## **Songs Of Thomas Durfey:**

*The Songs of Thomas D'Urfey* Thomas D'Urfey, 1933 A collection of 26 song texts by Thomas D'Urfey with music in facsimile for all except two Settings are principally for unaccompanied voice or for voice with unfigured bass Composers are named in some instances English words      **The songs** Thomas D'Urfey, 1968      **The Songs of Thomas D'Urfey** Thomas d'Urfey, 1933      *The Songs of Thomas D'Urfey. Selected and Edited by Cyrus Lawrence Day. [With a Portrait and Facsimiles.].* Thomas D'Urfey, Cyrus Lawrence Day, 1933      **Thomas Durfey and Restoration Drama** John McVeagh, 2017-03-02 Though once a favourite of no fewer than four English monarchs Restoration playwright Thomas Durfey has long been neglected by scholars In his own day he had a lowly reputation in the world of polite letters before his death his plays had more or less ceased to be produced his serious poems had died long before that and even his songs were soon thought of as common property or folk songs In this new study author John McVeagh re examines Durfey s literary output finding merit and interest where it has long been presumed that none existed and restoring Durfey to his proper place in late 17th and early 18th century literature Durfey s creative lifetime spanned the entire Restoration period and continued into and beyond the reign of Queen Anne McVeagh s book studies his continuing ability to adapt to shifts in taste fashion and personnel in the world of the theatre It examines in detail his numerous experiments in new kinds of dramatic writing both responding to and influencing the conditions of theatrical and artistic production Among the topics covered are Durfey s attempts to feminize Restoration comedy his political satires in drama in the late Stuart years his anticipations of sentimental comedy his search for a new language for lower class tragedy and his musical dramatic experimentations in the 1680s and 1690s focusing particularly on his collaborative work with Matthew Locke Samuel Ackroyde John Eccles Daniel and Henry Purcell and other composers In addition the author discusses Durfey s numerous satiric narrative and other poems and relates his writings to their social political and cultural contexts The book includes a performance record listing the plays by performance date The record includes such information if known as where it was performed by what company cast list to whom it was dedicated a brief description of the prologue and epilogue when it was published what music it contained and details of any revivals      *Appendix A: Index to the first lines of the songs in Wit and mirth: or, Pills to purge melancholy.* *Appendix B: Index to the first lines of the songs of Thomas Durfey* Cyrus Lawrence Day, 1930      *Wit and Mirth; Or, Pills to Purge Melancholy* Thomas D'Urfey, 1719      *The Ashgate Research Companion to Henry Purcell* Rebecca Herissone, 2016-04-01 The Ashgate Research Companion to Henry Purcell provides a comprehensive and authoritative review of current research into Purcell and the environment of Restoration music with contributions from leading experts in the field Seen from the perspective of modern interdisciplinary approaches to scholarship the companion allows the reader to develop a rounded view of the environment in which Purcell lived the people with whom he worked the social conditions that influenced his activities and the ways in which the modern perception of him has been affected by reception of his music

after his death In this sense the contributions do not privilege the individual over the environment rather they use the modern reader s familiarity with Purcell s music as a gateway into the broader Restoration world Topics include a reassessment of our understanding of Purcell s sources and the transmission of his music new ways of approaching the study of his creative methods performance practice the multi faceted theatre environment in which his work was focused in the last five years of his life the importance of the political and social contexts of late seventeenth century England and the ways in which the performance history and reception of his music have influenced modern appreciation of the composer The book will be essential reading for anyone studying the music and culture of the seventeenth century     *A New Collections of Songs and Poems by Thomas D'Urfey ...* Thomas D'Urfey,19??     *The Songs of Thomas D'Urfey in Pills to Purge Melancholy*  
John Allen Davidson,1972
