## **Social Geographies Space And Society:**

**Social Geographies** Gill Valentine, 2014-06-06 Most social geography undergraduate textbooks are structured around different social categories splintering the discussion of gender class race and increasingly now sexuality and disability into separate chapters This has the effect firstly of making social relations rather than space the *raison d'être* of human geography the focus of undergraduate books secondly of ignoring the way that social relations are negotiated and contested in different space Rather than reproducing this conventional social geography format the aim of this proposed text is to make space the focus of analysis In doing so the intention is to make complex theoretical debates about space more accessible to students and encourage them to look at their own environments in new ways *Social Geographies* Gill Valentine, 2001

**Social Geographies** Ruth Panelli, 2004-01-31 How do we describe ourselves Where have we do we will we live our lives Why are the differences between people a source of tension How can social change occur Social geography can assist in addressing these questions It provides ways of understanding and living in our contemporary world Providing students with the resources to understand both the theoretical and empirical approaches social geographers take when investigating social difference this text outlines key theoretical approaches and traces the core geographies of difference class gender race ethnicity and sexuality It concludes by showing how geographers work across these ideas of difference to understand questions of identity power and action Using illustrative examples from around the world *Social Geographies* includes Individual chapters on the main theoretical approaches to difference Individual chapters on the key concepts of identity power and action Reviews of the core literature with suggestions for further reading Biographies of key contemporary social geographers Glossary of key terms For students beginning human geography courses or in social geography modules this book is the essential primer

**Social Geographies** The Newcastle Social Geographies Collective, 2020-10-19 *Social geographies* is a flourishing field that studies a diverse range of current social issues through a spatial lens Capturing a lively and dynamic area of scholarship this major textbook showcases the breadth of conceptual and empirical approaches that social geographers use to understand the world we live in It is collectively authored by one of the largest groups of social geographers in the world The book develops a vision of social geographies that is rooted in longstanding commitments to justice equality and social change while incorporating new approaches topics and concerns It offers the most contemporary and comprehensive round up of social geographies to date making sense of its rich and diverse interests Its 34 chapters contain lively and accessible summaries of current research on familiar topics such as space and time race class housing and health and recent developments including digital worlds performance sustainability and food Above all this collection makes clear the enormous relevance and contributions of social geographies not only to our understanding of a wide range of global and local issues but also to working for change for a better world alongside communities policy makers and social movements

*Encyclopedia of Human Geography* Barney Warf, 2006-05-16 Publisher description **Winnipeg Beach** Dale Barbour, 2012-06-08 During the first half of the twentieth century Winnipeg Beach proudly marketed itself as the Coney Island of the West Located just north of Manitoba's bustling capital it drew 40 000 visitors a day and served as an important intersection between classes ethnic communities and perhaps most importantly between genders In Winnipeg Beach Dale Barbour takes us into the heart of this turn of the

century resort area and introduces us to some of the people who worked played and lived in the resort Through photographs interviews and newspaper clippings he presents a lively history of this resort area and its surprising role in the evolution of local courtship and dating practices from the commoditization of the courting experience by the Canadian Pacific Railway s Moonlight Specials through the development of an elaborate amusement area that encouraged public dating and to its eventual demise amid the moral panic over sexual behaviour during the 1950s and 60s **Revolutionary Bodies** K. S. Batmanghelichi,2020-12-10 Gender and sexuality in modern Iran is frequently examined through the prism of nationalist symbols and religious discourse from the late nineteenth and early twentieth centuries In this book Kristin Soraya Batmanghelichi takes a different approach by interrogating how normative ideas of women s bodies in state religious and public health discourses have resulted in the female body being deemed as immodest and taboo Through a diverse blend of sources a popular cultural women s journal a red light district cases studies of temporary marriages iconic public statues and an HIV AIDS advocacy organization in Tehran this work argues that conceptions of gender and sexuality have been mediated in public discourse and experienced and modified by women themselves over the past thirty years of the Islamic Republic Expanding upon existing philosophical theory technological research and scholarship on gender and sexuality in Iran this book focuses much needed attention on under studied marginalized communities such as widows living with HIV This work interrogates how bodily technologies are constructed discursively and socially in Iran and the values and perspectives which are incorporated in them
