Social Work Processes The Dorsey Series In Sociology:

Social Work Processes Beulah Roberts Compton, Burt Galaway, 1975 This text presents to the beginning social work student in professional education or to the beginning practitioner a basic set of concepts and principles for a firm foundation of general practice knowledge Organized within a problem solving framework the text describes and analyzes the elements of practice in such a way that the student not only intellectually grasps the nature of social work processes but he also gains a knowledge of the trials and tribulations joys and satisfactions of social work practice in today's world The authors focus on the nature of social work practice itself They include historical perspective relating to the development of the various practice modalities general concepts and principles of the practice processes and a more sophisticated and specialized practice Each chapter begins with the authors development of the notions and concepts to be dealt with in that particular chapter This material is followed by two or three reprints of the works of other authors that relate to the issues of that chapter Each chapter ends with a brief annotated bibliography Published in The Dorsey Series in Sociology *Monographic Series* Library of Congress, 1980

Anti Oppressive Social Work Theory and Practice Lena Dominelli, 2017-03-14 This book by one of the leading theorists of social work tackles a subject of crucial importance to students and practitioners alike how social workers can enable their clients to challenge and transcend the manifold oppressions that disempower them whether through poverty disability mental illness etc It moves from a discussion of social work's purpose and ambitions to an exposition of theory and from there to the practice arenas of working with individuals in groups within organisations and within a wider social and political context

The Struggle for Development and Democracy Alessandro Olsaretti, 2021-12-13 In The Struggle for Development and Democracy Alessandro Olsaretti argues that we need significantly new theories of development and democracy to answer the problem posed by neoliberalism and the populist backlash namely uneven development and divisive politics This book proposes as a first step a truly multidisciplinary humanist social science to overcome the flaws of neoliberal economic theories and to recover a balanced approach to theories and policies alike that is especially needed in the wake of the 9/11 attacks These led to divisive culture wars which were compounded by the divisive populist politics This book begins to sketch such a humanist social science and applies it to answer one question who is responsible for neoliberalism and the populist backlash All royalties from sales of this volume will go to GiveWell.org in honour of Alessandro Olsaretti's memory
