Wotherspoon, 2016-03-01 Garry Wotherspoon's *Gay Sydney* A History is an updated version of his 1991 classic *City of the Plain* History of a Gay Sub culture written in the midst of the AIDS crisis In this vivid book Wotherspoon traces the shifts that have occurred since then including majority support for marriage equality and anti discrimination legislation He also ponders the parallel evaporation of a distinctly gay sensibility and the disappearance of once packed gay bars that have now become cafes and gyms This book also tells the story of gay Sydney across a century looking at secret underground gay life the never ending debates about sex in society and the role of social movements in the 60 and 70s in effecting social change *Nation, Culture, Text* Graeme Turner, 2002-09-10 *Nation Culture Text* Australian Cultural and Media Studies is the first collection of cultural studies from Australia selected and introduced for an international readership Participating in the de centring of cultural studies considering what perspectives other than the European and the American have to offer the contributors raise important issues about the role of a national tradition of critical theory and about the cultural specificity of theory itself A key theme is the place of the postcolonial nation within contemporary cultural theory particularly those aspects of contemporary theory which see the category of contemporary theory which see the category of the nation as either outdated or suspect The writers tackle subjects ranging from the televising of the Bicentennial to the role of policy in film television and the heritage industry from the use of video technologies with remote Aboriginal communities to the role of ethnography in cultural studies

The Unknown Judith Wright Georgina Arnott, 2016 Judith Wright 1915 2000 remains a giant figure within Australian art culture and politics Her 1946 collection of poetry *The Moving Image* revolutionized Australian poetry She helped to establish the modern Australian environmental movement and was a key player in early campaigns for Aboriginal land rights A friend and confidante of artists writers scholars activists and policy makers she remains an inspiration to many And yet as Georgina Arnott is able to show in this major new work the biographical picture we have had of this renowned poet activist has been very much a partial one This book presents a more human figure than we have previously seen and concentrates on Wright's younger years New material allows us to hear directly thrillingly the feisty voice of a young Judith Wright and forces us to reconsider the woman we thought we knew Thoroughly reader friendly in organization and presentation *The Unknown Judith Wright* is unreservedly recommended for community and academic library Literary Studies collections in general and supplemental studies reading lists in the subject areas of Australian History Art Poetry Gender Studies Literary Criticism and

John Frow, Meaghan Morris, 1993 Cultural studies has emerged as a major force in the analysis of cultural systems and their relation to social power Rather than being interested in television or architecture or pinball machines themselves as industrial or aesthetic structures cultural studies tends to be interested in the way such apparatuses work as points of concentration of social meaning as media literally according to John Frow and Meaghan Morris Here two of Australia's leading cultural critics bring together work that represents a distinctive national tradition moving between high theory and detailed readings of localized cultural practices Ethnographic audience research cultural policy studies popular consumption
