homogenisation of culture and the coming together of the countries that make up the European Union criminality is not easily captured by statistics and simple comparisons There can be huge variation not only on crime reporting systems and information on convicts but also on definitions of the same crimes and their formulations in the criminal codes of the individual European countries This book fills a gap in the English language criminological literature on the causes and determinants of criminality in Central Europe Poland as the largest country in the region whose political post war path has been similar to the other countries in this part of Europe is subject to an exhaustive and original look at criminality as part of the political and social reality The authors offer a contribution to the debate in the social and criminal policy of the state over the problems of criminality and how to control it

Social Security Law in Poland Andrzej Marian Świątkowski, 2018-06-29 Derived from the renowned multi volume International Encyclopaedia of Laws this book describes the social security regime in Poland It conveys a clear working knowledge of the legal mechanics affecting health care employment injuries and occupational diseases incapacity to work pensions survivors benefits unemployment benefits and services and family benefits The analysis covers the field of application conditions for entitlement calculation of

benefits financing the institutional framework and relevant law enforcement and controls Allowances for retirees employees public sector workers the self employed and the handicapped are all clearly explained along with full details of claims adjudication procedures and appeals Succinct yet eminently practical the book will be a valuable resource for lawyers handling social security matters in Poland It will be of practical utility to those both in public service and private practice called on to develop and to apply social security law and policy and of special interest as a contribution to the comparative study of social security systems *Effective Environmental Regulation* David P. Angel, Halina Szejnwald Brown, Patrick G. Derr, 2000-07-30 Challenging views prevalent among Western and Polish scholars this book explains Poland's surprising success in developing effective environmental and occupational regulatory systems while achieving remarkable socioeconomic growth despite the toxic legacy of the Communist era It offers rich insights into the questions of how one can achieve both economic growth and improved environmental and safety protection and of the extent to which regulatory systems can be transferred across national and cultural boundaries The authors develop a theoretical framework for assessing regulatory success then use it to analyze Poland's recent experience Grounded in five case studies of recently privatized firms the analysis also presents a new survey of privately owned firms extensive policy and data analysis and interviews with key policy leaders entrepreneurs and intellectuals The book points to case specific decision making and information richness as key dimensions of an effective regulatory system and considers in depth the extent to which information richness is culturally dependent and hence its portability as a policy tool Addressing regulatory issues that are specific to both the United States and the international development community the book makes a significant contribution to advancing the theoretical and conceptual frameworks used to explain the success or lack of success of regulatory systems

From Old Times to New Europe Agata Fijalkowski, 2016-04-22 From Old Times to New Europe considers the post totalitarian legal framework in today's Europe arguing that the study of totalitarianism and post totalitarianism continues to be significant as ever Drawing mainly on the Polish experience this analysis focuses on the significant part played by history in the development of the region's identity and preferences concerning the role of the state in public and private life It examines the political socio economic and legal aspects of key events and draws comparisons with other CEE states whilst implementing key socio legal theories to explain trends and strains in this post Communist and post totalitarian period With the benefit of access to archival sources in Poland and Russia this book will be of interest to students and researchers of European law law and society and international criminal justice [Poland Labor Laws and Regulations Handbook: Strategic Information and Basic Laws](#) IBP, Inc., 2014-09-17 Poland Labor Laws and Regulations Handbook Strategic Information and Basic Laws *Political Trials in Poland 1981-1986* Andrzej Swidlicki, 2024-04-01 First published in 1988 Political Trials in Poland 1981-1986 describes the major political trials which took place in Poland between 1981 and 1986 Based on extensive original research using both official and unofficial information from Poland and interviews with Solidarity activists it shows

how the trials constituted an attempt by the Jaruzelski regime to break the back of the independent Solidarity movement by judicial and penal measures It discusses how the authorities abused the law and how the law itself leaves much to be desired and it charts the different human rights that were violated in each case It considers the implications of the abuse of law in this way for the rule of law and the image of the state in communist countries This book will be of interest to students of history and political science

Legal Protection of Vulnerable Groups in Lithuania, Latvia, Estonia and Poland Agnė Limantė, Dovilė Pūraitė-Andrikienė, 2022-08-27 This book analyses the current legal situation and protection of vulnerable groups in Lithuania Latvia Estonia and Poland In recent decades national legislation in many European states has especially focused on vulnerable groups with the aim of securing their enhanced protection and social inclusion This trend is also noticeable in North Eastern Europe where the legal frameworks are constantly being revised to address the needs of vulnerable parts of society including women children the elderly people with disabilities and minorities as well as prisoners and victims of crime But despite these positive changes many challenges persist In this book the authors provide a comprehensive comparative analysis of legal regulations and practices intended to protect vulnerable groups in Lithuania Latvia Estonia and Poland and in the process share insights into the current situation and trends in this often overlooked region Part I introduces readers to the topic by defining the concept of vulnerable groups and elaborating on its understanding in the European and national contexts Part II analyses the legal protection of groups characterised by inherent and or circumstantial vulnerability while Part III addresses specific crime related vulnerability issues in the target region In closing Part IV puts the spotlight on three specific vulnerable groups in the discussed countries

Social Media and Law Enforcement Practice in Poland Paweł Waszkiewicz, 2024-05-27 This book explores the role of social media in the daily practice of Polish criminal justice and how social media is in turn reshaping this practice Based on empirical research it confronts common beliefs about how police officers prosecutors and judges use social media in their work Readers will find answers to the following questions Which social media platforms are popular among law enforcement officers in Poland How do the police use social media to investigate and prosecute crimes What are the strategies for using social media to communicate with the community What strategies are most successful The findings in this book challenge some popular beliefs and theories about social media in criminal justice As the first book to explore the use of social media in criminal justice outside of English speaking countries this collection of academic research will be of interest to academics focusing on criminology criminal justice and policing and will be useful to police leaders and officers police social media administrators prosecutors and judges who may be inspired by the research to implement new successful and more effective practices

