Doing Anti-Oppressive Social Work, 4th ed. Donna Baines, Natalie Clark, Bindi Bennett, 2022-11-15T00:00:00Z Doing Anti Oppressive Social Work brings together critical social work authors to passionately engage with pressing social issues and to pose new solutions practices and analysis in the context of growing inequities and the need for reconciliation decolonization and far reaching change The book presents strong intersectional perspectives and practice engaging closely with decolonization re Indigenization resistance and social justice Like the first three editions the 4th edition foregrounds the voices of those less heard in social work academia and to provide cutting edge critical reflection and skills including social work s relationship to the state and social work s responsibility to individuals communities and its own ethics and standards of practice Indigenous Black racialized transgender dis Ability and allied scholars offer identity engaged and intersectional analyses on a wide range of issues facing those working with intersectional cultural humility racism and child welfare poverty and single mothers critical gerontology

and older people and immigrant and racialized families This 4th edition of *Doing Anti Oppressive Social Work* goes well beyond its predecessors updating and revising popular chapters but also problematizing AOP and engaging closely with new and emerging issues *Social Work Theory and Ethics* Dorothee Hölscher, Richard Hugman, Donna McAuliffe, 2023-03-17 This reference work addresses the ideas that shape social work Much of the social work literature addresses questions of theory and ethics separately so that the body of thought that is represented in social work scholarship and research creates a distinction between them However the differences between these categories of thought can be somewhat arbitrary This volume goes beyond this simple separation of categories Although it recognises that questions of theory and ethics may be addressed distinctly the connections between them can be made evident and drawn out by analysing them alongside each other Social work's use and development of theory can be understood in two complementary ways First theory from the social sciences and other disciplines can be applied for social work second considered systematic examinations of practice have enabled theory to be developed out of social work These different approaches are usually referred to as theory for practice and practice theory The advancement of social work theory occurs often through the interplay between these two dimensions through research and scholarship in the field Similarly social work ethics draw on principles and concepts that have their roots in philosophical inquiry and also involve applied analysis in the particular issues with which social workers engage and their practices in doing so In this way social work contributes to wider debates through advancement of its own perspectives and knowledge gained through practice *Social Work Theory and Ethics Ideas in Practice* offers a unique approach by bringing together the complementary dimensions of theory with each other and at the same time with ethical research and scholarship It presents an analysis of the ideas of social work in a way that enables connections between them to be identified and explored This reference is essential reading for social work practitioners researchers policy makers academics and students as well as an invaluable resource for universities research institutes government ministries and departments major non governmental organisations and professional associations of social work *The Routledge Handbook of Critical Pedagogies for Social Work* Christine Morley, Phillip Ablett, Carolyn Noble, Stephen Cowden, 2020-01-20 The Routledge Handbook of Critical Pedagogies for Social Work traverses new territory by providing a cutting edge overview of the work of classic and contemporary theorists in a way that expands their application and utility in social work education and practice thus providing a bridge between critical theory philosophy and social work Each chapter showcases the work of a specific critical educational philosophical and or social theorist including Henry Giroux Michel Foucault Cornelius Castoriadis Herbert Marcuse Paulo Freire bell hooks Joan Tronto Iris Marion Young Karl Marx Antonio Gramsci and many others to elucidate the ways in which their key pedagogic concepts can be applied to specific aspects of social work education and practice The text exhibits a range of research based approaches to educating social work practitioners as agents of social change It provides a robust and much needed alternative paradigm to the technique driven conservative

revolution currently being fostered by neoliberalism in both social work education and practice The volume will be instructive for social work educators who aim to teach for social change by assisting students to develop counter hegemonic practices of resistance and agency and reflecting on the pedagogic role of social work practice more widely The volume holds relevance for both postgraduate and undergraduate qualifying social work and human services courses around the world

Macro Practice in Social Work for the 21st Century Stephen Burghardt, 2010-06-02 This book provides a holistic vision for macro practice in the early 21st century It argues very convincingly that effective macro practice requires a strategic vision grounded in values that integrates personal and community transformation Burghardt provides a compass as well as other tools that macro practitioners can use to make significant social change It promises to be a very useful resource for community and organizational practice in a number of fields Lorraine Gutierrez University of Michigan

Macro Practice in Social Work for the 21st Century Steve Burghardt, 2013-10-18 *Macro Practice in Social Work for the 21st Century* Second Edition offers a modern approach to building effective career skills in macro practice Author Steve Burghardt inspires students by tracing the careers of macro practitioners from grass roots organizers to agency executives By focusing on how practitioners can make meaningful strategic choices regardless of their formal roles and responsibilities this Second Edition takes a refreshing new approach on the key issues of how to respond to diversity and oppression the use of the internet for organization the limits of virtual trust understanding where micro and macro meet in practice and co leadership development

Doing Critical Social Work Sophie Goldingay, 2020-07-25 Critical social work encourages emancipatory personal and social change This text focuses on the challenge of incorporating critical theory into the practice of social workers and provides case studies and insights from a range of fields to illustrate how to work with tensions and challenges Beginning with an outline of the theoretical basis of critical social work and its different perspectives the authors go on to introduce key features of working in this tradition including critical reflection Part II explores critical practices in confronting privilege and promoting social justice in social work examining such issues as human rights gender poverty and class Part III considers the development of critical practices within the organisational context of social work including the fields of mental health child and family services within Centrelink and prison settings Part IV is focused on doing anti discriminatory and anti oppressive practice in social work with particular populations including asylum seekers Aboriginal and Torres Strait Islander peoples domestic violence survivors older people and lesbian gay and transgender groups Finally Part V outlines collectivist and transformative practices in social work and beyond looking at environmental issues social activism the disability movement and globalisation A highly valuable addition to social work education and practice literature in Australia and beyond its shores Ruth Phillips Associate Professor Faculty of Education and Social Work University of Sydney

Social Work and Social Justice Michael Reisch, Charles D. Garvin, 2016-03-10 Social Work and Social Justice transcends discussions of abstract social justice concepts and goals by focusing on how these concepts can be used as guides for socially just

practice at the interpersonal organizational community and societal levels In addition to emphasizing the importance of social justice work through compelling examples case studies and exercises this book vividly illustrates its complexity and discusses how social workers can negotiate the practical and ethical challenges involved Unlike many books on the subject the text integrates diverse and often conflicting approaches to social justice to promote critical thinking and underscore the value of incorporating various perspectives into one's practice Other distinguishing features include its emphasis on the complementary nature of socially just goals and processes its use of well developed case examples often drawn from the authors experience and the authors reflection on the implications of these examples from both micro and macro perspectives along with a discussion of how practitioners with diverse understandings of social justice might interpret the case Social Work and Social Justice is based on the authors extensive teaching and practice experience in a wide variety of fields both in the U S and internationally and on their research on such varied topics as welfare reform mental health social work practice theory social work values and ethics and the history and philosophy of social welfare and social work It is undeniably a must have resource for students and faculty in undergraduate and graduate social work programs as well as practitioners in social work and the human services **The Handbook of Social Work Direct Practice** Paula Allen-Meares, Charles D.

Garvin, 2000 The Handbook of Social Work Direct Practice provides an extraordinarily extensive coverage of all major topics relevant to Clinical Social Work The Contributors to this volume under the leadership of Paula Allen Meares and Charles Garvin guide the reader through discussions about the contexts of social work practice multicultural and diversity issues research as well as assessment and measurement All in all this is the perfect primary text for administration courses in MSW programs BSW programs and doctoral programs Practitioners and professionals in the field will find here all the useful elements a key reference work can provide
