Ensure Human Rights Protection In an era where the intersection of law public policy and human rights plays a pivotal role in shaping societies the significance of transparency and accountability cannot be overstated ICLAPH 2023 aims to provide a platform for in depth discussions and insights into the critical relationship between transparent and accountable public policy making processes and the safeguarding of human rights

The Emerald Handbook of Crime, Justice and Sustainable Development Jarrett Blaustein, Kate Fitz-Gibbon, Nathan W. Pino, Rob White, 2020-11-18 This volume brings together a diverse collection of essays that critically examine issues relating to crime and justice in the United Nations 2030 Agenda for Sustainable Development Chapters examine the issues that practitioners face in working to advance this agenda and the possibilities that exist to advance sustainable development outcomes

The Cambridge Companion to European Criminal Law Kai Ambos, Peter Rackow, 2023-02-16 European Criminal Law has developed into a complex jagged subject matter which at the same time has become increasingly important for everyday criminal law practice On the one hand this work aims to do comprehensive justice to the complexity of the matter without sacrificing readability In order to achieve this the book s structure enables legal scholars and experienced practitioners to access the information relevant to them in a targeted manner and at the same time enables less oriented readers to gain access to European criminal law Thus the volume both answers basic questions and offers discussion in more specialised areas Written by experts in the field the book offers discussions which are both of the highest academic standards and accessibly readable

The New Criminal Justice Thinking Sharon Dolovich, Alexandra Natapoff, 2018-11-06 A vital collection for reforming criminal justice After five decades of punitive expansion the entire U S criminal justice system mass incarceration the War on Drugs police practices the treatment of juveniles and the mentally ill glaring racial disparity the death penalty and more faces challenging questions What exactly is criminal justice How much of it is a system of law and how much is a collection of situational social practices What roles do the Constitution and the Supreme Court play How do race and gender shape outcomes How does change happen and what changes or adaptations should be pursued The New Criminal Justice Thinking addresses the challenges of this historic moment by asking essential theoretical and practical questions about how the criminal system operates In this thorough and thoughtful volume scholars from across the disciplines of legal theory sociology criminology Critical Race Theory and organizational theory offer crucial insights into how the criminal system works in both theory and practice By engaging both classic issues and new understandings this volume offers a comprehensive framework for thinking about the modern justice system For those interested in criminal law and justice The New Criminal Justice Thinking offers a profound discussion of the complexities of our deeply flawed criminal justice system complexities that neither legal theory nor social science can answer alone
