Songs Of A Native Son:

Songs of a Native Son L. Charles Merrill,1979-01-01

From Humble Beginnings William Frank Andrews,2005-08

The Words and Music of James Taylor James E. Perone,2017-11-10 A valuable resource for James Taylor fans and a fascinating read for anyone interested in autobiographical popular music of the past 50 years What kinds of unusual musical forms and lyrical structures did American singer songwriter James Taylor incorporate into his songs What role did Taylor play in the introspective singer songwriter movement of the 1970s How did Taylor write and record songs that were inspired from his own experiences in life that touched so many other people The Words and Music of James Taylor explores these specific topics and provides detailed critical analysis of the songs and recordings of this well known musical icon examining his melodic writing his use of harmony and his often unappreciated tailoring of musical form to enhance his lyrical messages The book is organized chronologically primarily around Taylor s studio albums from 1968 to 2015 and offers an introduction a summary of Taylor s career and importance as well as an annotated bibliography and discography The final section of the book presents an overview of Taylor s importance and lasting impact an analysis of themes that run through his songs and an explanation of how Taylor s treatment of these themes changed over the years as he matured and as the world around him changed

Songs of the Great American West Irwin Silber,1995-01-01 Presents ninety two songs of the American West each with lyrics a vocal score simple piano arrangements and chord symbols and includes historical notes and commentaries and over one hundred period illustrations Favorite Old-time Songs and Mountain Ballads ,1929

Black Resonance Emily J. Lordi,2013-11-08 Ever since Bessie Smith s powerful voice conspired with the race records industry to make her a star in the 1920s African American writers have memorialized the sounds and theorized the politics of black women s singing In *Black Resonance* Emily J Lordi analyzes writings by Richard Wright Ralph Ellison James Baldwin Gayl Jones and Nikki Giovanni that engage such iconic singers as Bessie Smith Billie Holiday Mahalia Jackson and Aretha Franklin Focusing on two generations of artists from the 1920s to the 1970s *Black Resonance* reveals a musical literary tradition in which singers and writers faced with similar challenges and harboring similar aims developed comparable expressive techniques Drawing together such seemingly disparate works as Bessie Smith s blues and Richard Wright s neglected film of *Native Son* Mahalia Jackson s gospel music and Ralph Ellison s *Invisible Man* each chapter pairs one writer with one singer to crystallize the artistic practice they share lyricism sincerity understatement haunting and the creation of a signature voice In the process Lordi demonstrates that popular female singers are not passive muses with raw natural or ineffable talent Rather they are experimental artists who innovate black expressive possibilities right alongside their literary peers The first study of black music and literature to centralize the music of black women *Black Resonance* offers new ways of reading and hearing some of the twentieth century s most beloved and challenging voices

Songs of the Makers of Canada and Other Homeland

Lyrics John Daniel Logan,1911

Sixty Years of California Song Margaret Blake Alverson,1913

The American History

and Encyclopedia of Music ,1908 **The National and Religious Song Reader** William Emmett Studwell,1996 William Studwell has done it again In The National and Religious Song Reader the author presents more than 120 enjoyable and informative essays on national patriotic and religious songs from around the world Readers will learn the answers to such questions as Was Dixie actually first performed in New York City Which 16th century English composition is referred to by Shakespeare in The Merry Wives of Windsor What well known hymn was written by Martin Luther in 1529 And what is a waltzing matilda anyway Hint It s not a dancing young lady Studwell s latest collection follows the form and style of his earlier works The Popular Song Reader and The Christmas Carol Reader as he relays interesting facts about each song through anecdotes humor poetry and a generally lighthearted yet scholarly approach In addition to information about each song and its composer the author also discusses how the song reflected society at the time and how the song itself has influenced popular culture The book is divided into four sections American National Songs armed forces songs war songs national anthems national marches National Songs From Other Countries songs from Canada Mexico England Scotland France Italy Germany Russia Ireland Israel Australia General Hymns religious songs from the 17th century and earlier and the 18th 19th and 20th centuries Songs Associated With Religious Events Easter Thanksgiving weddings funerals The book s readable style is its most important quality as it makes it more approachable than a typical reference book And vital to its usefulness as a reference book are the indexes one by song title and another by person or group Whether used primarily as an enjoyable reference or as an informative reader The National and Religious Song Reader is bound to provide new insights into familiar songs for all music fans **Teaching Through Song in Antiquity** Matthew E. Gordley,2011 While scholars of antiquity have long spoken of didactic hymns no single volume has defined or explored this phenomenon across cultural boundaries in antiquity In this monograph Matthew E Gordley provides a broad definition of didactic hymnody and examines how didactic hymns functioned at the intersection of historical circumstances and the needs of a given community to perceive itself and its place in the cosmos and to respond accordingly Comparing the use of didactic hymnody in a variety of traditions this study illuminates the multifaceted ways that ancient hymns and psalms contributed to processes of communal formation among the human audiences that participated in the praise either as hearers or active participants The author finds that in Greek Roman Jewish and Christian contexts many hymns and prayers served a didactic role fostering the ongoing development of a sense of identity within particular communities Congressional Record United States. Congress,1969

Billboard ,1950-06-10 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *All Music Guide* Vladimir Bogdanov,Chris Woodstra,Stephen Thomas Erlewine,2001-11 Arranged in sixteen musical categories provides entries for twenty thousand releases from four thousand artists and includes a history of each musical genre *Carnival*

