Society of Biblical Literature 2001 Seminar Papers Society of Biblical Literature, 2001 *Society of Biblical Literature 2002 Seminar Papers* Society of Biblical Literature. Meeting, Society of Biblical Literature, 2002 **A Companion to Second-Century Christian 'Heretics'** Antti Marjanen, Petri Luomanen, 2008 The book deals with thinkers and movements that were embraced by many second century religious seekers but which are now largely forgotten or known only as heretics Basilides Sethianism Valentinus school Marcion Tatian Bardaisan Montanists Cerinthus Ebionites Nazarenes Jewish Christianity of the Pseudo Clementines and Elchasites *"Convinced that God Had Called Us"* John B. F. Miller, 2007 Employing narrative criticism to provide a comprehensive examination of the dreams and visions in Luke Acts this study highlights those passages in which characters interpret their visionary encounters e g the infancy narrative Saul s Paul s conversion the Cornelius Peter episode and Paul s dream at Troas *A Quest for the Historical Christ* Anthony Giambrone, 2022-02-18 A Quest for the Historical Christ brings together a collection of interrelated essays on the historical Jesus and primitive Christology Sensitive to the diverse but traditionally Protestant assumptions and perspectives of the Quest as well as to the widely lamented disconnect between New Testament exegesis and classical dogmatic theology an alternative approach is proposed in these pages Ecumenical and conciliar reference points along with non confessional historical methods e g archeology shape the basic project which nevertheless assumes some distinctive and important Catholic contours The book is divided into three sections Historical Foundations Theological Perspectives and Jesus and the Scriptures While the individual chapters represent independent probes the cumulative argument and arc of the study drives in clear and concerted directions After a first approach to the Gospel data attentive at once to historiographical and historical questions a series of interventions reorienting the present scholarly discussion are suggested These various foundational essays lead finally to a sustained meditation on the mind of Christ considered as a unique reader of the Scriptures a meditation having its proper reflex and reflection in the way Christians themselves as readers of the Gospels participate in the Lord s own encounter with the living Word **Thematic Threads in the Book of the Twelve** Paul L. Redditt, Aaron Schar, 2012-08-06 For some years the view has become established that the Book of the Twelve is a systematically structured literary unity An exegesis which takes the final canonical text seriously undertakes to understand the structure and theological intention of this unity The papers collected here attempt to reveal significant structures which overarch the individual components Particular emphasis is placed on the reconstruction of thematic threads which are created when individual prophets take up topics from their predecessors e g Jehovah s Day conversion role of the peoples and intensify them The papers were written between 1999 and 2002 under the aegis of the Society of Biblical Literature s Working Group on The Formation of the Book of the Twelve *Ezekiel's Hierarchical World* Stephen L. Cook, Corrine L. Patton, 2004 Can we live with the God of Ezekiel Can we relate to a God who has established a multilayered hierarchy that separates the divine

from the human who creates boundaries that segregate people from the temple the priesthood and the glory of the Lord In contrast to those who suggest that Ezekiel should no longer be read as an authoritative part of the canon the essays in this volume engage Ezekiel's hierarchical world directly neither dismissing it out of hand nor accepting it uncritically By wedding theological interest and reflection with serious biblical exegesis and criticism this work helps readers to understand Ezekiel's hierarchical theology especially the book's views on creation priesthood and land It thus equips readers to form their own evaluations of the relevance of Ezekiel's theology for today Contributors include Daniel I Block Keith Carley Stephen L Cook Katheryn Pfisterer Darr Iain M Duguid Friedrich Fechter Julie Galambush Norman Habel Risa Levitt Kohn Corrine L Patton David L Petersen Baruch J Schwartz Daniel L Smith Christopher and Steven Shawn Tuell Paperback edition is available from the Society of Biblical Literature www.sbl-site.org **Challenging Perspectives on the Gospel of John** John Lierman, 2006 This book had its genesis at a conference held in Cambridge Pref **Locating Paul** Matthew L. Skinner, 2003-01-01 This study explores literary settings in the narrative of Paul's prolonged imprisonment in Acts It suggests that Paul's proclamation of the word in a setting of Roman control constitutes a powerful confrontation and manipulation of social and religious powers Paperback edition available from the Society of Biblical Literature www.sbl-site.org **Of Scribes and Sages, Vol 2** Craig A. Evans, 2004-09-01 Of Scribes and Sages focuses primarily on early interpretation of Scripture including the emergence of Scripture as Scripture in its various versions and contexts It examines recent research into the relationship of the Old Testament to the New and how sacred Scripture was interpreted during New Testament times It also provides stimulating examples to students scholars and clergy in how the task of interpretation is to be done **Of Scribes and Sages: Later versions and traditions** Craig A. Evans, 2004-11-30 Of Scribes and Sages focuses primarily on early interpretation of Scripture including the emergence of Scripture as Scripture in its various versions and contexts It examines recent research into the relationship of the Old Testament to the New and how sacred Scripture was interpreted during New Testament times It also provides stimulating examples to students scholars and clergy in how the task of interpretation is to be done **The Bible and the Crisis of Meaning** Christopher Spinks, 2007-08-30 Many of the most pressing issues in theology and the church today depend greatly on the understanding of the bible Recent debates on the theological interpretation of scripture have emerged which consider whether the meaning of scripture should concern theologians and church leaders at all The Bible and the Crisis of Meaning is an account of these debates in examining the concept of meaning in current proposals of theological interpretation The concept of meaning is deduced either from the supposed nature of the texts and their authors or from the function of the texts in religious communities Thus approaches to theological interpretation become debates between ontological and pragmatic strategists Stephen Fowl and Kevin Vanhoozer have embraced the term theological interpretation for their separate projects but their ideas of what this means and how meaning is a part of it differ greatly Christopher Spinks describes their respective concepts of meaning and argues for a more holistic

