Social Thought in America Morton Gabriel White,1952

Social Thought in America Morton White,1957

Social Thought in America Morton Gabriel White,1976

Philosopher's Story Morton White,2010-11-01 *Arendt*

and America Richard H. King,2015-10-20 German Jewish political philosopher Hannah Arendt 1906-75 fled from the Nazis to New York in 1941 and during the next thirty years in America she wrote her best known and most influential works such as *The Human Condition* *The Origins of Totalitarianism* and *On Revolution*. Yet despite the fact that a substantial portion of her oeuvre was written in America not Europe no one has directly considered the influence of America on her thought until now. In *Arendt and America* historian Richard H. King argues that while all of Arendt's work was haunted by her experience of totalitarianism it was only in her adopted homeland that she was able to formulate the idea of the modern republic as an alternative to totalitarian rule. Situating Arendt within the context of U.S. intellectual political and social history King reveals how Arendt developed a fascination with the political thought of the Founding Fathers. King also re-creates her intellectual exchanges with American friends and colleagues such as Dwight Macdonald and Mary McCarthy and shows how her lively correspondence with sociologist David Riesman helped her understand modern American culture and society. In the last section of *Arendt and America* King sets out the context in which the Eichmann controversy took place and follows the debate about the banality of evil that has continued ever since. As King shows Arendt's work regardless of focus was shaped by postwar American thought culture and politics including the Civil Rights Movement and the Cold War. For Arendt the United States was much more than a refuge from Nazi Germany it was a stimulus to rethink the political ethical and historical traditions of human culture. This authoritative combination of intellectual history and biography offers a unique approach for thinking about the influence of America on Arendt's ideas and also the effect of her ideas on American thought. **The**

Social Thought of Talcott Parsons Uta Gerhardt,2016-02-17 *The Social Thought of Talcott Parsons* offers an insightful new reading of the work of Talcott Parsons keeping in view at once the important influences of Max Weber on his sociology and the central place occupied by methodology which enables us to better understand the relationship between American and European social theory. Revealing American democracy and its nemesis National Socialism in Germany as the basis of his theory of society this book explores the debates in which Parsons was engaged throughout his life with the Frankfurt School C. Wright Mills and the young radicals among the disobedient student generation as well as economism and utilitarianism in social theory the opponents that Parsons confronted in the interests of humanism. In addition to revisiting Parsons' extensive oeuvre Uta Gerhardt takes up themes in current research and theory including social inequality civic culture and globalization offering a fascinating demonstration of what the conceptual approaches of Parsons can accomplish today. Revealing methodology and the American ethos to be the cornerstones of Parsons' social thought this book will appeal not only to those with interests in classical sociology and who wish to fully understand what this classic has to offer but also to

those who wish to make sociology answer to the problems of the society of the present Americans Thinking America Charles Lemert, 2025-01-31 In this dynamic book Charles Lemert elaborates a vigorous distinctive and creative American tradition in social thought American social theory has tended to be overshadowed by European social thought Yet looking deeper Americans have always made important contributions to social theory Drawing upon the work of a dazzling array of both seminal and unjustly overlooked philosophers sociologists litterateurs and political activists Lemert constructs a coherent yet variegated intellectual framework for understanding American social theory and culture from the colonial era to the present In doing so Lemert analyses American intellectual attitudes on race gender popular culture political thought capitalism and social movements while also exploring schools of thought from transcendentalism and pragmatism to interactionism and intersectionality In his inimitable style Charles Lemert a master of finding theory where you d least expect it offers a masterful rendering of the American tradition in social theory In doing so Lemert shines new light on social theory and American history Both authoritative and accessible this indispensable work will be essential reading for students scholars and general readers with interests in social theory and American social history **Quest for a Christian America, 1800-1865** David Edwin Harrell, 2003-09-29 The definitive social history of the Disciples of Christ in the 19th century The Disciples of Christ led by reformers such as Alexander Campbell and Barton W Stone was one of a number of early 19th century primitivist religious movements seeking to restore the ancient order of things The Disciples movement was little more than a loose collection of independent congregations until the middle of the 19th century but by 1900 three clear groupings of churches had appeared Today more than 5 million Americans members of the modern day Disciples of Christ Christian Church Independent Christian Churches and Churches of Christ among others trace their religious heritage to this Restoration Movement **Social Science in America** Charles M. Bonjean, Louis Schneider, Robert L. Lineberry, 2014-07-03 This outstanding symposium concerns the development of the social sciences in the United States over its first two hundred years and was brought together by the editors of Social Science Quarterly as the journal s contribution to the nation s Bicentennial celebration Six prominent scholars representing history economics sociology political science anthropology and geography were invited to write essays about the general topic of the progress of the social sciences and to pursue original lines of thought as well Each was asked to address three key questions regarding their own discipline 1 the distinctive contributions made to each discipline by American scholars 2 the impact of these contributions upon American society and 3 the relationship of these contributions to the character or nature of life in the United States The result is a coherent collection of considerable breadth and exceptional quality The essays include Time s American Adventures American History and Historical Writing since 1776 by William Goetzmann Economics Its Direct and Indirect Impact in America 1776 1976 by Joseph J Spengler Sociology in America The Experience of Two Centuries by Robin M Williams Understanding Political Life in America The Contribution of Political Science by Heinz Eulau Anthropology in America by Walter Goldschmidt and

