

# ANOMIE

Anomie in individuals and society is a condition of instability and disintegration. It stems from the breakdown of previously shared norms and values that regulated social (inter)actions.

## EXAMPLES

- 1 People living in high-rise residencies feel disconnected from one another and struggle with loneliness.
- 2 People engage in organized theft because they do not have other ways of accumulating wealth.
- 3 Individuals resorting to criminal activities (e.g., looting) during times of war or military occupation.

## CAUSES OF ANOMIE

1. Loss of one's sense of social belonging
2. Breakdown of social norms that keep people united
