Songs by Alec Wilder Were Made to Sing Alec Wilder, 1976 **Alec Wilder in Spite of Himself** Desmond Stone, 1996-04-25 Alec Wilder wrote songs and lyrics of unsurpassed beauty and originality and his work won the respect and admiration of such important musical figures as Frank Sinatra Peggy Lee Mitch Miller Gunther Schuller and many others Yet Wilder seemed almost to court obscurity Both in the music he composed and in the way he lived his life Wilder valued the unique and eccentric over the established and easily acceptable And though he authored the definitive American Popular Song which critics praised as singular Studs Terkel pioneering Whitney Balliett rewarding Milton Babbitt and a joy to anyone who really cares about American popular music Max Morath his own contribution to that music has remained until now too little known and far too little appreciated Desmond Stone's engaging and lively biography brings Alec Wilder's life and music into the spotlight where it belongs Ranging from Wilder's childhood in Rochester New York to his rise as a major writer of popular songs in the 1940s to his relationships with Frank Sinatra and the cabaret singer Mabel Mercer Stone gives us rich insight into the creative process and profound influence of this highly unorthodox composer We see the impulses and musical concerns that led to such standards as I'll Be Around and It's So Peaceful in the Country We also get an inside view of how he wrote his monumental American Popular Song which remains the most significant study of America's great songwriters More important we get a vivid sense of a haunting incorruptible melodist whose unique personality was mirrored in his music Man and composer dared to be different When Wilder in the late 1930s wrote his famous Octets the music world did not know what to make of these irreverent highly original pieces Yet they had a seminal influence on jazz chamber music in America Wilder would go on to compose hundreds of instrumental numbers Whether he was writing concert pieces for an unprecedented and highly unusual group of instruments or mixing jazz classical and popular idioms in a single song or dashing off a sonata for a friend Wilder followed the dictates of his own creativity rather than the expectations of the musical establishment Such independence and unpredictability earned him the hostility of many critics but the enduring respect of the musicians he wrote for Here then is a fascinating private portrait of a man who lived a nomad's life who loved riding trains so much he kept a timetable in his pocket at all times a man whose only home was a small room he maintained at the Algonquin Hotel in Manhattan where he often held court in the lobby a man with a serious drinking problem as well as the kindest and most generous of friends Essential reading for anyone interested in American popular music Alec Wilder in Spite of Himself provides a much needed account of this complex colorful and highly original life Songs by Alec Wilder were made to sing Alec Wilder, 1976 Catalog of Copyright Entries Library of Congress.
