**Kenneth Koch**

## **Songs From The Edge Of Everything:**

**Songs from the Edge of Japan: Music-making in Yaeyama and Okinawa** Dr Matt Gillan, 2013-01-28 Since the early 1990s Okinawan music has experienced an extraordinary boom in popularity throughout Japan. Musicians from this island prefecture in the very south of Japan have found success as performers and recording artists and have been featured in a number of hit films and television dramas. In particular the Yaeyama region in the south of Okinawa has long been known as a region rich in performing arts and Yaeyaman musicians such as BEGIN Daiku Tetsuhiro and Natsukawa Rimi have been at the forefront of the recent Okinawan music boom. This popularity of Okinawan music represents only the surface of a diverse and thriving musical culture within modern day Yaeyama. Traditional music continues to be an important component of traditional ritual and social life in the islands while Yaeyama's unique geographical and cultural position at the very edge of Japan have produced varied discourses surrounding issues such as tradition versus modernity, preservation and cultural identity. *Songs from the Edge of Japan* explores some of the reasons for the high profile of Yaeyaman music in recent years both inside and outside Yaeyama. Drawing on extensive ethnographic fieldwork carried out since 2000, the book uses interviews, articles from the popular media, musical and lyrical analysis of field and commercial recordings as well as the author's experiences as a performer of Yaeyaman and Okinawan music to paint a picture of what it means to perform Yaeyaman music in the 21st century.

**The Edge of Sex** Lisa Speidel, Micah Jones, 2019-11-27 *The Edge of Sex* is an anthology of voices from the margins bringing together 37 writers to discuss their experiences of sex and sex education in America. The anthology explores often overlooked and excluded identities with pieces on sexuality and disabilities, survivors of assault, sex work, women of color, kink and BDSM, being Muslim and queer, reproductive rights and the challenges of culture and identity when grappling with gender fluidity and gendered expectations. As they trace the negative effects of a restrictive fear-based sex education, particularly on marginalized individuals, these stories unearth larger themes: tensions with race and religion, expectations from heteronormative society and pressures of femininity and masculinity. Importantly, they also highlight the resilience and empowerment of marginalized individuals within a culture designed to ostracize them. The rich, diverse and intersectional stories of *The Edge of Sex* paint a contextualized picture of sex education and make an urgent case for better representation and more inclusive, consistent and comprehensive content. By reading this anthology, casual readers may learn more about their sexual selves, clinicians can apply the material to their practices with clients, and educators and students can expand their knowledge of feminist theory, intersectional theory, queer theory and sex education.

**Tougher Than the Rest: 100 Best Bruce Springsteen Songs** June Skinner Sawyers, 2006-10-20      **On the Edge** Kenneth Koch, 2009 In paperback for the first time, Kenneth Koch's six masterly groundbreaking longer poems which contain some of the poet's most original work, full of exclamation and exaggeration but graced as well with dry wit and sophistication. Together they serve as the companion volume to the highly praised *Collected Poems of Kenneth Koch*.      **Close to the**

**Edge: The Story of Yes** Chris Welch, 2009-11-11 Yes have now been on the rock circuit for an incredible 34 years Jon Anderson Steve Howe Rick Wakeman Chris Squire and Bill Bruford are just some of the star players who helped to make the band one of the greatest ever names in classic rock Their turbulent story spans the early days of pub and club gigs international supergroup status in the heyday of rock and various line ups since Chris Welch s definitive biography of Yes is once again updated to include the historic return of Rick Wakeman to the classic Yes line up during 2002 and their subsequent highly successful tour of America

**On the Edge of Greatness** Heidi Korte, 2023-03-07 I want to give away to you in this book the ability to see and recognize every obstacle in front of your artistic path as something that can be knocked down and moved aside If you are willing to put effort in you can win If you don t quit you win Heidi Korte spent years holding back as a singer because of toxic mindsets Her self esteem was rooted in having perfect performances and receiving top marks in singing competitions Seeing the same mental obstacles blocking the artistic journeys of an overwhelming number of her students she began working with them helping them avoid the common pitfalls that most young creatives experience but so few talk about In *On the Edge of Greatness* Heidi shares the secrets to becoming an authentic creator along with wisdom and real life stories from her students and professional creatives to help identify lie based thinking and change false belief systems so the reader can learn to move past negativity and be free to create with ease and joy Each chapter delves into a mental obstacle that hinders young creatives including fear comparison rejection perfectionism time management avoidance negative feedback embarrassment anxiety arrogance and self sufficiency creative blocks failure motivation self doubt schedule overload self discipline social media and steps to practically overcome them Also included are actions to take meditations questions to work through and space for personal reflection and note taking *On the Edge of Greatness* is designed to inspire young creatives to move beyond their self imposed limitations and turn creative dreams into realities

**Light at the Edge of the World** Wade Davis, 2009-12-01 For more than 30 years renowned anthropologist Wade Davis has traveled the globe studying the mysteries of sacred plants and celebrating the world s traditional cultures His passion as an ethnobotanist has brought him to the very center of indigenous life in places as remote and diverse as the Canadian Arctic the deserts of North Africa the rain forests of Borneo the mountains of Tibet and the surreal cultural landscape of Haiti In *Light at the Edge of the World* Davis explores the idea that these distinct cultures represent unique visions of life itself and have much to teach the rest of the world about different ways of living and thinking As he investigates the dark undercurrents tearing people from their past and propelling them into an uncertain future Davis reiterates that the threats faced by indigenous cultures endanger and diminish all cultures
