

Songs of the Sailor and Lumberman

An extensive, authentic collection of sea shanties and
logger songs from original recordings and sources

"A magnificent contribution to the literature of the folk song."
—The Los Angeles Times

William Main Doerflinger

With a Foreword by Carl Carmer

Original title: *Songs of the Sailor and Lumberman*

Songs Of The Sailor Lumberman

David Atkinson

Songs Of The Sailor Lumberman:

Songs of the Sailor and Lumberman William Main Doerflinger, 1972 **Songs of the Sailor and Lumberman** William Main Doerflinger, 1972 **Shantymen and Shantyboys** William Main Doerflinger, 1951 Songs of the Sailor and Lumberman (original Title Shantymen and Shantyboys). W. M. Doerflinger, 1973 Logging and Lumbermen's Songs of the United States and Canada Liz Knapp, 1979 Revolution in the Air Clinton Heylin, 2009-04 The first of two volumes this companion to every song that Bob Dylan ever wrote is by far the most comprehensive book on the words of America's greatest songwriter Here you'll find not just opinionated commentary or literary interpretation but facts first and foremost Clinton Heylin is the world's leading Dylan biographer and expert and he has arranged the songs including a number that have never been performed in a continually surprising chronology of when they were actually written rather than when they appeared on albums Using newly discovered manuscripts anecdotal evidence and a seemingly limitless knowledge of every Bob Dylan live performance he has uncovered a wealth of information about the songs leaving no stone unturned in his research Here we learn that the middle verse of Blowin' in the Wind was written much later than the first and third verses that The Lonesome Death of Hattie Carroll was based on a complete distortion of the facts of the case that Mixed Up Confusion despite being Dylan's first single was composed later than many of his early masterpieces that Fourth Time Around was a direct response to John Lennon's Norwegian Wood and much more Reading this volume will fundamentally change how you hear Dylan's songs and will make you want to revisit the man's lesser known masterpieces This is an essential purchase for every true Bob Dylan fan and perhaps your most essential purchase for as a guide to the man's work it will never be surpassed **The Erie Canal Sings** Bill Hullfish, Dave Ruch, 2019-06-17 Life working along the banks of the Erie Canal is preserved in the songs of America's rich musical history Thomas Allen's Low Bridge Everybody Down has achieved iconic status in the American songbook but its true story has never been told until now Erie songs such as The Erie Is a Risin' would transform into The C O Is a Risin' as the song culture spread among a network of other canals including the Chesapeake and Ohio and the Pennsylvania Main Line As motors replaced mules and railroads emerged the canal song tradition continued on Broadway stages and in folk music recordings Author Bill Hullfish takes readers on a musical journey along New York's historic Erie Canal **Traditional Storytelling Today** Margaret Read MacDonald, 2013-12-16 Traditional Storytelling Today explores the diversity of contemporary storytelling traditions and provides a forum for in-depth discussion of interesting facets of contemporary storytelling Never before has such a wealth of information about storytelling traditions been gathered together Storytelling is alive and well throughout the world as the approximately 100 articles by more than 90 authors make clear Most of the essays average 2,000 words and discuss a typical storytelling event give a brief sample text and provide theory from the folklorist A comprehensive index is provided Bibliographies afford the reader easy access to additional resources *Liberty on the Waterfront* Paul A. Gilje, 2012-04-17 Through careful research and colorful accounts

historian Paul A Gilje discovers what liberty meant to an important group of common men in American society those who lived and worked on the waterfront and aboard ships In the process he reveals that the idealized vision of liberty associated with the Founding Fathers had a much more immediate and complex meaning than previously thought In *Liberty on the Waterfront American Maritime Culture in the Age of Revolution* life aboard warships merchantmen and whalers as well as the interactions of mariners and others on shore is recreated in absorbing detail Describing the important contributions of sailors to the resistance movement against Great Britain and their experiences during the Revolutionary War Gilje demonstrates that while sailors recognized the ideals of the Revolution their idea of liberty was far more individual in nature often expressed through hard drinking and womanizing or joining a ship of their choice Gilje continues the story into the post Revolutionary world highlighted by the Quasi War with France the confrontation with the Barbary Pirates and the War of 1812

Ballad Tales Kevan Manwaring, 2017-06-05 A ballad is a poem or a song that tells a popular story and many traditional British ballads contain fascinating stories tales of love and jealousy murder and mystery the supernatural and the historical This anthology brings together nineteen original retellings in short story form written by some of the country's most accomplished storytellers singers and wordsmiths Here you will find tales of cross dressing heroines lusty pirates vengeful fairy queens mobsters and monsters mermaids and starmen stories that dance with the form and flavour of these narrative folk songs in daring and delightful ways Richly illustrated these enchanting tales will appeal to lovers of folk music storytelling and rattling good yarns

The Columbia Granger's Guide to Poetry Anthologies William A. Katz, Linda Sternberg Katz, Esther Crain, 1994 Reference guide to poetry anthologies with descriptions and evaluations of each anthology