Geography As a Social Science Recent American Experience by Kevin Cox *A History of Religion in America* Bryan Le Beau, 2017-09-18 A History of Religion in America From the End of the Civil War to the Twenty First Century provides comprehensive coverage of the history of religion in America from the end of the American Civil War to religion in post 9 11 America The volume explores major religious groups in the United States and examines the following topics The aftermath of the American Civil War Immigration s impact on American religion The rise of the social gospel The fundamentalist response Religion in Cold War America The 60 s counterculture and the backlash Religion in Post 9 11 America Chronologically arranged and integrating various religious developments into a coherent historical narrative this book also contains useful chapter summaries and review questions Designed for undergraduate religious studies and history students A History of Religion in America provides a substantive and comprehensive introduction to the complexity of religion in American history

Critiques of Capital in Modern Britain and America M. Bevir, F. Trentmann, 2002-10-28 This book is an innovative collection of essays by a new generation of British and American historians and political theorists Moving beyond a conventional action reaction view of capitalism and its critics the volume explores how critical traditions and beliefs have helped to shape capitalism Chapters follow diverse critiques in Britain and America and explore their Atlantic and imperial exchanges The volume includes chapters on questions of law and property in the Victorian empire traditions of land reform in nineteenth century America and Britain the influence of American romanticism on British socialism the role of Britain in American progressivism American and British consumer protection the evolution of trusteeship and ideas of cosmopolitan democracy the third way and narratives of globalization The editors introduction offers a critical historiographical survey and by stepping beyond the dogmatic opposition between post modernists and empiricists provides a new research agenda for an integrated study of capitalism and its critics *John Dewey, America's Peace-Minded Educator* Charles F. Howlett, Audrey Cohan, 2016-07-27 One of America s preeminent educational philosophers and public intellectuals John Dewey is perhaps best known for his interest in the study of pragmatic philosophy and his application of progressive ideas to the field of education Carrying his ideas and actions beyond the academy he tied his philosophy to pacifist ideology in America after World War I in order to achieve a democratic world order Although his work and life have been well documented his role in the postwar peace movement has been generally overlooked In *John Dewey America's Peace-Minded Educator* authors Charles F Howlett and Audrey Cohan take a close look at John Dewey s many undertakings on behalf of world peace This volume covers Dewey s support of and subsequent disillusionment with the First World War as well as his postwar involvement in trying to prevent another world war Other topics include his interest in peace movements in education his condemnation of American military intervention in Latin America and of armaments and munitions makers during the Great Depression his defense of civil liberties during World War II and his cautions at the start of the atomic age The concluding epilogue discusses how Dewey fell out of favor with some academics and social critics in the 1950s and explores how Dewey s ideas can still be useful to

peace education today Exploring Dewey's use of pragmatic philosophy to build a consensus for world peace Howlett and Cohan illuminate a previously neglected aspect of his contributions to American political and social thought and remind us of the importance of creating a culture of peace through educational awareness

Social Thought in American Fiction (1910-1917) Hazel Clare Wilkinson, 1918

Christian Democracy in Latin America Scott Mainwaring, 2003 Christian Democracy swept across parts of Latin America gaining influence in Venezuela in the 1940s Chile in the 1950s El Salvador and Guatemala in the 1960s and Costa Rica and Mexico in the 1980s This book offers an overview of Christian Democracy in the region underscoring its remarkable diversity and examines the Christian Democratic organizations of Chile and Mexico which are still major parties today The concluding section analyzes the demise of formerly significant Christian Democratic parties in El Salvador Guatemala Peru and Venezuela Christian Democracy in Latin America provides the definitive study of the nature rise and decline of Christian Democracy in Latin America The book enriches the broader theoretical literature on political parties by highlighting the distinctive strategic dilemmas parties face and the distinctive objectives they pursue in contexts of fragile democracy or of authoritarian regimes

