

Meet the...

FUNCTIONALISTS

Believe in examining society from a structural perspective

Emile Durkheim

Talcott Parsons

Robert K Merton

Kingsley Davis

Functionalists examine the ways in which social institutions shape the behaviour of individuals. They argue that the process of socialisation is key to passing on the norms and values of society.

Sociologists On Sociology

Neil J. Smelser

Sociologists On Sociology:

Sociologists on Sociology Bob Mullan,1987 **Sociologists in Action** Kathleen Odell Korgen,Jonathan M. White,Shelley K. White,2010-12-08 This book provides vivid examples of how sociologists are using sociological tools to make a positive impact on our society In each chapter four or five public sociologists will describe in vivid detail how they have used sociology to understand and influence the world around them The chapters will cover the key topics in sociology courses and the pieces will bring the subject matter of sociology to life for students giving them clear examples of the power and usefulness of sociology as they learn the course content The discussion questions and suggested additional readings and resources at the end of every chapter will provide students the opportunity to delve further into the topics covered and help create full and nuanced discussions grounded in the real world work of public sociologists **Sociologists in Action** Kathleen Odell Korgen,2013-03-14 Brings the subject matter of sociology to life for students Linking theory and practice this textbook explores how sociological knowledge is used in the community to fight for social change and justice **Getting Sociology Right** Neil J. Smelser,2014-04-12 Neil J Smelser one of the most important and influential American sociologists traces the discipline of sociology from 1969 through the early twenty first century By examining sociology as a vocation and building on the work of Talcott Parsons Smelser discusses his views on the discipline of sociology and how his perspective of the field has evolved in the postwar era **A Journey of Discovering Sociology** Long Chen,2020-08-13 This book gathers the author s interviews with twenty leading sociologists from various fields at nine different prestigious universities in the USA including their viewpoints anecdotes and experiences in the world of sociology Each chapter presents an interview with one sociologist covering their views on contemporary sociology their early university experiences teaching experiences experiences with publishing and their reflections on life as a sociologist Through the dialogues readers can learn about sociology as well as sociologists lives in a unique and insightful way just as the author did and embark on a journey of discovering sociology The book helps readers find their own answers to the two main questions explored What is sociology and What is a sociologist s life like **Contemporary Readings in Sociology** Kathleen Odell Korgen,2008-02-29 This reader was developed to be used in numerous courses taught in sociology It is appropriate for an introductory course as well as a social problems or special topics course The readings have been selected from numerous well respected sociology journals and they have been edited to make them more user friendly for the undergraduate student This reader allows undergraduate students to read about the major topics in sociology in the words of the original authors The reader includes a topic guide to help the instructor better integrate the material into their course and well crafted section openers place each article in context for the student This series of readings has been vetted by an Advisory Board of sociology instructors to ensure quality *Practicing Social Science* Devorah Kalekin-Fishman,2016-12-01 How is the process of globalization effecting changes in the structure of knowledge in sociology This path breaking volume looks at the human dimension of developments in the

discipline by compiling a set of interviews that exemplify the life and work of a sociologist today Their ideas and conceptualizations show to what extent a paradigm shift has taken root answering questions such as whether sociology still remains a differentiated relatively autonomous social science The chosen interviewees are about equally divided according to gender and have been selected from among professional sociologists in different parts of the globe with an emphasis on areas that are under represented in English publications such as East Asia Latin America and Africa Analysis focuses on changes which are becoming clear from the on going confrontation between traditional sociology which emerged as a project of modernity and the sociology practiced by sociologists who are called upon to adapt the discipline to the upheavals of the twenty first century

The Engaged Sociologist Kathleen Odell Korgen, Jonathan M. White, 2014-09-23 This fully updated edition of *The Engaged Sociologist* by Kathleen Odell Korgen carries the public sociology movement into the classroom while at the same time providing an engaging overview of the entire field It demonstrates how to think sociologically to develop a sociological eye and to use sociological tools to become effective participants in a democratic society Perfect as a supplement for an introductory course or as a main text for any course that has public sociology at its roots this inspiring book will serve as a guidebook to any student who is passionate about applying sociological concepts to the world around them

