Sociological Studies Of Children Vol 7 Sociological Studies Of Children:

Handbook of Social Psychology John DeLamater, 2006-11-24 Psychology focusing on processes that occur inside the individual and Sociology focusing on social collectives and social institutions come together in Social Psychology to explore the interface between the two fields The core concerns of social psychology include the impact of one individual on another the impact of a group on its individual members the impact of individuals on the groups in which they participate the impact of one group on another This book is a successor to Social Psychology Social Perspectives and Sociological Perspectives in Social Psychology The current text expands on previous handbooks in social psychology by including recent developments in theory and research and comprehensive coverage of significant theoretical perspectives **The Social Study of Childhood** Sally McNamee, 2019-10-10 Historically children were often understood in relation to their development towards adulthood but the new paradigm of childhood studies has since shown how they should be taken more seriously as active participants in their own lives Studying childhood is not just a question of research on children but increasingly a practice of research with them With this new paradigm having now come of age Sally McNamee offers a comprehensive overview of the current state of childhood studies and its history Taking a thematic approach she looks at how issues such as rights and citizenship the state the family school work leisure health and globalisation shape and are shaped by children The Social Study of Childhood is an accessible introduction for students from a variety of disciplinary backgrounds such as childhood studies sociology psychology social work and education With reflection points for discussion and suggestions for further reading at the end of each chapter it is an engaging and stimulating account of how and why children's voices deserve to be heard in today's world

Child Labour in Global Society Paul Close, 2014-05-30 This book presents a novel study of children's compulsory productive educational labour in modern and modernizing societies under globalization and the implications for such matters as children's everyday lives relationships and rights international legal instruments relevant analytical notions including slavery and sociological analysis **Childhood, Mobile Technologies and Everyday Experiences** E. Bond, 2014-06-25 This timely volume offers an in depth theoretical analysis of children's experiences growing up with mobile internet technologies Drawing on up to date research it explores the relationship between childhood as a social and cultural construction and the plethora of mobile internet technologies which have become ubiquitous in everyday life **The Sociology of Children, Childhood and Generation** Madeleine Leonard, 2015-12-01 Outlining sociology's distinctive contribution to childhood studies and our understanding of contemporary children and childhood The Sociology of Children Childhood and Generation provides a thought provoking and comprehensive account of the connections between the macro worlds of childhood and the micro worlds of children's everyday lives Examining children's involvement in areas such as the labour market family life education play and leisure the book provides an effective balance between understanding childhood as a structural phenomenon and recognising children as meaning makers actively involved in constructing co constructing

and reconstructing their everyday lives Through the concept of generagency Madeleine Leonard offers a model for examining and illuminating how structure and agency are activated within interdependent relationships influenced by generational positioning This framework provides a conceptual tool for thinking about the continuities challenges and changes that impact on how childhood is lived and experienced *Children And Social Competence* Ian Hutchby,Jo Moran-Ellis,2005-08-15 A text which addresses the relationship between childhood competence and the social arenas of action in which children live their lives Taking issue with the view that children are merely apprentice adults the contributors develop a picture of children as competent sophisticated social agents focusing on the contexts which both enable and constrain that competence

The Routledge Handbook of Child and Family Social Work Research Elizabeth Fernandez, Penelope Welbourne, Bethany Lee, Joyce L. C. Ma, 2024-09-30 This Handbook provides an accessible resource for all social work students educators practitioners and policymakers to increase their knowledge and understanding of how research into the diversity and impact of child and family social work interventions might underpin and drive policy and practice Divided into six sections The Context of Child and Family Social Work Research Preventive and Reparative Responses to Children and Families Child Maltreatment Causes Consequences and Responses Alternate Care as an Approach to Safeguarding Children and Young People Intervention Therapeutic Responses to Vulnerable Children Youth and Families Child and Family Social Work in the Global Context and comprising 52 newly written chapters by experts in the field it provides a foundational overview of the field of child and family social work including defining concepts sentinel historical milestones and the scope of practice It also identifies developments in auxiliary fields such as neuroscience psychology education health poverty and media By illustrating diverse research endeavours in parenting maltreatment prevention child protection and substitutive interventions including foster care residential care adoption and juvenile corrections and elaborating child welfare research methods measures and impacts on practice it analyses evidence based interventions and policies in early intervention child protection child placement adoption and advocacy It will be required reading for anyone working in social work and child protection