The Family in America Joseph M. Hawes, Elizabeth F. Shores, 2002-05-22 An incisive multidisciplinary look at the American family over the past 200 years written by respected scholars and researchers Family in America offers two powerful antidotes to popular misconceptions about American family life historical perspective and scientific objectivity When we look back at our early history we discover that the idealized 1950s family characterized by a rising birthrate a stable divorce rate and a declining age of marriage was a historical aberration out of line with long term historical trends Working mothers we learn are not a 20th century invention most families throughout American history have needed more than one breadwinner In the exciting new scholarship described here readers will learn precisely what is new in American family life and what is not and acquire the perspective they need to appreciate both the genuine improvements and the losses that come with change

A History of Sociological Research Methods in America, 1920-1960 Jennifer Platt, 1999-02-11 This is the first book on the general history of US sociological research It provides systematic archival documentary and interview data which question conventional views on research methods developing our understanding of both the history of social thought and the settings in which social research is produced

Encyclopedia of Catholic Social Thought, Social Science, and Social Policy Michael L. Coulter, Richard S. Myers, Joseph A. Varacalli, 2012-04-05 The two original volumes of the Encyclopedia of Catholic Social Thought Social Science and Social Policy were published in 2007 Those two volumes included 848 entries from nearly 300 contributors and included a wide range of entries in three general categories entries exploring Catholic social thought at a theoretical level entries reflecting the learning of various social science and humanistic disciplines as this learning relates to Catholic social thought and entries examining specific social policy questions This third supplemental volume continues the approach of the original two First the volume includes entries that explore Catholic social thought at its broadest most theoretical level for example

an entry on Pope Benedict's important social encyclical *Caritas in Veritate*. Second the volume includes entries that discuss recent social science research that bears on issues important to Catholic social thought for example an entry on the social costs of pornography draws on recent research on the topic. Third the volume includes entries discussing specific issues of social policy that have become increasingly important in recent years for example an entry on embryo adoption and or rescue. This third volume contains 202 entirely new entries from over 100 contributors. The contributors include distinguished scholars such as Father Robert John Araujo S J Loyola University of Chicago Father Kevin L Flannery S J Gregorian University Robert P George Princeton University William E May John Paul Institute and the Culture of Life Foundation D Q McInerney Our Lady of Guadalupe Seminary and Michael Novak Ave Maria University. The work will appeal to anyone who is looking for a clear and accurate introduction to Catholic social thought.

Library Bulletin, 1911 In Search of a Democratic America Martin S. Sheffer, 2000-01-01. The America Randolph Silliman Bourne searched for his entire life but never found was an America in which the institutions of democratic government remained responsive to the needs of all. A progressive in the age of progressivism Bourne fully understood John Jay's dictum that the United States should be governed by the people who own it. *The Atlantic Monthly*, *The New Republic* and *The Dial* were the forum for Bourne's social commentary during a brief career that lasted from 1912 to 1918. *In Search of a Democratic America* offers the best of Bourne's writings on politics religion education philosophy society and youth. The readings and commentary reveal the literary radical and social critic in his true guise as a spokesman for liberal democracy a democratic theorist who strove for a modern industrial multi ethnic nation peopled by the intelligent the caring and the concerned.

The Oxford Handbook of the Sociology of Latin America Xóchitl Bada, Liliana Rivera Sánchez, 2021. The essays included in this volume provide both an assessment of key areas and current trends in sociology specifically with regard to contemporary sociology in Latin America as well as a collection of innovative empirical studies. The volume serves as an effective bridge of communication allowing sociological academics to mobilize and disseminate research dynamics from Latin America to the rest of the world.

Social Thought In America Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Social Thought In America free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Social Thought In America free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Social Thought In America free PDF files is convenient, its

important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Social Thought In America. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Social Thought In America any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Social Thought In America Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Social Thought In America is one of the best books in our library for free trial. We provide a copy of Social Thought In America in digital format, so the resources that you find are reliable. There are also many eBooks related to Social Thought In America. Where to download Social Thought In America online for free? Are you looking for Social Thought In America PDF? This is definitely going to save you time and cash in something you should think about. If you're trying to find then search around for online. Without a doubt, there are numerous of these available and many of them have the freedom. However, without a doubt, you receive whatever you purchase. An alternate way to get ideas is always to check another Social Thought In America. This method for seeing exactly what may be included and adopting these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Social Thought In America are for sale to free while some are payable. If you aren't sure if the books you would like to download work with for usage along with your computer, it is possible to download free trials. The free guides make it easy for

someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Social Thought In America. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Social Thought In America To get started finding Social Thought In America, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Social Thought In America So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Social Thought In America. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Social Thought In America, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Social Thought In America is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Social Thought In America is universally compatible with any devices to read.