concept that allows theological interpreters to understand their craft not so much as a discovery of intentions or the creation of interests but as a conversation in which truth is mediated Dreamers, Scribes, and Priests Frances

Flannery-Dailey, 2004-08-01 This investigation focuses on divinely sent dreams in early Judaism and discusses their literary forms and socio religious functions It examines Jewish dreams in the Bible Apocrypha Pseudepigrapha Dead Sea Scrolls and Josephus setting them in the wider context of antecedent and contemporary dream cultures Part One grounds the project in the dream traditions of the ancient Near East Hebrew Bible Greece and Rome Part Two investigates the unique emphases of early Jewish dreams including a priestly and scribal milieu access to various planes of reality new roles for dream messengers and incubation rituals Part Three explores implications for several related topics of study including the rise of apocalypticism and early Jewish mysticism and the social history of early Judaism **The Books of Nahum, Habakkuk, and Zephaniah** Thomas Renz, 2021-06-08 In this commentary Thomas Renz reads Nahum Habakkuk and Zephaniah as three carefully crafted writings of enduring relevance each of which makes a vital contribution to the biblical canon Discussing the historical settings Renz takes up both long standing issues such as the relationship of Zephaniah to Josiah's reforms and the socioeconomic conditions of the time suggested by recent archaeological research The place of these writings within the Book of the Twelve is given fresh consideration including the question of what one should make of the alleged redaction history of Nahum and Habakkuk The author's careful translation of the text comes with detailed textual notes illuminating some of the Bible's most outstanding poetry Nahum and one of the biblical chapters that is among the most difficult to translate Habakkuk 3 The thorough verse by verse commentary is followed by stimulating theological reflection opening up avenues for teaching and preaching from these prophetic writings No matter their previous familiarity with these and other Minor Prophets scholars pastors and lay readers alike will find needed guidance in working through these difficult but important books of the Bible *A Conclusion Unhindered* Troy M. Troftgruben, 2010 Revision of author's thesis Ph D Princeton Theological Seminary 2009 **Renaming Abraham's Children** Robert B. Foster, 2016-07-25 In this study Robert B Foster explores the intersection between the interpretation of Scripture and the construction of communal identities He argues that in Rom 9 Paul applies prophetic texts from Malachi Hosea and Isaiah to the story of Abraham's children in Genesis These interpretive maneuvers enable Paul to extrapolate from the patriarchal narratives a specific construal of election it is the ironic privilege of being simultaneously God's chosen and rejected people This understanding of election he in turn applies to Gentile Christ followers the remnant and all Israel in order to build for them an all encompassing yet differentiated Abrahamic identity for the messianic age **Matthew's Theological Grammar** Joshua E. Leim, 2015-10-19 Are the identity of God and Jesus Christ inseparably related in Matthew's Gospel Joshua E Leim argues for this relationship in Matthew's narrative by attending to two linguistic patterns woven deeply into the entire narrative's presentation of Jesus Matthew's christological use of worship language and his paternal filial idiom Back cover Jewish Exegesis and Homeric

Scholarship in Alexandria Maren R. Niehoff, 2011-03-17 Systematically reading Jewish exegesis in light of Homeric scholarship this book argues that more than 2000 years ago Alexandrian Jews developed critical and literary methods of Bible interpretation which are still extremely relevant today Maren R Niehoff provides a detailed analysis of Alexandrian Bible interpretation from the second century BCE through newly discovered fragments to the exegetical work done by Philo Niehoff shows that Alexandrian Jews responded in a great variety of ways to the Homeric scholarship developed at the Museum Some Jewish scholars used the methods of their Greek colleagues to investigate whether their Scripture contained myths shared by other nations while others insisted that significant differences existed between Judaism and other cultures This book is vital for any student of ancient Judaism early Christianity and Hellenistic culture **The Trial Narratives**

Matthew L. Skinner, 2010-01-01 In this careful analysis Matthew Skinner explores the trial narratives of Jesus Paul Stephen and others in the Gospels and Acts who found themselves brought before powerful individuals and groups often with deadly consequences His close study of these texts is essential for those interested in the early church's relationship to the sociopolitical structures in which Christian belief emerged He shows how the narratives helped shape early Christian identity as these communities sought to understand both the political implications of the emerging Christian gospel as well as the dangers and opportunities their sociopolitical context presented He also reflects on the theological resources and paradigms these texts offer to Christians today **Ezekiel: A Commentary** Paul M. Joyce, 2009-09-18 This book addresses the historical critical agenda of Ezekiel and includes newer approaches and questions such as psychological issues and the notion that Ezekiel should be regarded as a character within the book