Cabin Boys, Milkmaids, and Rough Seas Jessica M. Floyd, 2024-08-30 During his correspondence with erotic folklore collector Gershon Legman famed chantey singer and collector Stan Hugill 1906-1992 shared unexpurgated versions of the songs in his repertoire These bawdy songs were meant to be a part of Legman's larger project concerning erotic folksong Upon Legman's death in 1999 the unfinished and unpublished manuscript sank into obscurity and was believed by many to be permanently lost Thankfully this holy grail of chantey texts had been safe in the private collection of Legman's widow Judith Legman all along *Cabin Boys Milkmaids and Rough Seas* Identity in the Unexpurgated Repertoire of Stan Hugill is the first critical investigation of this repository reproduced here for the first time Training an interdisciplinary lens on twenty four unexpurgated texts author Jessica M Floyd interrogates the articulation of gender sexuality and identity as it is expressed in these cultural artifacts of the sea Opening with both a critical explication of the chantey genre as well as situating Hugill's repertoire in the canon of folksong the book introduces readers to the critical realities that attend this rich cultural tradition Analytical chapters demonstrate the kaleidoscopic representation of gender and sexuality in this finite repertoire Each inquiry is connected and overlapping demonstrating an ebb and flow not unlike the waters on which the songs were sung Words of warning heteronormative economies and queer undercurrents each collide to present an image of sailing life that is

nuanced and complicated provocative and evocative transgressive and sometimes radical The volume allows scholars to place a finger on the pulse of maritime life feeling and experiencing one voice among the din of working class song traditions

The Beat Goes on Marion Leonard, Rob Strachan, 2010-01-01 In 2001 the Guinness Book of Records declared Liverpool the City of Pop for producing more hit records than any other city The Beat Goes On is a historical account of popular music in Liverpool that explores the contextual creative and geographical factors that have contributed to the city's status as a major center of musical creativity With contributions from experts in popular music history cultural geography ethnography and musicology alongside essays and interviews with Liverpool musicians and rare archival images this volume offers an interdisciplinary exploration of the city's unique place in the realm of popular music

The Story of Jazz Marshall Winslow Stearns, 1970 The effect of jazz upon American culture and the American character has been all pervasive This superlative history is the first and the most renowned systematic outline of the evolution of this unique American musical phenomenon Stearns begins with the joining of the African Negro's musical heritage with European forms and the birth of jazz in New Orleans then follows its course through the era of swing and bop to the beginnings of rock in the 50s vividly depicting the great innovators and covering such technical elements as the music's form and structure

Shaped by the West Wind Claire Elizabeth Campbell, 2005 Claire Campbell draws from recent work in cultural history landscape studies in geography and art history and environmental history to explore what happens when external agendas confront local realities a story central to the Canadian experience Explorers fishers artists and park planners all were forced to respond to the unique contours of this inland sea their encounters defined a regional identity even as they constructed a popular image for the Bay in the national imagination Jacket

The Quarterly Journal of the University of North Dakota University of North Dakota, 1927 *Quarterly Journal - University of North Dakota* University of North Dakota, 1926 *The English Traditional Ballad* David Atkinson, 2017-07-05 Ballads are a fascinating subject of study not least because of their endless variety It is quite remarkable that ballads taken down or recorded from singers separated by centuries in time and by hundreds of kilometres in distance should be both different and yet recognizably the same In *The English Traditional Ballad* David Atkinson examines the ways in which the body of ballads known in England make reference both to ballads from elsewhere and to other English folk songs The book outlines current theoretical directions in ballad scholarship structuralism traditional referentiality genre and context print and oral transmission and the theory of tradition and revival These are combined to offer readers a method of approaching the central issue in ballad studies the creation of meanings out of ballad texts Atkinson focuses on some of the most interesting problems in ballad studies the wit combat in versions of *The Unquiet Grave* variable perspectives in comic ballads about marriage incest as a ballad theme problems of feminine motivation in ballads like *The Outlandish Knight* and *The Broomfield Hill* murder ballads and murder in other instances of early popular literature Through discussion of these issues and themes in ballad texts the book outlines a way of tracing traditions in English

balladry while recognizing that ballad tradition is far from being simply chronological and linear Melville's Folk Roots Kevin J. Hayes, 1999 Herman Melville's reputation as a great writer has gradually evolved throughout the 20th century Tempered by studies that emphasize the Western literary tradition literary appreciation for Melville's use of folklore has been slow in developing This study focuses on Melville's immersion with and borrowing from oral traditions both music and narrative tall tale humour nautical folklore superstition and legend The book also acts as a general introduction to Melville's work **Alan Lomax, Assistant in Charge** Ronald D. Cohen, 2010-12-08 Alan Lomax 1915-2002 began working for the Archive of American Folk Song at the Library of Congress in 1936 first as a special and temporary assistant then as the permanent Assistant in Charge starting in June 1937 until he left in late 1942 He recorded such important musicians as Woody Guthrie Muddy Waters Aunt Molly Jackson and Jelly Roll Morton A reading and examination of his letters from 1935 to 1945 reveal someone who led an extremely complex fascinating and creative life mostly as a public employee While Lomax is noted for his field recordings these collected letters many signed Alan Lomax Assistant in Charge are a trove of information until now available only at the Library of Congress They make it clear that Lomax was very interested in the commercial hillbilly race and even popular recordings of the 1920s and after These letters serve as a way of understanding Lomax's public and private life during some of his most productive and significant years Lomax was one of the most stimulating and influential cultural workers of the twentieth century Here he speaks for himself through his voluminous correspondence
