community development Despite its importance very little research has been done on the design of PPIs applicable to multi cultural contexts The contributions to this volume provide insights into this hitherto neglected area of research     Granular Computing and Intelligent Systems Witold Pedrycz,Shyi-Ming Chen,2011-04-28 Information granules are fundamental conceptual entities facilitating perception of complex phenomena and contributing to the enhancement of human centricity in intelligent systems The formal frameworks of information granules and information granulation comprise fuzzy sets interval analysis probability rough sets and shadowed sets to name only a few representatives Among current developments of Granular Computing interesting options concern information granules of higher order and of higher type The higher order information granularity is concerned with an effective formation of information granules over the space being originally constructed by information granules of lower order This construct is directly associated with the concept of hierarchy of systems composed of successive processing layers characterized by the increasing levels of abstraction This idea of layered hierarchical realization of models of complex systems has gained a significant level of visibility in fuzzy modeling with the well established concept of hierarchical fuzzy models where one strives to achieve a sound tradeoff between accuracy and a level of detail captured by the model and its level of interpretability Higher type information granules emerge when the information granules themselves cannot be fully characterized in a purely numerical fashion but instead it becomes convenient to exploit their realization in the form of other types of information granules such as type 2 fuzzy sets interval valued fuzzy sets or probabilistic fuzzy sets Higher order and higher type of information granules constitute the focus of the studies on Granular Computing presented in this study The book elaborates on sound methodologies of Granular Computing algorithmic pursuits and an array of diverse applications and case studies in environmental studies option price forecasting and power engineering     Advances in Archaeological Method and Theory ,2014-06-28 Advances in Archaeological Method and Theory     **Pathways in the Workplace** Jon Miller,1986 In this book John Miller demonstrates that access to networks of organizational communication is in fact fundamentally influenced by race and gender     **Rough Sets and Intelligent Systems Paradigms** Marzena Kryszkiewicz,2007-06-18 This book constitutes the refereed proceedings of the International Conference on Rough Sets and Emerging Intelligent Systems Paradigms RSEISP 2007 held in Warsaw Poland in June 2007 dedicated to the memory of Professor Zdzislaw Pawlak The 73 revised full papers papers presented together with 2 keynote lectures and 11 invited papers were carefully reviewed and selected from numerous submissions The papers are organized in topical sections on foundations of rough sets foundations and applications of fuzzy sets granular computing algorithmic aspects of rough sets rough set applications rough fuzzy approach information systems and rough sets data and text mining machine learning hybrid methods and applications multiagent systems applications in bioinformatics and medicine multimedia applications as well as web reasoning and human problem solving     *International Review of Modern Sociology* ,1984     *Human Behavior Theory* Roberta Greene,2017-09-29 In recent years advocates for civil rights for minorities women

and gays and lesbians have become more informed consumers of mental health services As a result social work practitioners need to prepare themselves to serve diverse constituencies for who previously held behavioral and cultural assumptions have proven not to be universally applicable The purpose of Greene s book is to help students and practitioners better understand how social workers have used human behavior theories to more competently address variations in group and community membership within the social worker client encounter The book s approach is largely thematic Most of the chapters explore how particular assumptions of a human behavior theory psychoanalytic theory psychodynamic ego psychology theory systems theory behavioral theory symbolic interaction theory feminist theory constructionist theory small group theory and an ecological perspective have been used to answer issues related to cultural diversity The challenges and limitations of each theory s applications across varying client constituencies are discussed throughout What sorts of new conceptual issues for the practitioner of family services are raised in work with minority families for example or with lesbian families How does a specific theory help or not help in group specific interventions and evaluations Intended as a companion volume to the widely adopted human behavior text by Greene and Ephross Greene s new book fills the need for a wide synthetic reading of the recent literature

**Race, Gender, and Deviance in Xbox Live** Kishonna L. Gray, 2014-03-27 Race Gender and Deviance in Xbox Live provides a much needed theoretical framework for examining deviant behavior and deviant bodies within one of the largest virtual gaming communities Xbox Live Previous research on video games has focused mostly on violence and examining violent behavior resulting from consuming this medium This limited scope has skewed criminologists understanding of video games and video game culture Xbox Live has proven to be more than just a gaming platform for users It has evolved into a multimedia entertainment outlet for more than 20 million users This book examines the nature of social interactions within Xbox Live which are often riddled with deviant behavior including but not limited to racism and sexism The text situates video games within a hegemonic framework deploying whiteness and masculinity as the norm The experiences of the marginalized bodies are situated within the framework of deviance as they fail to conform to the hegemonic norm and become victims of racism sexism and other types of harassment

Handbook of Diversity in Feminist Psychology Hope Landrine, Nancy Felipe Russo, 2009-12-17 With the publication of the Handbook of Diversity in Feminist Psychology the field of feminist psychology has achieved a new depth the volume is a sophisticated and cutting edge compendium that not only describes the state of the field but also pushes its boundaries in important ways Sex Roles A Journal of Research Critical for all those who are in the field of psychology to own refer to and use No longer are diversity and gender issues considered to be on the periphery as they once were one would be remiss in not considering these factors in psychology Florence L Denmark PhD From the Foreword Author Psychology of Women FINALLY A collection of work that is built on decades if not centuries of hard work from many feminists of color and our allies This is one of the few books that delves deeply into the complex world of considering the human condition in cultural context something psychology is only

relatively recently trying to do This book is a must have for anyone interested in feminism OR diversity issues It is a great example of feminist multiculturalism and both fields i e feminism and multicultural psychology should consider it an example of how to merge theoretical orientations in a way that is fitting for real people I LOVE this book Geneva Reynaga Abiko Psy D This handbook presents a multicultural approach to diversity in feminist psychology Provocative and timely the text comprehensively discusses the cutting edge of feminist discourse covering major topics such as multicultural feminist theory gender discrimination aging health and therapy violence and harassment politics and policy and much more The unique quality of this book is that each contributor brings her own cultural perspective values and concerns to her chapter Special emphasis is also given to the intersectionality of minority identities such as race ethnicity social class sexual preference and other socially constructed status differences among women Key Topics Discussed Intimate partner violence perspectives from ethnic groups in the United States Gender transgressive sexual minorities HIV AIDS among women of color and sexual minority women Psychological perspectives on older women including transitions cognitive functioning and mental health Ethnicity disordered eating and body image Methodological and statistical issues in research with diverse samples Low income women women with disabilities workers and immigrants refugees