Song and Society Jerome R. Mintz, 2020-05-26 Carnival songs resemble a tabloid newspaper in their verve spirit and range of themes They are a measure of social change and an annual summary of events and opinion The songs involve considerable artistry and are renowned as well for their raucous humor and vulgar concerns Promiscuity and sexual misalliances are common subjects Banned by Franco during the Spanish Civil War the C diz carnival began a revival in the 1960 s following decades of repression This fascinating book examines carnival song and society during the last years of the Franco dictatorship and the succeeding period of the new constitutional monarchy when the Andalusians found their voice and Carnival enjoyed an extraordinary florescence Songs from rural and urban carnivals in several locales throughout the province of C diz provide a compelling picture of Andalusian life in both troubled and more flourishing times **Song King**

Levi S. Gibbs, 2018-05-31 When itinerant singers from China s countryside become iconic artists worlds collide The lives and performances of these representative singers become sites for conversations between the rural and urban local and national folk and elite and traditional and modern In *Song King Connecting People Places and Past in Contemporary China* Levi S Gibbs examines the life and performances of Folksong King of Western China Wang Xiangrong b 1952 and explores how itinerant performers come to serve as representative symbols straddling different groups connecting diverse audiences and shifting between amorphous place based local regional and national identities Moving from place to place these border walkers embody connections between a range of localities presenting audiences with traditional modern rural and urban identities among which to continually reposition themselves in an evolving world Born in a small mountain village near the intersection of the Great Wall and the Yellow River in a border region with a rich history of migration Wang Xiangrong was exposed to a wide range of songs as a child The songs of Wang s youth prepared him to create a repertoire of region representing pieces and mediate between regions nations and multinational corporations in national and international performances During the course of a career that included meeting Deng Xiaoping in 1980 and running with the Olympic torch in 2008 Wang s life songs and performances have come to highlight various facets of social identity in contemporary China Drawing on extensive fieldwork with Wang and other professional folksingers from northern Shaanxi province at weddings Chinese New Year galas business openings and Christmas concerts *Song King* argues that songs act as public conversations people can join in on As song kings and queens fuse personal and collective narratives in performances of iconic songs they provide audiences with compelling models for socializing personal experience negotiating a sense of self and group in an ever changing world **Writing the Popular Song** Edward Michael Wickes, 1916 **Music Clubs Magazine** , 1933 **The Music in African American Fiction** Robert H. Cataliotti, 2019-09-16 This is the first comprehensive historical analysis of how black music and musicians have been represented in the fiction of African American writers It also examines how music and musicians in fiction have exemplified the sensibilities of African Americans and provided paradigms for an African American literary tradition The fictional representation of African American music by black authors is traced

from the nineteenth century William Wells Brown Martin Delany Pauline E Hopkins Paul Laurence Dunbar through the early twentieth century and the Harlem Renaissance James Weldon Johnson Langston Hughes Claude McKay Zora Neale Hurston to the 1940s and 50s Richard Wright Ann Petry James Baldwin Ralph Ellison and the 1960s and the Black Arts Movement Margaret Walker William Melvin Kelley Leroy Jones Amiri Baraka Henry Dumas In the century between Brown and Baraka the representation of music in black fiction went through a dramatic metamorphosis Music occupied a representative role in African American culture from which writers drew ideas and inspiration The music provided a way out of a limited situation by offering a viable option to the strictures of racism Individuals who overcome these limitations then become role models in the struggle toward equality African American musical forms for both artist and audience also offered a way of looking at the world survival and resistance The black musician became a ritual leader This study delineates how black writers have captured the spirit of the music that played such a pivotal role in African American culture Ph D dissertation State University of New York at Stony Brook 1993 revised with new preface and index

Music for Wartime Rebecca Makkai, 2016-06-07 A short story collection from the acclaimed author of *The Great Believers* Named a must read by the Chicago Tribune O Magazine BuzzFeed The Huffington Post Minneapolis Star Tribune and The L Magazine Rebecca Makkai's first two novels *The Borrower* and *The Hundred Year House* have established her as one of the freshest and most imaginative voices in fiction Now the award winning writer whose stories have appeared in four consecutive editions of *The Best American Short Stories* returns with a highly anticipated collection bearing her signature mix of intelligence wit and heart A reality show producer manipulates two contestants into falling in love even as her own relationship falls apart Just after the fall of the Berlin Wall a young boy has a revelation about his father's past when a renowned Romanian violinist plays a concert in their home When the prized elephant of a traveling circus keels over dead the small town minister tasked with burying its remains comes to question his own faith In an unnamed country a composer records the folk songs of two women from a village on the brink of destruction These transporting deeply moving stories some inspired by her own family history amply demonstrate Makkai's extraordinary range as a storyteller and confirm her as a master of the short story form Richly imagined Chicago Tribune Impressive O The Oprah Magazine Engrossing Minneapolis Star Tribune Inventive W Magazine

Unveiling the Power of Verbal Artistry: An Mental Sojourn through **Songs Of A Native Son**

In a world inundated with monitors and the cacophony of instant interaction, the profound energy and mental resonance of verbal art often diminish into obscurity, eclipsed by the continuous onslaught of noise and distractions. However, nestled within the lyrical pages of **Songs Of A Native Son**, a interesting function of fictional beauty that pulses with fresh feelings, lies an memorable trip waiting to be embarked upon. Written with a virtuoso wordsmith, that mesmerizing opus books visitors on a psychological odyssey, lightly exposing the latent potential and profound affect stuck within the complex web of language. Within the heart-wrenching expanse with this evocative analysis, we can embark upon an introspective exploration of the book is main themes, dissect its charming publishing style, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