Social and Political History of the Jews in Poland 1919-1939 Joseph Marcus, 2011-10-18 No detailed description available for Social and Political History of the Jews in Poland 1919 1939

The Oxford Handbook of Comparative Environmental Law Emma Lees, Jorge E. Viñuales, 2019 This Handbook brings together the foremost authorities from

around the world to provide the first comprehensive account of comparative environmental law It examines in detail the methodological foundations of the discipline as well as the substance of environmental law across countries

Environmental Politics in Poland Barbara E. Hicks,1996 Michael Bernhard Pennsylvania State University **Public Television in Poland** Agnieszka Węglińska,2021-10-03 This book examines the professional activity of public television journalists in Poland operating in the still unstable system of a post communist state to demonstrate how the media can work in the public interest to strengthen democracy Drawing on in depth interviews with Telewizja Polska TVP journalists the author shows how public television in Poland has become highly politicised and commercialised and must defend against constant attacks on its autonomy She draws parallels with the media systems in Hungary and the Czech Republic to analyse potential legal solutions and to highlight how Poland s journalists are subject to influences from the political class as well as from the market a situation brought about by flawed legislation the absence of a political culture an inefficient internal regulating process and lack of suitable training for the journalists themselves Adding an important perspective on recently developed media systems this book will be an important resource for scholars and students of journalism media studies media industries politics and media history **Corporate Social Responsibility in Poland** Aneta

Długopolska-Mikonowicz,Sylwia Przytuła,Christopher Stehr,2018-12-19 This book examines the development and adoption of corporate social responsibility CSR in Polish businesses and social and environmental organizations and analyzes the corresponding impact at the strategic and operational level in these fields It presents the status quo of CSR in Poland from three main perspectives The first presents theoretical works based on current research and recent advances while the next takes a closer look at empirical findings in the different fields of CSR e g finance reporting law and presents best practices from major international companies operating on the Polish market Lastly it presents a range of case studies from small and medium companies and NGOs in Poland and gives an outlook on the future development Readers will benefit from an in depth discussion of the opportunities and challenges that businesses and organizations in Poland are currently facing with regard to traditional national values and the influx of new cultural and social dimensions and patterns produced by international businesses entering the Polish market Taken together the lessons learned case studies and snapshots of the latest developments provide a comprehensive overview of the state of the art of CSR in Poland as well as a blueprint that can be applied to other Eastern European countries **Global Perspectives in Policing and Law Enforcement** Jospeter M.

Mbuba,2021-05-11 Global Perspectives in Policing and Law Enforcement provides an exposition of policing and law enforcement practices challenges and opportunities in twenty different countries that were carefully selected to represent diverse geographic regions of the world Each chapter presents policing from a different cultural background with diverse historical law enforcement experiences varied social and demographic characteristics and wide ranging approaches to political leadership By examining critical data and highlighting cracks within law enforcement across multiple countries the

contributors to this volume have created a framework of policing as it transitions into a modern outfit Divided into parts the book focuses on a large sample of countries from Africa Europe Asia and Latin and Central America North America and the Caribbean as well as Australia and New Zealand Such a broad coverage makes this book a critical reference point for those interested in criminal justice criminology political science anthropology and many others East Europe (Albania, Bulgaria, Czechoslovakia, East Germany, Hungary, Poland, Rumania, Yugoslavia) ,1964 **East European Accessions Index ,1956**

Labour Law and Social Protection in a Globalized World Jan Pichrt, Kristina Koldinská, 2018-09-07 The protection of jobs and labour law standards achieved by employees in the past has been under pressure from neoliberalization forces for many years The focused perspectives evident in this original collection of essays go a long way toward clearly defining where labour law and social security law must set their sights in order to preserve fair and productive employer employee relations in the new world of work Distinguished researchers study the changing realities confronting the labour market in public policy as well as in industrial relations Issues and topics include the following integration of immigrants into industrial relations the social situation of migrant workers new phenomena brought by the digital age temporary agency work harmonizing family and working lives sport and labour law the role of European Works Councils and social and labour reforms Throughout this book the contributors emphasize the changing role of the state and reform agendas Although the central focus is on Europe there is an abundance of comparative detail allowing for global application As a matchless up to date overview and analysis of how new and emerging forms of employment and industrial relations impact employee security this book will be warmly welcomed by practitioners academics and policymakers concerned with ensuring the persistence of fair and viable standards in labour and social security law Poland After Solidarity Bronislaw Misztal, 1985-01-01 The unexpected emergence of the Solidarity movement in Poland has focused Western attention on conflicts within socialist states The rapid truncation of Solidarity and the rise of a new image of the state as a militarized relatively autonomous repressive apparatus has left several theoretical questions unresolved and raised some new ones This volume draws from historical and political accounts of the events that haunted Poland between 1980 and 1984 providing a complex sociological explanation of the major processes that occur within the state society sphere of relationships In part one the authors examine the conflict between social movements and the state in Poland the history of Solidarity the nature of the political conflict between Solidarity and the Communist state the institutionalization of the means of control by the party over society the functioning of civil society and the mediating role of the Catholic Church In part two the authors treat issues that go beyond Solidarity the scope of state autonomy legitimacy conflicts within socialist and capitalist states other social movements in Poland and the philosophical symbolism of Solidarity