Ethical Research with Children Sarah Richards, Jessica Clark, Allison Boggis, 2015-10-26 An increasing interest in children's lives has tested the ethical and practical limits of research Rather than making tricky ethical decisions transparent researchers tend to gloss over stories that do not fit with sanitized narratives This book aims to fill this gap by making explicit the lived experiences of research with children

Understanding Children's Personal Lives and Relationships Hayley Davies, 2016-04-29 Informed by ethnographic research with children Davies offers new sociological insights into children's personal relationships as well as closely examining methodological approaches to researching with children and researching relationships *Critical Children's Rights Studies* Valeria Llobet, Didier Reynaert, Afua Twum-Danso Imoh, Wouter Vandenhoe, 2025-06-13 The field of children's rights studies is well established and largely dominated by a top down approach that considers these rights as objective standards requiring implementation in practice or policy This book

argues for a critical perspective which views the area as contested terrain with conflicting normative foundations and traditions The collection brings together established and rising scholars whose work has been central to not only challenging mainstream children s rights discourses but also provides alternative pathways to conceptualizing children s rights It moves beyond critiques of these dominant discourses and sets out the emerging paradigm of Critical Children s Rights Studies drawing on contexts in both the Global North and Global South It proposes new pathways and subjects these to scrutiny illuminating the importance of contextual situatedness and acknowledging the need to consider researchers own positionality when outlining their stance on children s rights Containing both empirical and theoretical scholarship the book will be an essential resource for students academics researchers and policy makers working in the multidisciplinary areas of childhood studies children s rights studies and international human rights

Children, Family and the State Thomas, Nigel, 2002-10-11 Children family and the state examines different theories of childhood children s rights and the relationship between children parents and the state

Social Work in Europe Charlotte Williams, Mekada Graham, 2013-09-13 It is an acknowledged if not accepted fact that all European societies are being fundamentally transformed and indeed perceptively unsettled by increased migrations across nations and by the asserted presence of established minorities within their borders The scale and speed at which these transformations have taken place have brought in their wake considerable social impacts and no small measure of fear and anxiety Encounters with such diversity are part and parcel of the social work task and learning how to negotiate them should be a de facto aspect of the training and continuous professional development of social workers and other social professions However the moral and political dimensions of the role scope and nature of the social work task in responding appropriately to these changed and changing realities are rather more contested This volume addresses many dimensions of the response to issues of race and ethnicity in social work practice in Europe It extends the debates on inter cultural and race equality practice in social work through a stimulating and innovative collection of contributions This book was originally published as a special issue of the European Journal of Social Work

Research in Education , 1971

The ISA Handbook in Contemporary Sociology Ann Denis, Devorah Kalekin-Fishman, 2009-05-22 Representing the fruit of in depth dynamics it invites us to give all necessary attention to the concepts of conflict cooperation and competition By reflecting on the possible articulations of these concepts and attempting to apply them in diverse fields of social science the editors give voice to those who are studying the world as it is and perform the service of returning a set of concepts approaches or paradigms to their legitimate place Michel Wieviorka President International Sociological Association This ISA Handbook presents and tracks the transformation of the societies and social relations that characterize the twenty first century The volume is organized around a conceptualization of three processes that are fundamental to the analyses of micro meso and macro social relations conflict competition and cooperation In addition to chapters that delve into sociological theory case studies and overviews of subfields discuss and contextualize debates from an international