What's Wrong with Sociology? Stephen Cole, 2018-04-17 Since the 1950s sociology has experienced a decline in prestige when compared with the other social sciences In some highly publicized cases some universities have retrenched their sociology departments others are contemplating either retrenchment or downsizing of their departments Although there are some practitioners of the discipline who believe that it has never been in better shape many sociologists have come to believe that there are very serious problems both in the cognitive and social organization of the discipline This book contains sixteen essays by sociologists who believe that their discipline faces very serious problems which must be overcome if the discipline is to survive and prosper The contributors were selected to represent diverse views and thus there is substantial disagreement among them over what the problems are that sociology faces and how they may be remedied In this highly provocative book readers is likely to find some essays they agree with and others they disagree with but all the essays present important problems faced by the discipline which must be addressed Although the authors of the sixteen essays do not agree on what is wrong with the discipline there are some themes which appear frequently In his introduction Cole summarizes and comments on these themes His introduction centers on the question of whether sociology is entirely socially constructed Is what we believe to be true about society constrained by empirical evidence or is it a result of our ideology power authority and other social processes One theme which appears in many of the essays is that sociology has become too ideological and as a result has lost credibility among university administrators politicians and the general public Many of the essays also stress the view that there are very low levels of consensus in sociology and that it is hard to see evidence of progress Others criticize the discipline for not dealing with the really important social issues and see much of the work

published as being parochial and trivial Questions are also raised about why the use of causal models has failed to generate solutions to most of the problems the discipline addresses Some authors believe that the discipline adheres to an overly rational model of human behavior and has failed to keep up with some of the advances introduced by post modernist theories This highly readable set of essays should be of interest to all those are concerned about the current state of sociology They will also be useful in introducing graduate students to some of the most important issues currently being debated in the field Stephen Cole is currently professor of sociology at the State University of New York at Stony Brook and professor of sociology at the University of Queensland Australia He is the author of Making Science Between Nature and Society and with Jonathan R Cole Social Stratification in Science Sociologists on Sociology Robert Mullan, 2022-02-23 Originally published in 1987 this edition in 1996 Sociologists on Sociology is a unique and sometimes controversial account of the development disputes and the future of sociology as seen through the eyes of eleven of the world's leading sociologists at the time Consisting of interviews with Anthony Giddens Robert K Merton Howard Becker Peter Townsend Ralf Dahrendorf Peter Worsley Stuart Hall John Rex Michael Mann Laurie Taylor and Ann Oakley the book explores such crucial issues as the nature of deviance the scientific status of sociology the relationship of Marxism and sociology the contours of race and class feminism relevance of ethnomethodology and the procedures of participant observation The contributions of such figures as Goffman Mills Parsons Weber and Foucault are assessed and in clear and concise language the contributors discuss their own theoretical interests and empirical work in the field Students and practitioners of the social sciences will find the book a fascinating and a uniquely direct insight into the thoughts of sociology's leading figures and a remarkable cumulative assessment of the state of the discipline itself **Journeys in Sociology** Rosalyn Benajmin Darling, Peter J. Stein, 2017-05 For most sociologists their life's work does not end with retirement Many professors and practitioners continue to teach publish or explore related activities after leaving academia They also connect with others in the field to lessen the isolation they sometimes feel outside the ivory tower or an applied work setting The editors and twenty contributors to the essential anthology Journeys in Sociology use a life course perspective to address the role of sociology in their lives The power of their personal experiences during the Great Depression World War II or the student protests and social movements in the 1960s and 70s magnify how and why social change prompted these men and women to study sociology Moreover all of the contributors include a discussion of their activities in retirement From Bob Perrucci Tuck Green and Wendell Bell who write about issues of class to Debra Kaufman and Elinore Lurie who explain how gender played a role in their careers the diverse entries in Journeys in Sociology provide a fascinating look at both the influence of their lives on the discipline and the discipline on these sociologists lives Contributors include David J Armor Wendell Bell Glen H Elder Jr Henry W Fischer Janet Zollinger Giele Charles S Tuck Green Peter Mandel Hall Elizabeth Higginbotham Debra Renee Kaufman Corinne Kirchner Elinore E Lurie Gary T Marx Robert Perrucci Fred Pincus Thomas Scheff Arthur Shostak David Simon Natalie J Sokoloff

Edward Tiryakian Joyce E Williams and the editors Published in collaboration with the American Sociological Association
Opportunities in Retirement Network Sociologists in Action on Inequalities Shelley K. White, Jonathan M. White, Kathleen Odell Korgen, 2014-05-30 Sociologists in Action on Inequalities Race Class Gender and Sexuality by Shelley K White Jonathan M White and Kathleen Korgen is a brief anthology of original readings that are perfect for Race and Ethnicity Race Class and Gender Introduction to Sociology Social Problems Social Inequality Senior Capstone and other courses taught through the central lens of diversity Like its companion Sociologists in Action volume on social change and social justice this collection brings together dozens of accounts of sociologists who are using their sociology to make a positive impact on society Each of the 30 selections describe through firsthand experience how sociology can be used to address enduring problems of prejudice and discrimination based on race nationality class gender and sexuality Discussion questions and suggested readings and resources at the end of every chapter will provide students with opportunities to delve further into the topics covered and help create full and nuanced discussions grounded in the real world work of public and applied sociologists

The Sociological Experience Scott G. McNall, 1969 **The Education of Sociologists in the United States** Elbridge Sibley, 1963 **Sociology in America** Craig Calhoun, 2008-09-15 Though the word sociology was coined in Europe the field of sociology grew most dramatically in America Despite that disproportionate influence American sociology has never been the subject of an extended historical examination To remedy that situation and to celebrate the centennial of the American Sociological Association Craig Calhoun assembled a team of leading sociologists to produce Sociology in America Rather than a story of great sociologists or departments Sociology in America is a true history of an often disparate field and a deeply considered look at the ways sociology developed intellectually and institutionally It explores the growth of American sociology as it addressed changes and challenges throughout the twentieth century covering topics ranging from the discipline s intellectual roots to understandings and misunderstandings of race and gender to the impact of the Depression and the 1960s Sociology in America will stand as the definitive treatment of the contribution of twentieth century American sociology and will be required reading for all sociologists Contributors Andrew Abbott Daniel Breslau Craig Calhoun Charles Camic Miguel A Centeno Patricia Hill Collins Marjorie L DeVault Myra Marx Ferree Neil Gross Lorine A Hughes Michael D Kennedy Shamus Khan Barbara Laslett Patricia Lengermann Doug McAdam Shauna A Morimoto Aldon Morris Gillian Niebrugge Alton Phillips James F Short Jr Alan Sica James T Sparrow George Steinmetz Stephen Turner Jonathan VanAntwerpen Immanuel Wallerstein Pamela Barnhouse Walters Howard Winant **Radical Sociologists and the Movement** Martin J. Murray, Rhonda F. Levine, Martin Oppenheimer, 1991 Sociology for Human Rights David L. Brunnsma, Keri E. Iyall Smith, Brian K. Gran, 2019-07-19 As sociologists deepen their examinations of human rights in their teaching research and thinking it is essential that such work is conducted in a manner that is both mindful and critical of the knowledge we are building upon in sociology and human rights As the authors of this volume reveal creating sociological

knowledge that examines human rights for the expansion of human rights is something that sociologists are well equipped to undertake whether through the use of mathematics comparative historical analysis the study of emotions conversations or social psychology In these chapters you will find the roots of the study of human rights deep within sociological research and thinking as well as emerging techniques that will push the discipline as it seeks to expand understanding of human rights together with so many other aspects of the social condition

Theory for the Working Sociologist Fabio Rojas,2017-04-04 Theory for the Working Sociologist makes social theory easy to understand by revealing sociology s hidden playbook Fabio Rojas argues that sociologists use four different theoretical moves when they try to explain the social world how groups defend their status how people strategically pursue their goals how values and institutions support each other and how people create their social reality Rojas uses famous sociological studies to illustrate these four types of theory and show how students and researchers may apply them to their interests The guiding light of the book is the concept of the social mechanism which clearly and succinctly links causes and effects in social life Drawing on dozens of empirical studies that define modern sociology and focusing on the nuts and bolts of social explanation Rojas reveals how areas of study within the field of sociology that at first glance seem dissimilar are in fact linked by shared theoretical underpinnings In doing so he elucidates classical and contemporary theory and connects both to essential sociological findings made throughout the history of the field Aimed at undergraduate students graduate students journalists and interested general readers who want a more formal way to understand social life Theory for the Working Sociologist presents the underlying themes of sociological thought using contemporary research and plain language

An Introduction to Sociology Bryan S. R. Green,Edward A. Johns,2013-10-22 An Introduction to Sociology presents the theoretical approaches the methods of inquiry and the concepts with which sociologists attempt to order the intricate phenomena of social interaction This book provides an illustration of particular investigations that may provide some insights into substantive features of society and social behavior Organized into six chapters this book starts with an overview of scientific proposition which is the statement of a relationship between specified properties of events and objects This text then explains the fundamental concepts that appear in the empirical and theoretical writings of sociologists Other chapters present a discussion of what sociologists actually study which includes the substantive areas of investigation and the aims of the investigation This book discusses as well the institutionalized areas of society including the family the economy and the polity The final chapter deals with the theories of the middle range This book is a valuable resource for sociologists

Sociologists On Sociology Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Sociologists On Sociology free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Sociologists On Sociology free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Sociologists On Sociology free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Sociologists On Sociology. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be

cautious and verify the legality of the source before downloading Sociologists On Sociology any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Sociologists On Sociology Books

What is a Sociologists On Sociology PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sociologists On Sociology PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sociologists On Sociology PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sociologists On Sociology PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sociologists On Sociology PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
